Notes:

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on 12th November 2020.
- The financial results for the period have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015. The Company has adopted Ind AS from 1 April 2014 with effective transition date of 1 April 2014 and accordingly, these financial results together with the results for the comparative periods have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015. The principles as laid down in Ind AS 14 generally financial reporting, prescribed under section 133(2)(g) of the Companies Act, 2013 shall prevail over the provisions of the Companies Act and other accounting guidelines internally accepted/in India.
- The Company has granted moratorium upto six months on the payment of outstanding dues falling due between March 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines issued vide RBI Circular dated May 21, 2020 relating to COVID-19 Regulatory Prudential and guidelines on moratorium dated 20-03-2020. Extension of such moratorium benefits to borrowers is not the COVID-19 regulatory obligation of the Bank. If any borrower is considered to be unable to increase its credit risk as per Ind AS 109 for staging of accounts, the Company continues to recognise interest income during the moratorium period and in the absence of default on principal, the granting of a moratorium does not affect the recognition of accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification of assets.
- The COVID-19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has not affected the Company's operations. Due to lockdown, the Company's share of interest income and recovery of dues from its customers have not been affected during the quarter ended September 30, 2020.
- The Company's management has not considered an additional Expected Credit Loss (ECCL) provision on loans on account of COVID-19 during the quarter ended September 30, 2020. This was due to the fact that impact of COVID-19 on the business of the Company is still uncertain. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.

Director
