\* Livestock: Most livestock borrowers have more than one sources of income such as agriculture income, small kirana shop or small job which provides additional stability in income. As the COVID situation improves, exposure to non-livestock segment is expected to increase back to pre-COVID levels of about 50%

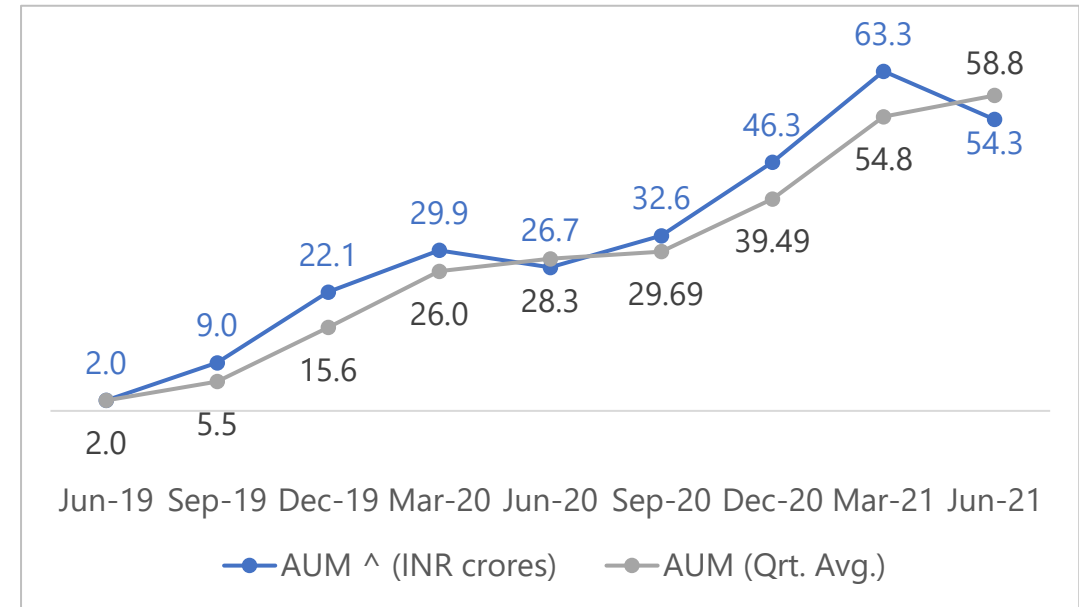

### Disbursements normalizing after a drop in Q1

- ▶ Like last year, disbursements low in Q1 FY22 due to a severe second wave of COVID this year
- ▶ Focus remained on collection efficiency
- ▶ Business normalizing and growing from July 2021 and expected to pick up in coming months

### AUM to increase with expected pick up in disbursements

- ▶ AUM declined by 14% in Q1 FY22 compared to Q4 FY21 due to very low disbursements in Q1 amidst COVID
- ▶ AUM grew 103% compared to previous year mainly driven by doubling of branches
- ▶ Strong disbursements in previous quarter Q4FY21 led to 7.3% growth in Average Quarterly AUM in Q1FY22

