Within the pages of this report, we invite you to explore the impact of our efforts. Let it inspire you to join us in cultivating change, to embrace sustainable practices in every aspect of your life.

Together, we can shape a world where balance and harmony prevail, leaving a lasting legacy for generations to come. Join us as we embark on this journey, **“CULTIVATING A BETTER TOMORROW FOR ALL.”**

My Dear Shareholders,

It is with great pleasure that I present to you the Annual Report for the fiscal year 2022-23. This past year has been a transformative journey for our company, filled with challenges and opportunities that have shaped our growth. I would like to express my sincere gratitude to all of you, our valued shareholders, for your unwavering support and belief in our vision. Our shared commitment to sustainability, health, and quality has propelled us to new heights

OUR BUSINESS

The past year has been dedicated towards expansion of our operations, reaching new markets, and making a significant impact on the lives of countless individuals who seek healthier and more sustainable food choices.

Over the past years, we have witnessed a profound shift in consumer behaviour, with a growing awareness of the importance of organic and

sustainable food. Our company, being at the forefront of this movement, has experienced remarkable growth and success. Our dedication to environment-friendly practices, from farm to fork, has enabled us to build a strong brand that resonates with conscious consumers who prioritize their health and the well-being of the planet.

Our business encompasses a wide range of commodities, including rice, wheat, pulses, fruits and vegetables. Additionally, we have ventured into operations of high-quality and sustainable processed food, further enhancing our offerings to cater to the evolving needs of our discerning customers.

OUR FINANCIALS

Financially, the year has been significant for us, despite the economic slowdown and uncertainties caused by the pandemic and geopolitical tensions caused by the glooming war. Through our focused approach and determination to sustain our operations, we achieved a remarkable top-line revenue of ₹269.91 crore in 2022-23, a significant increase from ₹74.40 crore in the previous fiscal year. However, it is important to note that due to various factors, we experienced a loss of ₹3.79 crores in the fiscal year, compared to a profit of ₹6.69 crores in the previous year.

As we reflect on these financial figures, it is essential to understand that our journey extends far beyond numbers. Our company has undergone a significant transition since being acquired by the Suumaya Group, a key player in the Agri Value Chain. This transition has allowed us to embrace sustainable and organic growth, which aligns closely with our commitment to cultivating a better tomorrow.

CULTIVATING A BETTER TOMORROW

The theme of this year's Annual Report, "Cultivating a Better Tomorrow," resonates deeply with our mission. As a member of the millennial generation, I strongly believe in the importance of sustainable development and the preservation of resources for future generations. We believe that access to healthy and nutritious food is a fundamental right for every individual. Through our partnerships with organic farmers, we aim to elevate food standards by providing diverse, high-quality, and sustainable food products.

We recognize that the food we consume plays a crucial role in our overall well-being, and it is our responsibility to nurture the young minds and future generations. Our country, with its predominantly young population, has immense potential to become a global leader. By providing adequate nutrition and fostering healthy habits, we can ensure the growth and development of our youth, starting even before they are born.

With the information available at disposal, it has led to steady improvements in living standards across the world, but it has also given rise to a lot of challenges. We need to systematically adhere to create a better future, building on an unceasing and continuous source of healthy resources that sustains for generations to come.

It's only through the efforts of the like-minded people that we stand a chance of supporting the needs of a changing planet and its people at large.

OUR VISION

At White Organic, our vision extends beyond the present. We envision ourselves as a governance-driven organization, defined by robust systems and processes that prioritize transparency, visibility, and predictability. By adhering to these principles, we aim to achieve organic and sustainable growth, enhancing the value of all our stakeholders. We are confident that our initiatives in this direction will not only enhance revenues but also create long-term value for those associated with our company, as we continue to invest in research and development, exploring cutting-edge technologies that optimize our farming practices and minimize our ecological footprint. We will forge even stronger partnerships with like-minded organizations, fostering innovation and collaboration to shape a more sustainable food system for future generations.

In conclusion, I would like to express my deepest gratitude to our dedicated team of employees, whose hard work, creativity, and passion have been instrumental in our success. It is their unwavering dedication that has made our company a beacon of excellence in the organic food industry. Furthermore, I extend my sincere appreciation to our shareholders, whose trust and support have allowed us to fulfill our mission and create a positive impact on the world.

As we move forward, let us remain united in our pursuit of a healthier, more sustainable future. Together, we will continue to build a company that not only delivers exceptional financial performance but also strives towards CULTIVATING A BETTER TOMORROW!

*Best Regards,

Management Discussion & Analysis Report

GLOBAL ECONOMIC REVIEW

The current state of the global economy is marked by a significant level of uncertainty resulting from various factors. Instability in the financial sector and persistently high inflation rates contribute to this uncertainty. Additionally, the ongoing repercussions of Russia's invasion of Ukraine and the prolonged effects of the COVID-19 pandemic further add to the overall unpredictability.

According to the baseline forecast, global growth is expected to decline from 3.4 percent in 2022 to 2.8 percent in 2023, ultimately reaching a 3.0 percent growth rate in 2024. Advanced economies are likely to experience a more pronounced slowdown in growth, with their growth rate dropping from 2.7 percent in 2022 to 1.3 percent in 2023. In an alternative scenario where the financial sector experiences further stress, global growth could decline to approximately 2.5 percent in 2023, with advanced economies witnessing growth rates below 1 percent.

While global headline inflation is projected to decrease from 8.7 percent in 2022 to 7.0 percent in 2023 due to lower commodity prices, underlying (core) inflation is expected to decline at a slower pace. It is unlikely that inflation will return to target levels before 2025 in most cases.

The natural rate of interest holds significant importance in monetary and fiscal policy as it serves as a benchmark for assessing the effectiveness of monetary policy and determining the sustainability of public debt. The COVID-19 pandemic has led to a surge in public debt-to-GDP ratios worldwide, and it is anticipated that these elevated levels will persist.

The concept of geoeconomic fragmentation, characterized by disruptions in supply chains and escalating geopolitical tensions, has become a central focus in policy discussions. The risks, potential benefits, and costs associated with

this fragmentation are currently being carefully examined.

