Notes to Standalone Financial Results:

1. The Audit Committee has reviewed the above results and the Board of Directors has approved these results and its release in the meeting held on 27th May, 2019. The Statutory Auditors of the Company have carried out the audit for the year ended 31st March, 2019.
2. The figure of the Quarter ended 31st March, 2019 are the balancing figures between the Audited figures in respect of the full financial year and the results published upto the third quarter for the financial year 2018-19.
3. The Board of Directors of the Company in their meeting held on 24th May, 2018, has approved a scheme to further reorganize its corporate structure spread across various group companies and in order to integrate / consolidate it's operations.

The above proposed scheme of arrangement is in addition and conditional to an ongoing scheme of three subsidiaries i.e. merger of Arshiya Rail Infrastructure Limited, Arshiya Industrial and Distribution Hub Limited and Arshiya Transport & Handling Limited, which is pending with NCLT. The meeting of the creditors was held on 6th May, 2019. The Scheme(s) shall be given effect after receipt of necessary approvals.

4. The Company granted leasehold rights of six warehouses and related property, plant and equipment at Panvel FTWZ, on an initial lease term of 30 (thirty) years on 3rd February, 2018. Subsequent to that, the Company recognises the net revenue in terms of a business conducting agreement.

Thus, figures of the quarter and year ended 31st March, 2019 (as stated in the results) are not comparable with those of previous year's periods.

5. In view of the focussed emphasis of the Government on logistics infrastructure sector, the proposed restructuring (as mentioned in above note no. 3) and considering the fact that the facilities are yet to achieve full operational potential besides the strategic locations of the facilities, the management's future outlook of its business is very promising. Accordingly, the financials have been prepared on going concern basis even though the Company continues to incur losses.

Certain creditors have initiated legal proceedings against the Company and its Directors, and the Company has defaulted in payment of instalments of consent terms for which the Company is in process of negotiating and finalising the revised consent terms and/or making representations to the respective forum. Majority of the creditors have been settled over the past few years and some of the creditors have also shown interest and faith in the logistics infrastructure sector and are being allotted equity shares of the Company.

- 6.1 During the year ended 31st March, 2019, one of the Public Financial Institution (PFI) has assigned its debt to the Edelweiss Asset Reconstruction Company (EARC). The Company has provided interest in line with major terms negotiated with EARC, till the finalisation of the restructuring agreement.
- 6.2 During the year ended 31st March, 2019, the company has defaulted in payment as per consent terms signed with one of the Non-Banking Financial Company (NBFC). Subsequent to the year end, the said NBFC has assigned its debt to Edelweiss Asset Reconstruction Company (EARC). Pursuant to said assignment, EARC has become the lender and entitled to recover total dues alongwith interest at contractual rates and other charges. The company doesn't expect any additional liabilities / charges and liabilities accounted in the books of account are adequate.
7. The Company is engaged in the business of development, operations and maintenance of Free Trade and Warehousing Zone (FTWZ) and Domestic Warehousing Zone. During the year ended 31st March, 2019, certain portion of land which was classified under Property, Plant and Equipment (PPE) is now transferred to inventories at their carrying amounts for future developments.
- Out of the above land parcels, during the year, the Company has entered into 2 lease agreements aggregating to 5.50 Acres of land with a wholly owned subsidiary company for development of warehouses at FTWZ, Panvel and recognised the revenue from such long-term lease during the year.
8. The exceptional items for the current year represent loss on account of restructuring and litigation settlement.
9. The Company has issued a corporate guarantee of Rs. 27,724.43 Lakh to the lenders of Arshiya Northern FTWZ limited (ANFTWZ), a subsidiary Company. This guarantee has been invoked by the lenders since ANFTWZ had defaulted in servicing its borrowings towards principal and interest. The Company carried out fair valuation of this corporate guarantee through an independent chartered accountant firm and as per their report the value of security created in favour of the lender is higher than the total liability towards borrowing. Accordingly, no provision is required towards the guarantee so invoked. The Auditors have referred to this as emphasis of matter in their Audit Report.
10. The Company has sent request letters/ emails to various Parties for confirmations of balances under borrowings, trade receivables and capital advances given to vendors and trade payables etc., to which only few parties have responded. Accordingly, impact of adjustment, if any, will be accounted as and when the same

U

is determinable or accounts are reconciled/settled. The Auditors have referred to this as emphasis of matter in their Audit Report.