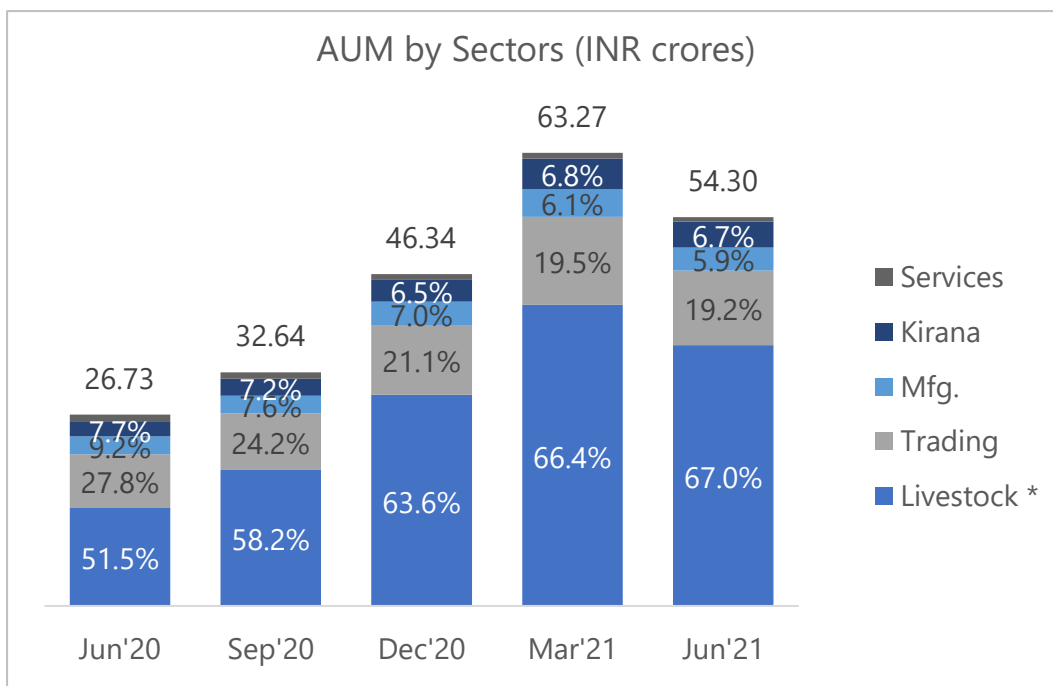

# Diversified AUM across sectors and geographies

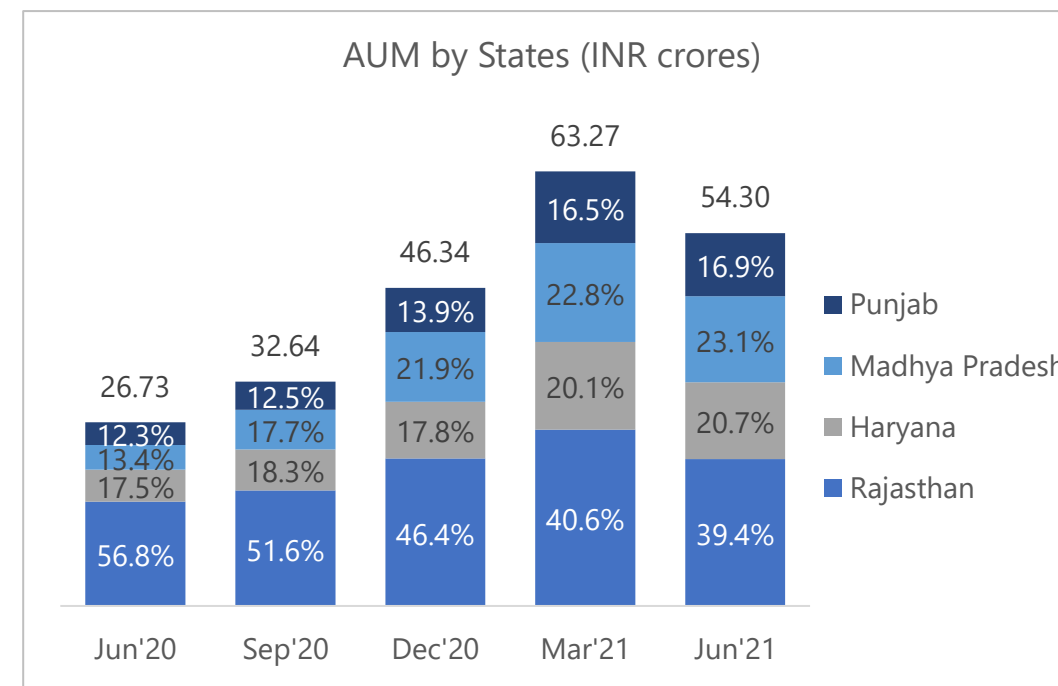

Focus on essential sectors provide stability

## Livestock & Kirana sectors provide resiliency

## Geographic diversification lends stability

- ▶ Focused more on essential sectors amidst pandemic leading to high collections and resilient asset quality
- ▶ \* Livestock customers generally have multiple sources of income (small kirana shop or small job) which provides income stability and thus mitigating sector-specific risk

- ▶ Improved geographic diversification with no single state accounting for more than 40% of AUM

Note: AUM based on AS (not as per Ind-AS)

# Exceptional collection efficiency even during stress periods

Testimony of strong underwriting standards and collection efficiency at Moneyboxx

High collection even during stress periods (97.4% during Mar-Aug 2020 and 96.6% during Apr-Jun 2021);