In summary, the global economy is currently navigating uncertainties arising from turmoil in the financial sector, high inflation, the ongoing repercussions of the Russia-Ukraine conflict, and the prolonged effects of the COVID-19 pandemic. The baseline forecast indicates a slowdown in growth, particularly in advanced economies. Public debt remains a concern, and efforts are underway to explore strategies for reducing debt-to-GDP ratios. Geoeconomic fragmentation is being thoroughly studied to understand its implications for foreign direct investment (FDI) and its impact on the global economy.

INDIAN ECONOMIC REVIEW

India's economy demonstrated strong growth in the fourth quarter of the fiscal year 2022-23, expanding by 6.1 percent, resulting in an annual growth rate of 7.2 percent. This growth rate surpassed the 4.5 percent expansion witnessed in the quarter of October-December 2022-23.

The official forecast for India's economy in the fiscal year 2023-2024 is an expansion of 7 percent. However, the finance ministry has identified downside risks to this forecast. These risks include oil production cuts by OPEC, challenges in the financial sector of developed markets affecting cash flows, and the potential impact of deficient monsoon rains due to El Nino on farm output and prices.

According to the International Monetary Fund (IMF), India's economy is displaying resilience and is expected to contribute to a growth rate of 4.6 percent in Asia for the current financial year, an

increase from 3.8 percent the previous year. India, along with China, is recognized as a key driver of growth in the Asia-Pacific region, with both countries projected to account for approximately half of global growth in 2023, while the remaining 20 percent comes from the rest of the region. Despite the implementation of monetary tightening measures, domestic demand in Asia remains strong, although there is a declining trend in external demand for technology products and other exports.

The Economic Survey report 2022-23 highlights several factors that could positively influence India's growth outlook. It suggests that the ongoing surge in Covid-19 infections in China may have limited health and economic repercussions for the rest of the world, leading to the normalization of supply chains. Additionally, inflationary pressures resulting from China's economic reopening are expected to be temporary and not have a significant or lasting impact.

Furthermore, if major Advanced Economies (AEs) experience a recessionary trend, it could result in a pause in monetary tightening measures and a return of capital flows to India. This, combined with a stable domestic inflation rate below 6 percent, has the potential to enhance investor confidence and stimulate private sector investment.

The Indian agriculture economy is expected to grow at a rate of 3.5% in 2022-23, according to the Economic Survey 2022-23. This growth is driven by several factors, including increased investment in agriculture as the government has increased its investment in agriculture in recent years, and this is expected to continue in the coming years. This investment will be used to improve irrigation facilities, develop new crop varieties, and provide training to farmers. Further, the agricultural sector has been making steady progress in terms of productivity, and this is expected to continue in the coming years. This progress is being driven by a number of factors, including the use of improved agricultural practices, the adoption of new technologies, and the availability of better inputs. Lastly, the demand for agricultural products is expected to grow in the coming years, due to the increasing population and rising incomes.

This growth in demand will provide a boost to the agricultural sector.

As per the third advance estimate for 2022-23 the total foodgrain production in India is estimated to be 330.53 million tonnes in 2022-23, which is a record high. This is an increase of 7.5% from the previous year. The total pulses production in India is estimated to be 27.5 million tonnes in 2022-23, that of oilseeds is 40.99 million tonnes, cotton is 34.35 million tonnes and sugarcane is 494.23 million tonnes.

In summary, the Economic Survey report 2022-23 identifies various factors that could positively influence India's growth prospects. These include the limited impact of China's Covid-19 surge on global health and economies, temporary inflationary effects from China's economic reopening, a potential pause in monetary tightening by major AEs, and increased capital flows to India. These factors, along with stable domestic inflation and improved investor sentiment, could provide a boost to private sector investment and further drive India's economic growth.

GLOBAL INDUSTRY REVIEW

Organic products are cultivated using an agricultural system that abstains from the application of chemical fertilizers and pesticides, while prioritizing environmental and social responsibility. This farming approach operates at the grassroots level to safeguard the soil's reproductive and regenerative abilities, promote

optimal plant nutrition, and practice effective soil management. As a result, it yields nourishing food abundant in vitality, endowed with disease resistance.

The organic food and beverages market experienced significant growth in recent years, with a market size of USD 212.83 billion in 2022. It is anticipated to continue expanding at a compound annual growth rate (CAGR) of 13.0% from 2022 to 2030. The increasing awareness about the health advantages linked to organic products is a key driver for this market expansion. Consumers are becoming more conscious of the benefits of organic food and beverages, leading to a change in their purchasing behavior.

MARKET SIZE

In 2022, the global organic market was valued at USD 212.83 billion. By 2030, it is expected to reach USD 565.8 billion.

SEGMENTATION

The global organic market is segmented by product type, distribution channel, and region. The product type segment includes fresh fruits and vegetables, processed foods, dairy products, meat, fish and poultry, and others. The distribution channel segment includes supermarkets/hypermarkets, specialty stores, online channels, and others. The regional segment includes North America, Europe, Asia-Pacific, Latin America, and Middle East & Africa.

NORTH AMERICA

North America is the largest market for organic food and beverages, followed by Europe and Asia-Pacific. The North America organic food market is expected to grow at a CAGR of 12.8% from 2022 to 2030. The growth of the organic market in North America is being driven by the increasing awareness of the health benefits of organic products, as well as the growing demand for sustainable food.

EUROPE

The European organic market is the second largest

market in the world, after North America. The market is expected to grow at a CAGR of 11.2% from 2022 to 2030. Germany is the largest market for organic food and beverages in Europe, followed by France, Italy, and the United Kingdom.

ASIA-PACIFIC

The Asia-Pacific organic market is the third largest market in the world, and is expected to grow at the fastest CAGR from 2022 to 2030. China is the largest market for organic food and beverages in Asia-Pacific, followed by India, Japan, and Australia.

LATIN AMERICA

MIDDLE EAST & AFRICA

The Middle East & Africa organic market is the smallest market in the world, but is expected to grow at the fastest CAGR from 2022 to 2030. Israel is the largest market for organic food and beverages in Middle East & Africa, followed by South Africa, Turkey, and Egypt.

KEY TRENDS OF THE GLOBAL ORGANIC MARKET:

Increasing demand for organic food and beverages: The rising demand for organic food and beverages is one of the key trends that is expected to shape the global organic market in the coming years. The increasing consumer awareness about the benefits of organic products, such as better taste, higher nutritional value, and reduced risk of foodborne diseases, is driving the demand for organic food and beverages.