11. The Ministry of Corporate Affairs (MCA) on 28th March, 2018 notified Ind AS 115 "Revenue from contracts with customers" as part of the Companies (Indian Accounting Standards) Amendment Rules, 2018 and the same is effective for accounting period beginning on or after 1st April, 2018. The Company has applied modified retrospective approach in adopting the new standard and accordingly, the revenue from operations for the year ended 31st March, 2019 is not comparable with the previous year. The adoption of this standard did not have any material impact on the financial statements of the Company.
12. During the quarter the Company has incorporated 2 subsidiaries namely Unrivalled Infrastructure Private Limited and Arshiya Infrastructure Developers Private Limited.
13. As per Ind-AS 108 "Operating Segment", information has been provided along with the consolidated financial results of the group.
14. The figures for the previous period / year have been re-grouped / re-arranged, wherever necessary.

Notes to Consolidated Financial Results: -

1. The Consolidated Financial Results for Arshiya Limited (Parent Company) and its Subsidiaries (together referred to as the 'Group') were reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Parent Company at its meeting held on 27th May, 2019. The Statutory Auditors of the Parent Company have carried out the Audit for the year ended 31st March, 2019.
2. The figures of the quarter ended 31st March, 2019 are the balancing figures between the audited figures in respect of the full financial year and the results published up to the third quarter of the financial year 2018-19.
3. The Board of Directors of the Parent Company at their meeting held on 24th May, 2018, has approved a scheme to reorganize the Group's corporate structure spread across various subsidiaries and in order to integrate / consolidate its operations.

The above proposed scheme of arrangement is in addition and conditional to an ongoing scheme of three subsidiaries i.e. merger of Arshiya Rail Infrastructure Limited, Arshiya Industrial and Distribution Hub Limited and Arshiya Transport & Handling Limited, which is pending with NCLT. The Creditors meeting of the respective companies was held on 6th May 2019. The Scheme(s) shall be given effect after receipt of necessary approvals.

- 4.1 During the year ended 31st March, 2019, one of the Public Financial Institution (PFI) which was a lender to the Parent Company has assigned its debt to Edelweiss Asset Reconstruction Company (EARC). The Parent Company has provided interest in line with major terms negotiated with EARC, till the finalisation of the restructuring agreement.
- 4.2 During the year ended 31st March, 2019, the Parent Company has defaulted in payment as per consent terms signed with one of the Non-Banking Financial Company (NBFC). Subsequent to the year end, the said NBFC has assigned its debt to Edelweiss Asset Reconstruction Company (EARC). Pursuant to the said assignment, EARC become the lender and entitled to recover total dues alongwith interest at contractual rates and other charges. The Parent Company doesn't expect any additional liabilities / charges and liabilities accounted in the books of account are adequate.
5. The Ministry of Corporate Affairs (MCA) on 28th March, 2018, notified Ind AS 115 "Revenue from contracts with customers" as part of the Companies (Indian Accounting Standards) Amendment Rules, 2018 and the same is effective for accounting period beginning on or after 1st April, 2018. The Group has applied modified retrospective approach in adopting the new standard and accordingly, the revenue from operations for the year ended 31st March, 2019 is not comparable with previous year ended 31st March, 2018. The adoption of this standard did not have any material impact on the financial statements of the Group.
6. One of the subsidiary Company viz Arshiya Rail Infrastructure Limited has accumulated losses and negative net worth. Some of its lenders have recalled their loans and the subsidiary company is in the process of negotiating the revised payment terms. The subsidiary Company is EBIDTA positive and with the

commencement of the two dedicated freight corridors, the said subsidiary company will benefit immensely. Moreover a unique contract entered into with one of the largest global shipping lines has already started to improve the profitability. Also, the proposed merger of another subsidiary company with this subsidiary company as mentioned in Note no 3, would make their operations not only complementary, but enhance their profitability.