Exceptional Cumulative Collection Efficiency of 99%+

# Resilient Portfolio

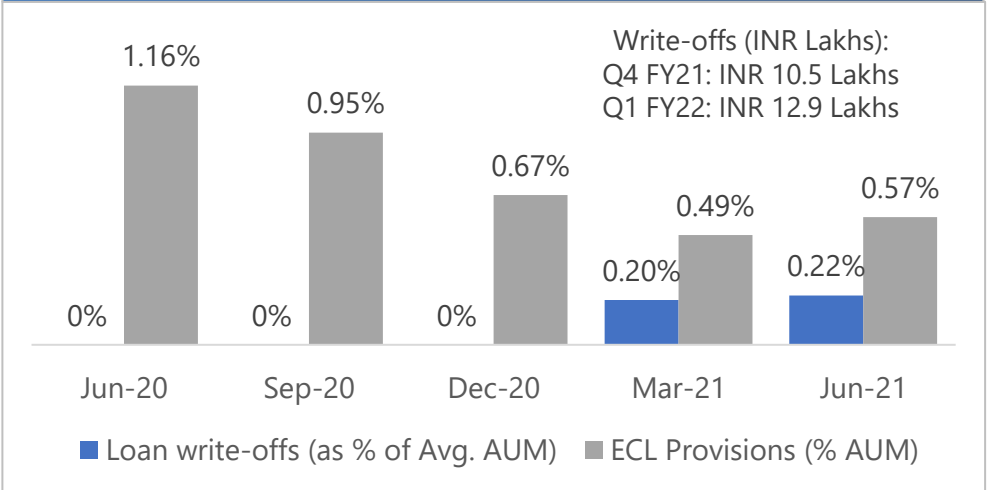

Strong and stable asset quality with negligible NPAs

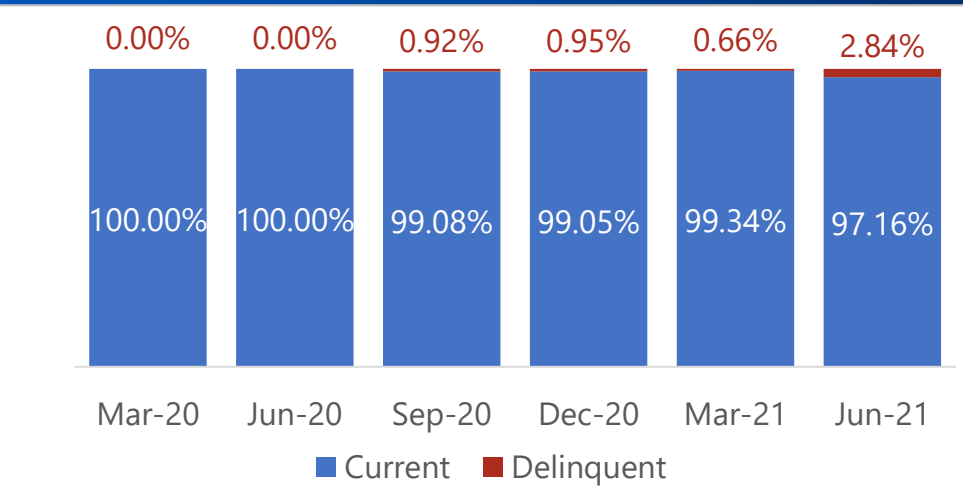

## Low NPAs

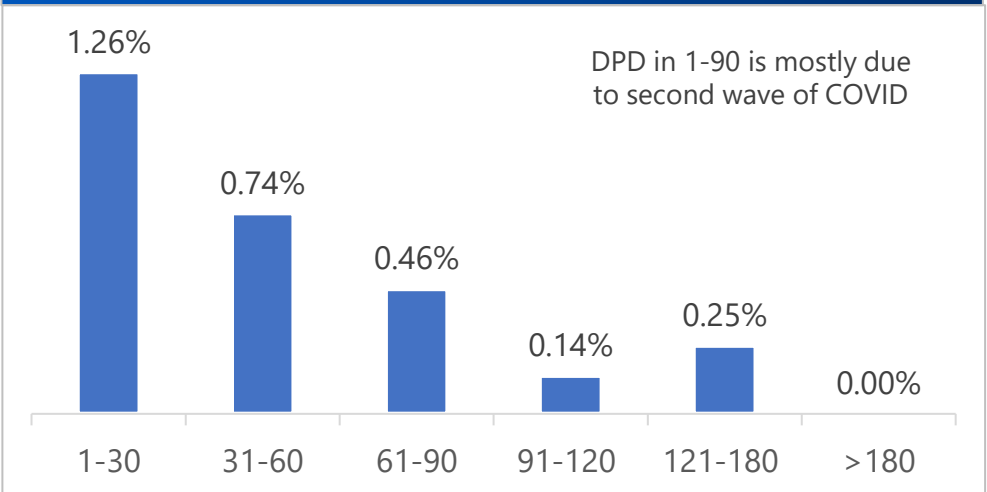

## Negligible write-offs and adequate ECL Provisions

## DPD Movement: Current vs. Delinquent (% of AUM)

## Delinquent Loans by buckets as of Jun'21 (% of AUM)

# Prudent Capital Management

Stronger balance sheet after Tier-II Capital raise in Q1

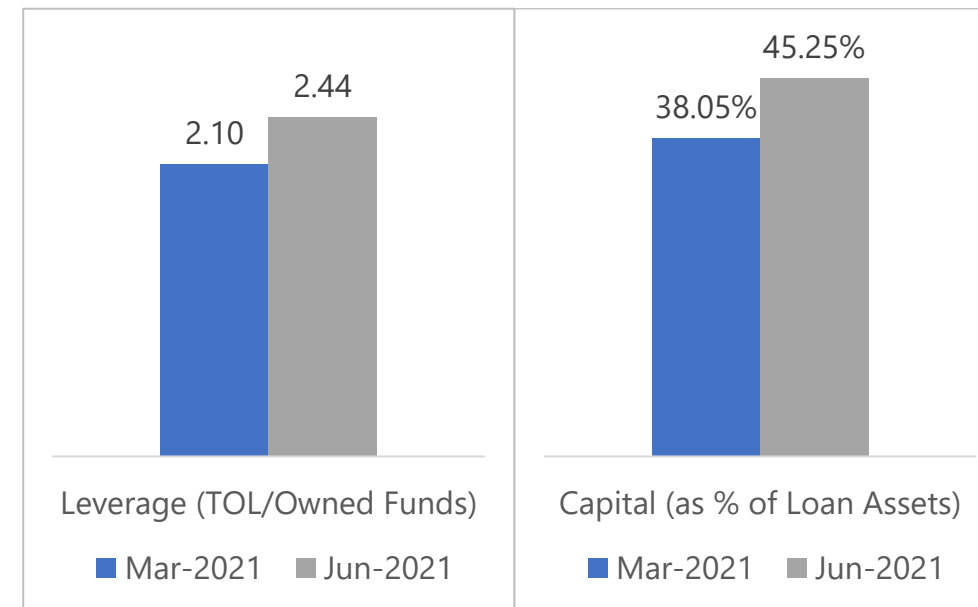

## Validation of model by new lenders

- ▶ Raised INR 11.5 crore from existing lenders in Q1 FY22
- ▶ Debt raising capacity improving and funding costs to decline with maturing relationships with existing lenders and expected addition of new lenders

## Adequately capitalized for growth

- ▶ Conservative leverage of 2.44 times leaves borrowing headroom for growth
- ▶ Raised INR 2.11 crore of Tier-II Capital in June 2021 and another INR 7-8 crore will be raised in Aug 2021
- ▶ Plans to further raise Capital in FY22 to support growth
- ▶ Adequately capitalized for growth with high Capital in relation to Loan Assets at 45.25% as of Jun'21