Increasing government support for the organic farming sector: The increasing government support for the organic farming sector is another key trend that is expected to shape the global organic market in the coming years. Governments across the globe are providing financial assistance, tax breaks, and other incentives to organic farmers to encourage them to adopt organic farming practices.

Rising consumer preference for natural and sustainable products: The rising consumer preference for natural and sustainable products is another key trend that is expected to shape the global organic market in the coming years. Consumers are increasingly becoming aware of the harmful effects of synthetic chemicals and pesticides on their health and the environment. This is driving the demand for natural and sustainable products, including organic products.

Growing popularity of online shopping: The growing popularity of online shopping is another key trend that is expected to shape the global organic market in the coming years. Online retailers are increasingly offering a wide range of organic products to consumers. This is making it easier for consumers to buy organic products and is expected to boost the growth of the market in the coming years.

OPPORTUNITIES

The global organic market is expected to grow at a significant rate in the coming years. The market is expected to be driven by a number of factors, including:

- **Growing demand for healthy food:** Consumers are becoming increasingly concerned about their health, and are looking for healthier food options. This is expected to drive the demand for organic products.
- **Rising disposable income:** The rising disposable income of consumers is expected to lead to an increase in the demand for organic products.
- **Changing lifestyle:** The changing lifestyle of consumers is expected to lead to an increase in the demand for organic products. More and more people are working long hours and do not have time to cook. This is expected to lead to an increase in the demand for ready-to-eat organic food products.

CHALLENGES

The global organic market is facing a number of challenges, including:

- **High cost of organic product:** Organic products

are often more expensive than conventional products. This can be a barrier for some consumers.

- **Lack of awareness about organic products:** Some consumers are not aware of the benefits of organic products. This can limit the growth of the market.
- **Competition from conventional products:** Conventional food and beverage companies are increasingly launching organic products. This is increasing competition in the market.

INDIAN INDUSTRY REVIEW

The growth of organic production in India is a positive development for the Indian economy. The growth of organic production is generating foreign exchange for India and is creating jobs in the organic farming sector. The growth of organic production is also helping to improve the health of Indian farmers and consumers.

The total volume of export of organic food from India during 2022-23 was 1.29 million tonnes, valued at ₹6,760.69 crore (US\$971.24 million). The top export destinations for Indian organic food were the United States, the European Union, Canada, and Australia. Organic products are exported to USA, European Union, Canada, Great Britain, Switzerland, Turkey, Australia, Ecuador, Korea Republic, Vietnam, Japan, etc.

In terms of export value realization processed foods including soya meal (61%) lead among the products followed by Oilseeds (12.85%), Cereals and millets (12.71%), Sugar (4.77%), Plantation crop products such as Tea & Coffee (2.16 %), Spices and condiments (1.72%), Pulses (1.1%) and others.

AREA

As of March 31, 2023, total area under organic certification process (registered under National Programme for Organic Production) is 10.17 mha (2022-23), according to the Agricultural and

Processed Food Products Export Development Authority (APEDA). This represents an increase of 11.2% from the previous year.

The top states for organic production in India are:

- Madhya Pradesh (262,944 hectares)
- Maharashtra (192,992 hectares)
- Andhra Pradesh (172,783 hectares)
- Gujarat (126,987 hectares)
- Karnataka (108,441 hectares)

The main crops grown under organic production in India are: Cereals, Pulses, Oilseeds, Fruits, Vegetables, Spices and Medicinal plants.

PRODUCTION

According to APEDA, in the fiscal year 2022-23, India produced around 2.9 Million MT (2022-23) of certified organic products. These products encompass a wide range of food varieties, including oilseeds, fibre, sugar cane, cereals, millets, cotton, pulses, aromatic and medicinal plants, tea, coffee, fruits, spices, dry fruits, vegetables, and processed foods. The production of organic goods extends beyond the edible sector and includes organic cotton fibre and functional food products.

Among the various states in India, Madhya Pradesh holds the distinction of being the largest producer of organic products, followed by Maharashtra, Rajasthan, Karnataka, and Odisha. In terms of commodity categories, fibre crops rank as the most prominent, followed by oilseeds, sugar crops, cereals and millets, medicinal and herbal plants, spices and condiments, fresh fruits and vegetables, pulses, and tea and coffee.

EXPORTS

The organic food export realization was around INR 5525.18 Crore (708.33 million USD). Organic products are exported to USA, European Union, Canada, Great Britain, Switzerland, Turkey, Australia, Ecuador, Korea Republic, Vietnam, Japan, etc.

OPPORTUNITIES OF ORGANIC FOOD IN INDIA:

Increasing Health Consciousness: As more people become aware of the potential health benefits of organic food, there is a growing market for organic products in India. Consumers are increasingly

concerned about the quality of their food and are willing to pay a premium for organic options.

Government Support: The Indian government has been actively promoting organic farming through various initiatives and schemes. This includes financial support, training programs, certification assistance, and subsidies, which create favourable conditions for organic farmers and encourage the growth of the organic food sector.

Export Potential: India has a significant potential for exporting organic products to international markets. With its diverse agricultural resources and traditional farming practices, India can tap into the growing global demand for organic food and establish itself as a reliable supplier of organic products.

Environmental Sustainability: Organic farming practices prioritize soil health, biodiversity conservation, and ecological balance. With increasing concerns about climate change and environmental degradation, organic farming offers a sustainable and eco-friendly approach to food production, which resonates with consumers and presents an opportunity for organic food in India.

THREATS OF ORGANIC FOOD IN INDIA:

Price Premium: Organic food often comes with a higher price tag compared to conventionally grown food due to factors like increased labour costs and limited economies of scale. Affordability can be a barrier for some consumers, particularly in price-sensitive markets, hindering the wider adoption of organic food.

Supply Chain Challenges: The organic food sector in India faces challenges related to the supply chain, including inadequate infrastructure, inefficient distribution systems, and lack of proper storage and transportation facilities. These issues can lead to quality deterioration and higher costs, affecting the availability and accessibility of organic products.

Limited Awareness and Education: Despite growing awareness, there is still a significant knowledge gap among consumers regarding organic food and its benefits. Lack of awareness

and education about organic farming practices and certifications can limit consumer trust and demand for organic products.

