Independent Auditor's Report on the Consolidated Financial Results of Thomas Cook (India) Limited Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

The consolidated financial results for the year ended 31 March 2017 included in the Statement, were audited by the predecessor auditors, whose audit report dated 25 May 2017 expressed an unmodified opinion on those consolidated financial results.

We did not audit the financial statements of 5 subsidiaries, included in the Statement, whose financial statements reflect total assets of Rs. 71,642 lakhs as at 31 March 2018 as well as the total revenue (including other income) of Rs. 104,257 lakhs for the year ended 31 March 2018. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the annual consolidated financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors. Our opinion is not modified in respect of this matter.

Certain of these subsidiaries are located outside India whose financial results and other information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial results of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. This has been done on the basis of a reporting package prepared by the Holding Company which covers accounting requirements applicable to the Statement under the generally accepted accounting principles in India. The reporting packages made for this purpose have been audited by the other auditors and reports for consolidation purposes of those other auditors have been furnished to us. Our opinion on the Statement, in so far as it relates to the financial results of such subsidiaries located outside India, is based solely on the aforesaid audit reports of these other auditors.

We did not audit the financial statements of 36 subsidiaries, whose financial results/financial information reflect total assets of INR 93,307 lakhs as at 31 March 2018 and total revenues (including other income) of INR 84,337 lakhs and in respect of an associate, the Group's share of net profit (including other comprehensive income) of INR 173 lakhs for the year ended on that date, as considered in this Statement. These annual financial statements and other financial information are unaudited and have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts included in respect of these subsidiaries and associate, is based solely on such unaudited financial results/ financial information. In our opinion and according to the information and explanations given to us by the Management, these financial results/ financial information are not material to the Group.

Our opinion is not modified in respect of the above matters with respect to the reports of the other auditors and the financial results/ financial information certified by the Management.

**Independent Auditor's Report on the Consolidated Financial Results of
Thomas Cook (India) Limited Pursuant to Regulation 33 of the SEBI
(Listing Obligations and Disclosure Requirements) Regulations, 2015
(Continued)**

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements and on other information of the subsidiaries and associates as aforesaid and in the context of overriding effect of the accounting treatment for the merger scheme approved by the NCLT vis-à-vis the treatment that would have been applicable otherwise as described in note 7 to the Statement, the Statement:
