# After TN, Kerala moves SC against Governor: 'Complete subversion of Constitution'

SHAJU PHILIP, ARUN JANARDHANAN& **KANCHAN VASDEV** THIRUVANANTHAPURAM,

CHENNAL CHANDIGARH. NOVEMBER 2

KERALA BECAME the third state, after Tamil Nadu and Punjab, to move the Supreme Court Thursday against its Governor over pending Bills and other issues.

The Kerala government has claimed inaction on the part of Governor Arif Mohammed Khan in relation to eight Bills passed by the Assembly, and said many of these involve immense public interest. "Of these, three Bills have remained pending with the Governor for more than two years, and three more in excess of a full year. The conduct of the Governor... threatens to defeat and subvert the very fundamentals and basic foundations of our Constitution, including the rule of law and democratic good governance, apart from defeating the rights of the people of the state to the welfare measures sought to be implemented through the Bills," the Kerala government's

It adds that under Article 200 of the Constitution, it is the solemn duty of the Governor to "declare either that he assents to the Bill or that he withholds as-

sent therefrom or that he reserves the Bill for the consideration of the President".

"The Governor appears to be of the view that granting assent or otherwise dealing with Bills is a matter entrusted to him in his absolute discretion... This is a complete subversion of the Constitution," the Kerala govern-

ment has said. Kerala Law Minister P Rajeev said that even the Supreme Court had said that the Bills passed by state Assemblies should not be withheld indefinitely, and said Khan was "not discharging his constitutional duties".

Khan, who has had a running battle with the LDF government in the state, has contended that he has withheld assent to some Bills as his queries regarding them were yet to be addressed.

Like Kerala and Khan, the Tamil Nadu and Punjab governments have also had several disputes with their Governors R N Ravi and Banwarilal Purohit, respectively. In its plea, the DMK gov ernment in Tamil Nadu has said that Governor Ravi has "positioned himself as a political rival to the legitimately elected"

Governor's actions should reflect "the satisfaction of the Council of Ministers"

A constitutional authority is 'consistently acting in an unconstitutional manner, impeding and obstructing" the functioning of the state government "for extraneous reasons", the state's plea says, adding that the delays in legislation and crucial appointments were leading to "a constitutional deadlock".

The Tamil Nadu petition also refers to Article 200 apart from 163, to say that the Governor has limited scope for action once a Bill is passed by an Assembly, and that "any delay or refusal" effectively disrupts parliamentary democracy. It mentions 12 Bills as pending with Ravi, apart from the delay in approving the transfer of investigation to the CBI in cases involving high-profile politicians.

The oldest legislation pending with the Governor dates back to 2020 and include a Bill to confer on the government the power of inspection and inquiry instead of the Chancellor (Governor) and another Bill to include a government nominee in the panel for selection of some vice-chancellors, says the government. Many of the pending Bills, in fact, similarly involve a shift in administrative authority from the governor to the state

Parliamentary Panel member said. Speaking at a press conference, Yediyurappa also said that a leadership tussle is going on between Karnataka Chief Minister Siddaramaiah and his deputy DK Shivakumar.

BJP LEADER B S Yediyurappa on

Thursday acknowledged that

there is a delay in naming the

leader of opposition in the

Karnataka Assembly and the new

state party president, and said he

would make efforts to exert pres-

sure on the party high command

The BJP, which is the principal

opposition party in the state, has

not yet appointed its legislature

party leader who will also play the

role of the leader of opposition in

the Assembly. The previous

Assembly session in July was held

without a leader of opposition.

The BJP is facing intense criti-

cism from the ruling Congress for

its inability to make an appoint-

ment to the post. Responding to

questions on speculation that BJP

legislators have threatened to

boycott the next Assembly session

unless a leader of opposition is ap-

pointed, Yediyurappa said, "I have

requested them (BIP high com-

mand) to take a decision at the

earliest." Before the Winter

Session of the Assembly in

December, appointments to the

posts will likely be made, the BJP

to make these appointments.

The BIP leader said the Congress government in the state is struggling to fulfil its pre-poll promises, and all development activities in the state have come to a standstill. "The fight for leadership between Siddaramaiah and DK Shivakumar faction has reached its peak," he said, adding that to keep the Deputy Chief Minister in check, "dinner meetings have started in the party".

The "dinner meeting" was in reference to a dinner hosted by Karnataka Home Minister G Parameshwara, which Siddaramaiah and Public Works Department Minister Satish Jarkiholi had reportedly attended. WIND SPEED LOW, VISIBILITY DIPS

# **AQI** hits severe, Capital chokes on cocktail of smoke and dust

**EXPRESS NEWS SERVICE** NEW DELHI, NOVEMBER 2

FOR THE first time this season, Delhi's air quality plummeted to hit the 'severe' category on Thursday. A cocktail of factors low wind speed and intrusion of smoke from stubble burning added to the impact of local emissions.

The air quality had consistently worsened through the day, from what was an average of 351 at 10 am to touch 402 at 5 pm. Pollutants suspended in the air gave the city a sepia tint on Thursday, keeping visibility poor

Kuldeep Srivastava, scientist at the India Meteorological Department (IMD), said visibility at 7 am at the Safdarjung weather station was 500 m, with shallow fog. It had only improved marginally to around 700 m at 2.30 pm. At Palam, visibility remained around 1,000 m from 7 am to 3

Since fog is formed when water vapour condenses and relative humidity was high in the morning hours, shallow fog may have formed, Srivastava said.

But humidity levels had fallen to around 55% in the afternoon. "Calm conditions are prevailing. At Palam, winds were from the northwest; at Safdarjung, there were easterly winds. The speed was just 2 to 3