Counterfeit and Mislabelling: The lack of strict regulatory oversight can lead to issues such as counterfeit organic products and mislabelling. This undermines consumer confidence in the authenticity of organic food and poses a threat to the credibility of the entire organic food sector in India.

growth of the business. The organic business has grown exponentially in the recent past.

The company is focused on expansion of retail segment of the business and exploring models like online e-store and tie ups with e-marketplaces, and the export channel with strategic tie-ups with international companies.

The new management with expertise in retail sector and the initiative of the holding Company to reach out to tier 2 and tier 3 cities and also rural areas to bridge the demand and supply gap will enable the Company also to reach out to these areas and educate people at large about organic food products.

PRODUCT WISE PERFORMANCE

Our performance of the organic agro business activity has started reflecting tremendous response from the market owing to health consciousness and awareness in the organic food product area.

Having successfully entered into the unexplored market of organic food sector (largely unexplored market) the Company has emerged as the pure player in the organic food sector. Our strong will to explore this sector has enabled us to cross boundaries both in terms of capabilities and geography.

Company is not only targeting the viable aspect of rapidly growing concept of organic food, but also putting great efforts to educate the larger society to understand and adapt to better and healthier ways of livelihood. This is witnessed by the Company's performance in the last few quarters.

White Organic together with Suumaya group is all set to create a niche in this sector. For this we have planned different promotional, marketing and advertising activities, also working towards increasing existing product portfolio and bring more niche products in product offerings. The Company has witnessed great demand for products. This gives tremendous confidence to move up the value chain and keep introducing new products.

The Company will continue to strive towards

providing the best possible services through quality products and help build a stronger and healthier India. Company's efforts will always be to win over the "Trust and Loyalty" of the consumers thereby build a great brand "White Organics".

OUTLOOK

The Company is committed to expanding its product portfolio to meet the diverse needs of customers and establish itself as a comprehensive solution provider. Our goal is to promote the brand "White Organics" and become a leading supplier of unadulterated organic food products, contributing significantly to the creation of a healthier India based on principles and values.

With substantial growth achieved over the past years and through internal resources, the new management is determined to drive robust growth in all areas of the company. Our focus lies on efficient organic farming practices and an agricultural approach that ensures environmental sustainability. This approach provides stable yields, improves soil health, minimizes environmental impact, and promotes the consumption of organic food while reducing the use of synthetic fertilizers. To achieve these goals, the company will implement a new business strategy.

The vision of the new management is to create a significant social impact through organic farming. We will design a system that promotes and enhances the health of the agro-ecosystem, including biodiversity, biological cycles, and soil biological activity. This will be achieved by employing on-farm agronomic, biological, and mechanical methods, while eliminating the use of synthetic off-farm inputs. Following the acquisition by the new promoter group and the introduction of the new management, the company plans to expand in phases using its cash flow.

One of our key objectives is to develop our own e-commerce website integrated with a digital platform and mobile application. This will enable us to drive sales through an omnichannel approach. The increasing availability of organic food products online and the shifting consumer preference towards organic food are expected to significantly boost the demand for our products in India and

globally. Additionally, we are exploring strategic partnerships with major players in the agriculture industry to handle procurement and supply chain management for FMCG companies interested in our organic products.

By pursuing these initiatives, we aim to strengthen our position in the market, increase our product offerings, and make a meaningful contribution to the organic farming sector. We believe that by embracing organic practices and promoting sustainable agriculture, we can not only meet consumer demand but also create a positive impact on society and the environment.

Together with our dedicated team, we are excited about the future prospects of the company and look forward to achieving our goals while upholding our commitment to quality and sustainability.

The Company faces the following Risks and Concerns

• Economic Risk

Any business is in a way or other, dependent on the prevailing global economic conditions. Inflation, changes in tax, trade, fiscal and monetary policies, scarcity of credit etc. However, we do not expect to be significantly affected by this risk.

RISKS IN ORGANIC AGRICULTURE

Risks that are similar to those in conventional farming, though they may be managed in different ways in organic farming.

Risks that are different between organic farming and conventional farming, but that may only be temporary, due to the recent rapid growth in the

organic sector.

Risks that greatly differ from those of most conventional farmers because of the different nature of the production and marketing systems.

• Production Risks

Organic farming is less restricted in their choice of crops for rotation than conventional farmers, who risk damage to certain crops from previously applied pesticides. Organic farming can be affected by the natural calamity, adverse weather conditions and climatic risks that are similar for organic and conventional farming. Because of harsh climates, bad weather such as hail or wind can destroy a crop very quickly. Any farmer without irrigation facilities faces the risk of drought, but as organic farmers' investment in soil quality allows their soils to hold water and withstand drought better than those of their conventional farmers. Organic producers face less risk than conventional producers on account of chemical-free pesticides usage.

Thus, we believe we have adequate mitigation in place for trade risk.

• Input Risks

Organic farming may face dearth of certified organic seeds, biological pesticides, specialized farm equipment designed for organic cultural practices and other inputs because the market they offer to suppliers may be too small to be profitably served by agribusiness. Concern about the availability of good quality compost that has not been contaminated by GMOs. The flow of credit to organic producers is limited and can be difficult to obtain.

• Transition Risk

The process of transitioning from conventional to organic agriculture may also pose production and market risks that do not persist over time. During the transition process, it faces a steep learning curve as they learn to control pests biologically, manage nutrient cycles, produce different crops, and tap new markets. Crop yields may drop initially on some farms as the soil is being rebuilt and beneficial insect populations are restored. Farmers are unable to command organic premiums until after they have acquired organic certification,

which usually requires a three-year waiting period and which commands high value of money.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The internal control and risk management system is structured and applied in accordance with the principles and criteria established in the corporate governance code of the organisation. It is an integral part of the general organisational structure of the Company and the Group and involves a range of personnel who act in a coordinated manner while executing their respective responsibilities. The Board of Directors offers its guidance and strategic supervision to the Executive Directors and management, monitoring and support committees.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES

Human resources are a valuable assets and the company seek to attract and retain the best talent available. Systematic training, development, continuance of productivity and employee satisfaction are some of the highlights of human resource development activities during the year. Employee relations continued to be cordial. The company strives to develop the most superior workforce so that it can accomplish along with the individual employees, their work goals & services to its customers & stakeholders. Our fundamental belief in immense power of the human potential and team work. A transformational force that stimulates enterprise accelerates our constant pursuit of excellence and empowers our people to release their full potential. The company also believes human resources as the supporting pillars for the organization's success. Your director acknowledges and thanks employees for their continued contribution.

