Pursuant to Regulation 47 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are enclosing herewith copy of notice regarding loss of Share Certificates published in 'Economic Times' and 'Punjabi Jagran' on 10<sup>th</sup> October 2020.

This is for your information please.

Thanking You,

Yours faithfully,

For IOL Chemicals and Pharmaceuticals Limited

  
Abhay Raj Singh  
AVP & Company Secretary

re," he said at a press briefing. Joshi said that the mines have witnessed fierce competition and companies have offered great premiums. The highest premium remained at 66.75% whereas the average premium remained at 29%. The maximum revenue is expected to be earned by the Jharkhand government, which moved the Supreme Court against holding of the coal mines auction by the Central government. The Jharkhand government will garner Rs 2,690 crore every year, Madhya Pradesh government Rs 1,724 crore, Odisha Rs 1,059 crore and Maharashtra Rs 321 crore, Joshi told mediapersons on the last day of coal block auctions. The Chhattisgarh government is likely to get Rs 842 crore revenue. He said that almost 65% bidders were from the 'non-end user' category like real estate, infrastructure, pharma, which is a positive sentiment shared by the industry after removal of end-use criteria from the bidding process.

ars from 2021-22 to 2025-26 to President Ram Nath Kovind on Monday, according to an official statement.

The report titled 'Finance Commission in Covid Times', contained four volumes each pertaining to an area of the terms of reference of the FC, the statement said.

While volumes one and two contained the main report regarding the vertical and horizontal tax devolution and grants to local bodies and disaster management, volumes three and four were dedicated to the central and state governments respectively, it said.

Beyond its traditional mandate of recommending a tax devolution formula, the 15th FC was given the addi-

funding defence and internal security and how such a mechanism could be operationalised.

With regard to the states, the 15th FC was tasked with recommending a set of performance-linked incentives in the areas of power, adoption of direct benefit transfer and solid waste management among others.

A copy of the report will be presented to Prime Minister Narendra Modi and finance minister Nirmala Sitharaman later this month and will be made

for the report on October 30, which included extensive consultations with the Union, state and local governments at different tiers, its advisory committees, members of previous FCs and various domain experts.

After the Centre had accepted the commission's interim report for the current fiscal in January this year, the FC had to re-calibrate its assumptions and projections for the economy on account of the Covid-19 pandemic that hit India around February.
