Notes:

- Cash PAT = PBDT (adjusted for cash exceptional items) – Current tax
- Prior period figures have been restated wherever necessary
- PAT for Q4 and FY24 includes deferred tax assets of Rs 338.7 million- The company has unabsorbed tax losses and depreciation that are available for offsetting against future taxable profits of the Company. The Company had recognised deferred tax assets to the extent of deferred tax liability of Rs 258 million as of March 31, 2023 due to continued losses in the earlier years. In view of the profit made during the year and expected continued profitability in future, during the quarter ended March 31, 2024 the Company has recognised additional deferred tax asset of Rs 338.7 million based on the projection of taxable profit for the next 4 years on prudent basis.

*Financials for previous periods / year have been regrouped / rearranged, wherever necessary, to make them comparable
