# Man U legend Solskjaer excited at India visit

Bengaluru, Feb 10: Arriving for his highly-anticipated tour in India, Manchester United legend Ole Gunnar Solskjaer expressed his excitement about visiting the country and engaging with passionate football fans as his three-day visit, hosted by Tilak Gaurang Shah, founder of Ace of Pubs, kicked off here on Friday.

With India being home to a staggering 38 per cent of Manchester United's global fan base as per data from YouGov, Solskjaer's visit marks a historic moment for the team's supporters across the nation.

Sharing his enthusiasm, Solskjaer said, "I am truly thrilled to finally be here in India and meet the nation's Red Devils. This tour organised by Tilak is not only a memorable moment for fans but also for me as I have been eager to visit the country

and experience its footballing culture. I am deeply grateful for the warm welcome I have received in Bengaluru, and eagerly anticipate meeting fans in Delhi and Mumbai." Renowned for his remarkable career and iconic moments on the field, Solskjaer shared his favorite tales and stories from his time at Old Trafford, offering fans a unique glimpse into not just the career of the 'baby-faced assassin' but also the world of professional football.

"I have had the privilege of experiencing

football's magic on both sides of the touchline. So, it is always a delight to be able to reminisce about those last-minute goals and unforgettable victories with the fans. While I had only heard about the devotion of Indians towards the club, Manchester United, getting the opportunity to experience it firsthand today was incredible," Solskjaer said.

Enhancing the anticipation surrounding Solskjaer's debut India tour, fans will also get the chance to acquire exclusive football

memorabilia, sourced meticulously by Tilak.

The dedicated Manchester United fan will be hosting the auction for this exceptional collection including rare football boots and distinctive canvases autographed by his esteemed former teammates.

"Today marks the start of a special three-day journey for Manchester United fans across the nation. By bringing Solskjaer to India, we have not only given fans the chance to meet their idol but also been able to showcase the deep connection between the country and the club. Through this tour, we aim to fulfill the lifelong dreams of supporters and provide them with precious football items they will cherish for years to come," Shah said.

### Use the Book..!

Last week we celebrated the acceptance of the Constitution of India by the people seventy five years ago. It is because of this constitution that no majority can bully a minority, no one religion can be thrust on another, and that citizens have different freedoms! It is a constitution which people fight hard to maintain and fight hard to live by as much as others fight to destroy.

It is because of this constitution that we live with freedom. As people following different religions, we also have our own constitutions that we need to live by and these spiritual books help us lead a righteous life!

A few years ago, I had gone to Chennai for a wedding, and since it was that of a friend's daughter, and I was raising the toast, spent a lot of time with the guests. One girl

in particular, an African American spoke at length to me about her dad. "One thing, he always told me," said the American girl, "Is when in doubt about whether something is right or wrong, run it by the Bible!"

The wedding was wonderful, the guests departed, but those words have remained in my mind. As I hear many arguing about whether some ritual is right or wrong, or even talking about some book of discipline which their religious order has prescribed, I feel like asking them whether they have run it by their religious book.

Around twenty-five years back, two ladies started a prayer meeting near where I lived. It was going great guns and they had quite a huge crowd attending every Wednesday, till on some issue they did not see eye to eye and a big fight took place. Both came to me, telling me

of visions they had which showed the other a devil or child of the devil. "What does the Bible say?" I asked, and found to my consternation that the Bible was not their handbook. "We just pray, and rely on visions!" they both said.

"Your visions may not be God's!" I said.

"How will we know?" they asked.

"Use the Bible to find out!" I said.

There's much adulterated religious teaching going on today. Preaching by preachers with charisma and personality, just like we have great orators in our country who paint rosy pictures. But just as our Constitution has stood by us all these seventy five years, use your spiritual book to run things by from today..!