17. Members can also provide their feedback on the shareholder services of the Company by sending an e-mail at worl.cs@suumaya.com and more details are available on www.whiteorganicretailimited.com. This feedback will help the Company in improving Shareholder Service Standards.

VOTING THROUGH ELECTRONIC MEANS AND ATTENDING THE AGM THROUGH OAVM/VC:

Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the SEBI Listing Regulations (as amended) and the MCA Circulars and in terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 in relation to e-Voting Facility Provided by Listed Entities, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with CDSL for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as remote e-voting during the AGM will be provided by CDSL.

The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the herein. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of

first come first served basis.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

i. The voting period begins on September 24, 2023 at 9.00 a.m. IST and ends on September 26, 2023 at 5.00 p.m. IST. During this period Members' of the Company, as on the cut-off date i.e. September 20, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iv. In terms of SEBI circular no. **SEBI/HO/CFD/**

CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE ACT AND REGULATION 36 OF THE SEBI LISTING REGULATIONS IN RESPECT OF THE SPECIAL BUSINESSES

Item No. 3 & 4

The Members of the Company at its 11th Annual General Meeting (AGM) held on September 29, 2022 had re-appointed M/s. Gupta Raj & Co., Chartered Accountants (Firm Registration No: 001687N) as Statutory Auditor, for the second term of 5 years to hold office from the conclusion of 11th AGM till the conclusion of 16th AGM of the Company.

M/s. Gupta Raj & Co., Chartered Accountants vide their letter dated June 30, 2023 have resigned from the position of Statutory Auditor of the Company w.e.f. June 30, 2023, resulting into a casual vacancy in the office of Statutory Auditor of the Company as envisaged by section 139(8) of the Companies Act, 2013.

The Board of Directors at its meeting held on July 28, 2023, as per the recommendation of the Audit Committee, and pursuant to the provisions of Section 139(8) of the Companies Act, 2013, has appointed M/s. Naik Mehta & Co, Chartered Accountants (Firm Registration No. 124529W), to hold office as the Statutory Auditor of the Company till the conclusion of 12th Annual General Meeting to fill the casual vacancy caused by the resignation of M/s. Gupta Raj & Co., Chartered Accountants and thereafter, to hold office for a period of five years, from the conclusion of the 12th Annual General Meeting, till the conclusion of the 17th Annual General Meeting of the Company to be held in the year 2028, subject to the approval by the members at the 12th Annual General Meeting of the Company, at such remuneration plus applicable taxes, and out of pocket expenses, as may be determined and recommended by the Audit Committee in consultation with the Auditors and duly approved by the Board of Directors of the Company.

The Company has received consent letter and eligibility certificate from M/s. Naik Mehta & Co,

Chartered Accountants (Firm Registration No. 124529W), Chartered Accountants to act as Statutory Auditor of the Company in place of M/s. Gupta Raj & Co., Chartered Accountants along with a confirmation that, their appointment, if made, would be within the limits prescribed under the Companies Act, 2013.

None of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the aforesaid Ordinary Resolution.

The Board accordingly recommends the Ordinary Resolution set out at Item No. 3 of the accompanying Notice for approval of the Members.

Item No. 5 & 6

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter called as "the Listing Regulations"), all Related Party Transactions shall require prior approval of the Audit Committee and all material transactions with related parties shall require approval of the Members of the Company through a resolution and all related parties shall abstain from voting on such resolution. "Material Related Party Transaction" under the Listing Regulations means any transaction(s) entered into individually or taken together with previous transactions during a financial year exceeding 10% of the annual consolidated turnover of a company as per its last audited financial statements.

The annual consolidated turnover of the Company for the financial year 2022-23 is Rs.269.91 Crores. Accordingly, any transaction(s) by the Company with its related party exceeding Rs.26 Crores (10% of the Company's annual consolidated turnover) shall be considered as material transaction and hence, the approval of the Members will be required for the same. It is therefore proposed to obtain the Members' approval for the following arrangements/transactions/ contracts which may be entered into by the Company with its related parties from time to time:

Name of Related Party	Nature of Relationship	Nature of Transaction	Amount (in Crores)
Suumaya Industries Limited	Entity exercising significance control	Sales and Purchase or any other arrangements/ transactions/ contracts	Rs.100 Crores
Suumaya Agro Limited	Group Company		Rs.100 Crores

The aforesaid Related Party Transactions do not fall under the purview of Section 188 of the Companies Act, 2013 being in the ordinary course of business and at arms' length. However, the same are covered under the provisions of Regulation 23 of the SEBI Listing Regulations and accordingly the approval of the Shareholders is sought by way of Ordinary Resolution. The Audit Committee and Board have approved the aforesaid Related Party Transactions at their meetings held on May 03, 2023, in terms of Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and noted that these transactions shall be in the Ordinary Course of Business and at arm's length basis. With respect to the above matter, the Shareholders/Members are requested to note following disclosures of Interest:

Name of Related Party	Nature of Concern or Interest
Suumaya Industries Limited	Suumaya Industries Limited ("SIL") is the Ultimate/Holding Company of Suumaya Retail Limited, the Promoter and Investee Company of the Company. Ms. Ishita Gala, the Managing Director of the Company is the Promoter of SIL holding 6.41% stake and her immediate relatives, Ms. Meena Gala (Mother) holds 0.17% and Mr. Ushik Gala (Brother) holds 15.45% and is also the Chairman and Managing Director of SIL. Ms. Karishma Kaku, the Non-Executive Director of the Company, is the wife of Mr. Ushik Gala and holds 0.86% stake in SIL. Together forming part of Promoter and Promoter Group of SIL.
Suumaya Agro Limited	Suumaya Agro Limited is the Wholly Owned Company of Suumaya Industries Limited. Ms. Ishita Gala and Mr. Ushik Gala are the Directors of SAL.