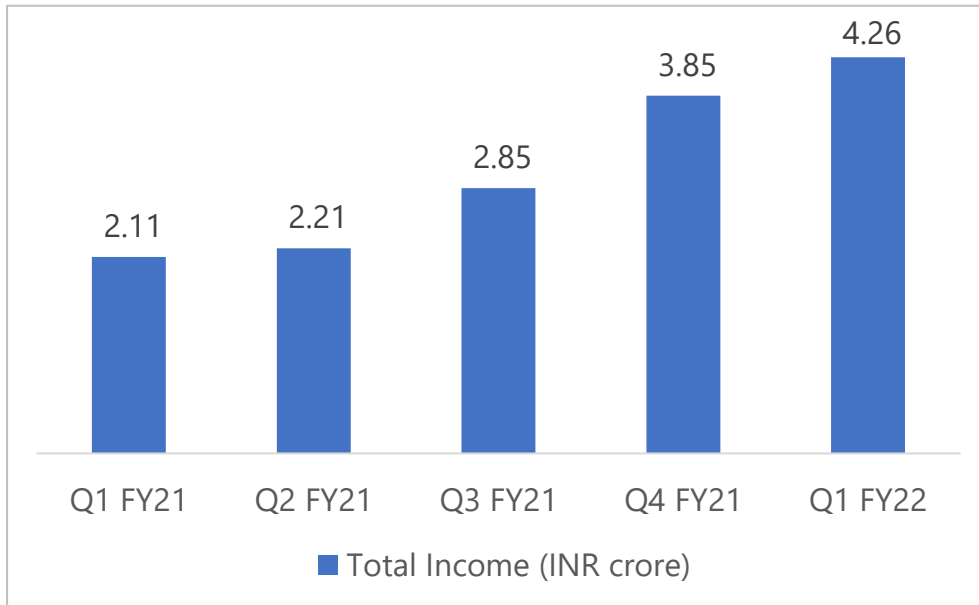

# Path to Profitability

Strong unit economics, rising scale of operations and improving productivity to drive profitability

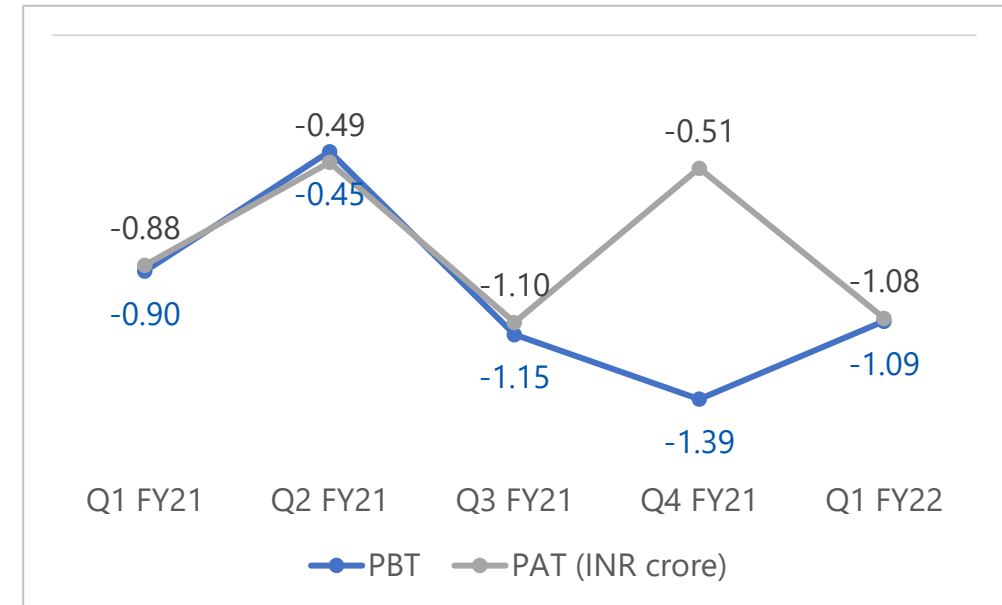

## Growing Income with rising scale of operations

- ▶ Growing Income (10.7% sequential growth in Q1 and 101.6% over last year) with rising scale of operations.
- ▶ Opportunity of expansion in existing states to solidify its presence and extract value from existing clusters and new states in Central, North and West India
- ▶ Branch unit economics remain solid with high NIMs and fast break-even period

## Profitability to improve with rising scale

- ▶ PBT Loss narrowed in Q1 FY22 supported by growing income and lower other expenses
- ▶ Losses in last two years on account of build-out stage
- ▶ Losses would have been negligible in FY21 without COVID
- ▶ Clear plan to achieve profitability supported by solid Branch unit economics, improving productivity, rising scale of operations and declining cost of borrowings

## Diversification of Funding Sources

### First PTC Transaction

- ▶ Moneyboxx completed its first securitisation transaction of INR 7.42 crores in July 2021
- ▶ Investment-grade rating assigned to the Instrument by Acuité Ratings & Research Limited
- ▶ Opens new avenues of funding and lowers cost of funding

### Banking Partnerships

- ▶ Advanced stage discussions with banks for term loans to significantly lower cost of funds
- ▶ Also exploring partnership models with banks (BC/Co-lending)

## Impact Initiatives

- ▶ Appointment of Praveen Gupta as Chief Impact Officer who has varied experience of 15 years
- ▶ Gupta will lead Moneyboxx initiatives in improving the lives of customers through higher business efficiencies across segments – a higher milk yield for livestock customers, increasing income for agri-farmers, and improving supply-chain for other retail borrowers
