Q4 FY20 RESULTS

As entire world faced difficult and unprecedented times.....

Team Finolex swung into action to mitigate the effects to the extent possible for all stakeholders.

- Even before the lockdown came into force, social distancing and other precautionary steps were taken to ensure safety of all employees and others.
- After lockdown relaxation, the operations were gradually scaled up while taking all possible precautions for safety.
- To reassure employees, company has taken progressive step by not considering any salary cuts and paying full salaries for entire period
- To cushion the impact of challenging business environment and to incentivise, company increased the amount of turnover discounts for all the dealers whether they achieved the targets or not
- Being known for its philanthropic initiatives, the company, with its CSR partner, Mukul Madhav Foundation, rose to the occasion during lockdown and handed over PPE suits, ventilators, disinfectants, grocery kits and other essential commodities to hospitals and organisations.
- The lockdown also disrupted the lives of the most vulnerable sections of the society, namely the migrants and daily wage workers and the Foundation extended all possible support to them in Pune.
- Overall the company lived up to its commitment as laid down by its founder, the late Mr Pralhad P. Chhabria who would always say that one has to look for opportunities to help people even if that service demands sacrifice.

About Finolex Industries Limited

Finolex Industries Limited, headquartered in Pune, is the largest supplier of PVC Pipes & Fittings for the agriculture and non-agricultural sectors. Our state-of-the-art manufacturing plants at Pune and Ratnagiri in Maharashtra and Masar in Gujarat provide excellent resources to better serve our customers. Our own PVC Resin manufacturing facility in Ratnagiri, set in technical collaboration with Uhde GmbH, with Hoechst technology, provides a consistent supply of superior quality resin to our pipe manufacturing plants. This ensures we are able to deliver quality, superior products to our customers. Our open sea cryogenic jetty, the first of its kind in the Indian private sector, has been the hallmark of our PVC Complex. We are the first Indian PVC Pipes manufacturer to have been awarded the ISO 9001:2008 Certification.

Our major strength lies in our skilled workforce. We recognize and attribute our operating excellence and success to our employees. We have a widespread presence throughout the country, with a wide network of over 18,000 retail outlets ably supported by dealers and sub-dealers. They work as our extended arm in bringing quality products to our customers. Our core values of quality, trust and integrity help us to build an unbreakable bond with both customers and stakeholders.

We believe in “Performance with Purpose” and are deeply concerned about society and our community. We have been actively working along with Mukul Madhav Foundation, our CSR partner, in contributing to the social and economic development of the underprivileged sectors of society in and around our plants in Ratnagiri, Pune and Masar. Our focus is on women and children in areas of education, healthcare, community development, environment and self-development.