The Board recommends the resolution set out in Item No. 5 and 6 of the AGM Notice to the Members for their consideration and approval, by way of Ordinary Resolution. Except to the extent of shareholding of the Promoters / Directors their Relatives and Key Managerial Personnel in the above mentioned related parties which is duly disclosed above, none of the other Directors/ Key Managerial Personnel/ their Relatives is, in any way, concerned or interested, financially or otherwise in the Ordinary Resolution set out at Item Nos. 5 & 6 respectively.

Item No. 7

Pursuant to the provisions of Section 186(2) read with sub-section(3) of section 186 of the Companies Act, 2013 (the "Act"), the Company shall not directly or indirectly (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty per cent of its paid-up share capital, free reserves and securities premium account or one hundred percent of its free reserves and securities premium account, whichever is higher unless previously authorised by a special resolution passed in general meeting of the Company.

The Members of the Company at the Annual General Meeting held on September 28, 2020, had approved a limit of Rs.75 Crores over and above the aforesaid limit of 60%. However, the management projects to increase the limit to Rs.100 Crores so that in future, whenever requirements arise, based on decisions of the Board of directors of the Company taken in the interest of the Company, and hence to enable the Board of Directors to make such loans /give guarantee or provide security or make investments without violating section 186(2) of the Act, it is proposed to obtain the prior consent of the members by special resolution. Hence, the Board of Directors seeks the consent of the members under section 186(2) of the Act. The Board recommends the resolution set out in Item No. 7 of the AGM Notice to the Members for their consideration and approval, by way of Special Resolution. None of the directors and key managerial personnel of the Company including their relatives are, in anyway, concerned or interested in the said resolution.

Item No. 8

In terms of provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of the Company cannot, except with the consent of the Members in a general meeting, by means of a Special Resolution, borrow money(ies) where the money to be borrowed, together with the money already borrowed (apart from temporary loans obtained from the Company's bankers in the ordinary course of business), in excess of the aggregate of the paid-up share capital, free reserves and securities premium.

In contemplation of business expansion, the Board may have to resort to multiple financing alternatives, the amount of which is expected to exceed the aforesaid limit.

Considering the increased fund requirements, as well as the enabling provisions of Section 180(1)(c) of the Companies Act, 2013, the approval of the Members for item no. 8 of the notice is being sought by means of a Special Resolution, as the borrowing limit of Rs.100 Crore (Rupees One Hundred Crore only).

In accordance to above, the said borrowings by way of loan or issue of securities may be required to be secured by way of charge through lien / hypothecation / mortgage over all or any part of the movable and / or immovable asset of the Company and as per the provisions of Section 180 (1) (a) of the Act, the mortgage or charge on all or any part of the movable and /or immovable asset of the Company, may be deemed as disposal of the whole, or substantially the whole, of the undertaking of the Company and hence the approval of the Members of the Company is required by way of a Special Resolution as set out at Item No. 8 of the Notice. As per Section 180(1)(a) and 180(1)(c) and other applicable provisions of the Act, approval of the Members is being sought by way of passing Special Resolution. Hence, the Board recommends passing of the enabling Special Resolution to set out at item No. 8 of the Notice. None of the Directors or Key Managerial Personnel of the Company or their relatives is/are in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 8 of the accompanying Notice.

Corporate Governance Report

COMPANY'S PHILOSOPHY CORPORATE GOVERNANCE

Company's philosophy of Corporate Governance is built on a foundation of sound business ethics, fairness, and trust in dealing with all stakeholders.

The Company is totally committed and devoted towards achieving business excellence and enhancing shareholder value by following the best disclosure practices with a high level of integrity, accountability, fairness, transparency and responsibility towards all the stakeholders. The Company understands that good corporate governance and transparency in actions of the management is the key to a strong bond of trust with the Company's stakeholders.

In dealing with external stakeholders, the Company believes in maintaining complete transparency with timely exchange of information. The leadership in the Company sets the tone through their actions and this ensures that the organization remains true to its culture and values in letter and spirit.

Company not only adheres to the prescribed Corporate Governance practices as per the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") but is also committed to sound Corporate Governance principles and practices. The Company aspires to reach the highest standards of Corporate Governance, while emphasizing on transparency, creating a sustainable culture, and setting industry-leading benchmarks. It constantly strives to adopt emerging best practices being followed globally.

This report is prepared in accordance with the provisions of the Listing Regulations and the report contains the details of Corporate Governance systems and processes of the Company.

The Company is in compliance with the

requirements stipulated under Regulations 17 to 27 read with Schedule V and clauses (b) to (i) of Regulation 46(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), as applicable, with regard to corporate governance.

CODE OF CONDUCT

The Company has a strong legacy of fair, transparent and ethical governance practices. The Company has adopted Code of Conduct and Business Ethics ("Code") for Members of the Board ("Directors"), Key Managerial Personnel ("KMP") and the Senior Management, which is available on the website of the Company at https://whiteorganicretailimited.com/woal/doc/code_of_conduct.pdf.

The Company has received confirmations from the Directors, KMP as well as Senior Management Personnel regarding compliance of the Code during the year under review. The Code suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013 (the "Act"). Pursuant to Schedule V(D) of the Listing Regulations, a declaration signed by the Managing Director of the Company to this effect is annexed at the end of this Report.

BOARD OF DIRECTORS

The Board of Directors ("Board") is at the core of our corporate governance practice and oversees and ensures that the Management serves and protects the long-term interest of all our stakeholders. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of corporate governance.

SIZE AND COMPOSITION OF BOARD

The Board of Directors ("Board") of the Company has a combination of executive and non-executive directors including independent professionals,

which plays a crucial role in Board processes and provides independent judgment on issues of strategy and performance. INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
WHITE ORGANIC RETAIL LIMITED**

Report on the Audit of Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of **White Organic Retail Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a Summary of Significant Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Emphasis of Matter

- We would like to draw attention that the company has not paid the undisputed income tax pertaining to financial year 2021-22 (assessment year 2022-23) of Rs. 2,88,14,988/- (including interest levied under section 234 A/B/C of the Income Tax Act). The said income tax dues outstanding of Rs. 2,88,14,988/- includes interest calculated up to 30th April, 2023. Due to nonpayment of income tax the Income Tax Return for financial year 2021-22 (A.Y. 2022-23) has also not been filed which can lead to further penalties levied by the income tax department. The management has made the provision for the above amount (including interest)

in the financials. Our opinion is not modified in respect of this matter.

