Auditor's Report

On Quarterly Financial Results and Year to Date Results of the Company (pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To, The Board of Directors, Hemo Organic Limited

- 1. We have audited the quarterly financial results of Hemo organic limited for the quarter ended 31st March, 2019 and the year to date results for the period 01st April, 2018 to 31st March, 2019, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
- 2. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard for Interim Financial Reporting, prescribed, under section 133 of the companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.
- 3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s).

In the course of carrying out our audit, we have attempted to obtain sufficient and appropriate audit evidence to satisfy ourselves that the items reflected in the financial statements are fairly stated, but failed:

- 1. The Company has not charged depreciation on the fixed assets during the year and accordingly provision of Indian Accounting Standards relating to depreciation and Deferred Tax Asset / Liabilities have not been followed. The management represented that the amount of depreciation being negligible the same has been not been incorporated.
- 2. The closing stock has been calculated and certified by management only and we have not been provided with the basis of calculation.
- 3. We have not been provided with the balance confirmation or any other details for the trade receivable and trade payable shown in the books of accounts.
- 4. We have not been able to verify the transactional documents relating bank statements of four out of five account are shown to us for verification, according to the management the other accounts are dormant and therefore the same have not been collected from bank.

As a result of these matters, we were unable to determine whether any adjustments might have been found necessary in respect of recorded or unrecorded transactions and accounts receivable/payable in the Balance Sheet, and the corresponding elements making up the Statement of Profit and Loss and Cash Flow statement.
