1 The above results as reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on February 02, 2019.

2 The unaudited financial results of the company for the quarter ended and nine months ended December 31, 2018 have been subject to limited review by its Statutory auditors.

3 This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

4 In complaince with Ind AS-18 and SEBI [Listing Obligations and Disclosure Requirements] Regulation, 2015 the reported revenue for the nine months ended December 31, 2017 is inclusive of Excise Duty. Goods and Services Tax [GST] was made applicable w.e.f 1st July 2017 and as per Ind AS-18, revenue for the subsequent period is net of GST. Hence the revenue from operations for nine months ended December 31, 2018 is not comparable with corresponding nine months ended December 31, 2017.

5 The preparation of these financial results in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of income, expenses and capital employed. The changes required due to application of Ind AS on retained earnings as well as current year/comparatives profits/losses have been provisionally assessed and carried out. Accordingly, judgements, estimates and assumptions made in preparing these financial statements and comparatives may require further adjustments that may be necessary due to fresh evidence/facts and interpretations of MCA/ICAI that may be observed/received at the time of finalization of annual financial statements for the year ending on March 31, 2019.

6 Regarding Auditor's observation :

(a) During the quarter ended March 31, 2018, the company has settled a long outstanding due from customer entailing write off of Rs. 7.57 Lakhs with resultant withdrawal of all suits by both the parties to the contract in terms of Memorandum of Understanding (MOU) dated 02/02/2018. The withdrawal of cases by the customer and receipt of agreed settlement amount of Rs. 7 Lakhs is awaited.

(b) Considering the business plans made by the Company, orders on hand, reorganization of product mix and with continued support from the Bankers and the Holding Company, the Company expects to recover from the losses. According to the Company considering all the facts, including renewal of bank working capital limits, sale/disposal of the inventories on hand and the company's decision to sell surplus land duly approved by the shareholders to augment the working capital requirements and reduce debt, the assumption of 'Going Concern' is not vitiated even though the net worth is eroded.

7 The Company has got net deferred tax assets in the form of unabsorbed losses and depreciation. However, the same is not recognized in the absence of reasonable certainty in future profits.

8 The Company is enagaed in the business of Metal Cutting, Grinding and Ancillary machines which is single reportable segment in accordance with Ind AS 108 "Operating Segments." All sales and assets are in India. The Company has no single measure customers during the reporting periods.

9 Previous period/year figures have been regrouped wherever necessary to confirm with current period presentation.