- We would like to draw attention that the company had purchased certain goods from one party amounting to Rs. 53,47,53,530/- in the previous financial year i.e. 2021-22 which was directly supplied by the vendor to the customer place of business. However as per explanation provided to us, due to some quality difference the goods were not accepted by the customer. Later after due discussion with the customer the goods has been accepted. The company has booked the purchase invoice of the said goods pertaining to financial year 2021-22 in current financial year and consequent sales has also been booked in current financial year. Since the goods pertains to financial year 2021-22 the same should be accounted as prior period item in current financial year.

Other Information

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can

arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs. We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.
 - e) On the basis of the written representations received from the directors as on 31 March, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure 2".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

- (b) According to the information and explanation given to us and the records produced to us, the terms and conditions of the grant of such loans provided are, prima facie, not prejudicial to the interest of the company.
- (c) According to the information and explanation given to us and the records produced to us, the schedule of repayment of principal and payment of interest has not been stipulated however the repayment interest are regular as per the mutual agreement between the parties.
- (d) According to the information and explanation given to us and the records produced to us, there are no amounts of loan granted to such party which are overdue for more than ninety days.
- (e) According to the information and explanation given to us and the records produced to us, no loans or

advances in the nature of loan are granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans to the same parties.

- (f) According to the information and explanation given to us and the records produced to us, during the year company has granted loans and advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

Particulars	Amount (Rs in Lakhs)
The aggregate amount of loan provided during the year	4700.53
The balance outstanding at the balance sheet date with respect to such loans	2629.05
Percentage of Loans to Total Loans	100%

- (iv) As per the information and explanation given to us in respect of loans, investments, the Company has complied with the provisions of Section 185 and 186 of the Act.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the Act and the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Therefore, the provisions of clause (v) of paragraph 3 of the Order are not applicable to the Company.
- (vi) As per the information and explanations given to us, in respect of the class of industry in which the Company falls, the maintenance of cost records has not been prescribed by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013. Therefore, the provisions of clause (vi) of paragraph 3 of the Order are not applicable to the Company.
- (vii) In respect of statutory dues:

- (a) The company is generally regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, GST, cess and any other statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of above dues were in arrears, as at 31 March, 2023 for a period of more than six months from the date they became payable except below.

Name of Statute	Nature of Dues	Amount (in Rs.)	Period
Income Tax Act	TDS	2,65,476/-	2019-20
Income Tax Act	Income Tax (including interest upto 30th April 2023)	2,88,14,988/-	2021-22

- (viii) During the course of our examination of the books and records of the Company and according to the information and explanation given to us there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix)

- (a) Based on our audit procedures and as per the information and explanations given by the management, the Company has not taken any loans during the year from any Bank or financial institution. Accordingly, paragraph 3(ix)(a) of the Order is not applicable to the Company.

- (b) According to the information and explanations given to us, the Company is not a declared willful defaulter by any bank or financial institution or other lender. Accordingly, paragraph 3(ix)(b) of the Order is not applicable

- to the Company.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not applied for any term loans. Accordingly, paragraph 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us, and the procedures performed by us, the Company has not raised any short-term funds from Bank or financial institution. Accordingly, paragraph 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. Accordingly, paragraph 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised any loans during the year on pledge of securities held in its subsidiaries. Accordingly, paragraph 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) According to the information and explanations given to us, the Company did not raise money by way of initial public offer or further public offer (including debt instruments) during the year and hence the question of whether money raised were applied for the purposes for which those are raised does not arise. Accordingly, paragraph 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence the question of whether the requirements of Section 42 and Section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised does not arise. Accordingly, paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such instance by the management. No form u/s 143 (12) of the Companies Act has been filed with the Central Government and no whistle blower complaints has been received by the company.
- (b) No report under sub-section (12) of Section 143 of the Companies Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no whistle blower complaints were received during the year by the Company.
- (xii) The Company is not a Nidhi company in accordance with Nidhi Rules 2014. Accordingly, paragraph 3(xii)(a) to (c) of the Order is not applicable.
- (xiii) As per the information and explanation given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of Act, where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable Indian accounting standards.
- (xiv) (a) To the best of our knowledge and belief and according to the information and explanations given to us, Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with him. Therefore, the provisions of clause (xv) of paragraph 3 of the Order are not applicable to the Company.
- (xvi) (a) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934)
- (b) Based on our audit procedures and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (COR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) Based on our audit procedures and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence the questions of fulfilling criteria of a CIC, and in case the Company is an exempted or unregistered CIC, whether it continues to fulfill such criteria, do not arise. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on our audit procedures and according to the information and explanations given to us, there are no Core Investment Companies (CICs) in the Group (basis definition of "Companies in the Group" as per Core Investment Companies (Reserve Bank) Directions, 2016) as at the end of the reporting period.
- (xvii) The Company has incurred Cash losses of Rs. 372.69 Lakhs (Net Profit before Tax) in current year. For more details kindly refer to Standalone Statement of Profit and Loss Account for the year ended March 31st, 2023. The Company had not incurred cash losses in immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) On the basis of financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report of the Company's capability of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) Since the Company doesn't satisfy any of the criteria prescribed under Section 135(1) of the Companies Act, 2013 during the immediately preceding financial year, thus there was no requirement for the Company to spend any amount on CSR activities during the year ended March 31, 2023. Accordingly, the requirement to report on clause 3(xx)(a) and (b) of the Order is not applicable to the Company.

Annexure 2 to the Independent Auditors' Report.

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **WHITE ORGANIC RETAIL Limited** ("the Company") as of 31st March, 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). Our opinion is not modified in respect of this matter.

Accompanying notes to the financial statements for the year ended 31st March, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of Preparation of financial statements:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Basis of Measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

(iii) Key estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which component of the cost may be capitalized - refer note no. 1(v) of the significant accounting policies
- Impairment of Property, Plant and Equipment's - refer note no. 2
- Recognition of deferred tax assets - refer note no. 15s

(iv) Property plant and equipment (PPE).

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets less their residual values over the useful lives, using the Written Down Value Method ("WDV").

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is de recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements

Assets	Useful Life
Plant & Equipment	15 Years
Motor Vehicle	10 Years
Office Equipment	5 Years
Furniture & Fixtures	10 Years
Computers	6 Years

(v) Non – derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Off setting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(vi) Impairments of Non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset

When there is indication that an impairment loss recognized for an asset in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(vii) Inventories:

The company has no closing balance of inventories at the year end. Hence, any policy in relation to valuation of inventories is not applicable to the company.

(viii) Revenue recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflect the consideration which the company expects to receive in exchange for those products or services

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discount, price concessions and incentives, if any as specified in the contract with the customer. Revenue also excludes taxes collected from customers

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably

(ix) Employee benefits

Short-Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service

Defined benefit plans

The Company also provides for retirement benefits in the form of gratuity, compensated absences and medical benefits including to the employees of subsidiary and group companies.

Post-Employment Benefits

Payments made to a defined contribution plan such as Provident Fund and Family Pension maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as they fall due.

Terminal Benefits

All terminal benefits are recognized as an expense in the period in which they are incurred.

(x) Borrowing costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial

period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred

(xi) Taxes on Income

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date

Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority

(xii) Accounting for provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable

(xiii) Earnings per share

Basic Earnings per share is calculated by dividing the net profit / (loss) for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the year presented.

Note 30 Financial instruments – Fair values and risk management

(a) Financial Risk Management

The Company's business activities are exposed to financial risks, namely Credit risk, Liquidity risk. The Company's Senior Management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the Board of Directors on its activities.

"The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The audit committee oversees how Management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported the audit committee.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes, if require an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
WHITE ORGANIC RETAIL LIMITED**
Report on the Audit of Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of **WHITE ORGANIC RETAIL LIMITED** ("the Holding Company"), and its subsidiaries listed in Annexure I which comprise the consolidated balance sheet as at 31 March 2023, and the consolidated Statement of Profit and Loss (including other comprehensive income), consolidated Statement of Changes in Equity and consolidated Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a Summary of Significant Accounting Policies and Other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and consolidated Profit, total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

We have determined that there are no key audit matters to communicate in our report.

Emphasis of Matter

- We would like to draw attention that the holding company has not paid the undisputed income tax pertaining to financial year 2021-22 (assessment year 2022-23) of Rs. 2,88,14,988/- (including interest levied under section 234 A/B/C of the Income Tax Act). The said income tax dues outstanding of Rs. 2,88,14,988/- includes interest calculated up to 30th April, 2023. Due to nonpayment of income tax the Income Tax Return for financial year 2021-22 (A.Y. 2022-23) has also not been filed which can lead to further penalties levied by the income tax department. The management has made the provision for the above amount (including interest) in the financials. Our opinion is not modified in respect of this matter.
- We would like to draw attention that the holding company had purchased certain goods from one party amounting to Rs. 53,47,53,530/- in the previous financial year i.e. 2021-22 which was directly supplied by the vendor to the customer place of business. However as per explanation provided to us, due to some

quality difference the goods were not accepted by the customer. Later after due discussion with the customer the goods has been accepted. The Holding company has booked the purchase invoice of the said goods pertaining to financial year 2021-22 in current financial year and consequent sales has also been booked in current financial year. Since the goods pertains to financial year 2021-22 the same should be accounted as prior period item in current financial year.

Other Information

The Holding Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made

by the Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

As part of an audit in accordance with SAs. We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

“Annexure B” to the Independent Auditors' Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **WHITE ORGANIC SNACKS LIMITED** (“the Company”) as of 31 March, 2023 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. Our opinion is not modified in respect of this matter.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of authorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated Ind AS financial statements of the Holding Company, in so far as it relates to one (1) wholly owned subsidiary, which is incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

WHITE ORGANIC RETAIL LIMITED

Accompanying notes to the consolidated financial statements for the year ended 31st March, 2023

The Company and its subsidiaries (jointly referred to as the 'Group' herein under) considered in these consolidated financial statements are:

Subsidiaries:

Name of the Company	Country of Incorporation	Proportion in Equity shares
(a) White Organic Snacks Limited	India	100%

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of Preparation of financial statements:

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements.

(ii) Basis of Measurement

These Consolidated financial statements are prepared under the historical cost convention unless otherwise indicated

(iii) Key estimates and assumptions

The preparation of consolidated financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which component of the cost may be capitalized - refer note no. 1(v) of the significant accounting policies
- Impairment of Property, Plant and Equipment's - refer note no. 2
- Recognition of deferred tax assets - refer note no. 14

(iv) Property plant and equipment (PPE).

Group's PPE are initially recognized at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes in net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction, or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets less their residual values over the useful lives, using the Written Down Value Method ("WDV").

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the

expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is de recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements

Assets	Useful Life
Plant & Equipment	15 Years
Motor Vehicle	10 Years
Office Equipment	5 Years
Furniture & Fixtures	10 Years
Computers	6 Years

(v) Non – derivative Financial instruments

Financial assets and liabilities are recognised when the Group Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability

Cash and cash equivalents

The Group Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Group Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Group Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Off setting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(vi) Impairments of Non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset

When there is indication that an impairment loss recognized for an asset in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(vii) Inventories:

The Group company has no closing balance of inventories at the year end. Hence, any policy in relation to valuation of inventories is not applicable to the company.

(viii) Revenue recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflect the consideration which the group company expects to receive in exchange for those products or services

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discount, price concessions and incentives, if any as specified in the contract with the customer. Revenue also excludes taxes collected from customers

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably

(ix) Employee benefits

Short-Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service

Defined benefit plans

The Group Company also provides for retirement benefits in the form of gratuity, compensated absences and medical benefits including to the employees of subsidiary and group companies.

Post-Employment Benefits

Payments made to a defined contribution plan such as Provident Fund and Family Pension maintained with Regional Provident Fund Office are charged as an expense in the Statement of Profit and Loss as they fall due.

Terminal Benefits

All terminal benefits are recognized as an expense in the period in which they are incurred.

(x) Borrowing costs

Borrowing costs are interest and other costs that the Group Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred

(xi) Taxes on Income

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date

Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority

(xii) Accounting for provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable

(xiii) Earnings per share

Basic Earnings per share is calculated by dividing the net profit / (loss) for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The Group Company did not have any potentially dilutive securities in any of the year presented.