In view of the focussed emphasis of the Government on logistics infrastructure sector, the proposed restructuring and considering the fact that the facilities are yet to achieve full operational potential besides the strategic locations of the facilities, the management's future outlook of its businesses is very promising. Accordingly, the financials have been prepared on going concern basis including based on financial support from the Parent Company.

7. Certain creditors have initiated legal proceedings against the Group and its Directors and the Group has defaulted in payment of instalments of consent terms for which the Group is in process of negotiating and finalising the revised consent terms. Majority of the creditors have been settled over the past few years and some of the creditors have also shown interest and faith not only in the logistics infrastructure sector but also in Arshiya Group and are being allotted equity shares of Arshiya Limited.
8. The Parent Company is engaged in the business of development, operations and maintenance of Free Trade and Warehousing Zone (FTWZ) and Domestic Warehousing Zone. During the year ended 31st March, 2019, certain portion of Land which was classified under Property, Plant and Equipment (PPE) is now transferred to inventories at their carrying amounts for future developments.

Out of the above land parcels, during the year ended 31st March, 2019 the Parent Company has entered into 2 lease agreements aggregating to 5.50 Acres of land with a wholly owned subsidiary company for development of warehouses at FTWZ, Panvel.

9. A subsidiary Company had entered into one-time settlement (OTS) with a Bank during the year ended 31st March, 2019 and the effect was taken as an exceptional item during the quarter ended 30th September, 2018. However, the subsidiary Company has defaulted in payment as per the terms of the OTS. As a result, the subsidiary Company needs to reverse the exceptional gain recorded during the quarter ended 30th September, 2018 and needs to recognise Interest on the entire liability as per the original terms. The subsidiary Company is in discussion with the lender for additional time to repay.

The subsidiary Company has not reversed the gain, nor provided for additional interest. Had the Subsidiary Company reversed the gain and provided for additional interest, exceptional item would have been lower by Rs. 6604.55 Lakh and finance cost would have been higher by Rs. 3500.76 Lakh having consequential impact on total comprehensive income for the year ended 31st March, 2019. The Auditors have issued a qualified opinion in their Audit Report.

10. The Group has sent request letters/ emails to various parties for confirmations of balances under borrowings, trade receivables, capital advances to vendors and

trade payables etc., to which only few parties have responded. Accordingly, impact of adjustment, if any, will be accounted as and when the same is determinable or accounts are reconciled/settled. The Auditors have referred to this as emphasis of matter in their Audit Report.

11. During the quarter the Parent Company has incorporated 2 subsidiaries namely Unrivalled Infrastructure Private Limited and Arshiya Infrastructure Developers Private Limited. Also 2 step-down subsidiaries were incorporated during the quarter namely Arshiya Panvel FTWZ Services Private Limited and Arshiya Panvel Logistics Services Private Limited.
12. As per Ind AS 108 "Operating Segment" the Group has identified and reported segment information in three segments as under :
 - (i) Developing and Operating Free Trade and Warehousing Zone (FTWZ)
 - (ii) Rail Transport Operations and Inland Container Depot (ICD)
 - (iii) Domestic Warehousing

The assets and liabilities that cannot be allocated between the segments are shown as unallocable assets and liabilities respectively.
13. The exceptional items of the current year represent gain / loss on account of restructuring /settlement of claims.
14. The figures for the previous period / year have been re-grouped / re-classified / re-arranged, wherever necessary, to correspond with the current period's classification/disclosure.

1. We have audited the accompanying statement of consolidated financial results of **Arshiya Limited** ("the Parent") and its Subsidiaries (the parent and its subsidiaries together refer to as "the Group") for the quarter & year ended 31st March, 2019 ("the statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 ("the Regulation"), read with SEBI circular No. CIR/CFD/FAC/62/2016 dated 5 July, 2016 ("the Circular").

Management's Responsibility for Statement

2. This statement, which is the responsibility of the Parent's management and approved by the Board of Directors, has been compiled from the related consolidated financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder ("IND AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the statement based on our audit of such consolidated financial statements.

Auditors' Responsibility

3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed in financial results. An audit also includes assessing the accounting principles used and significant estimates made by management.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in paragraph 8 below, is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

4. *As mentioned in note no. 9 of the statement, a subsidiary company failed to make payment as prescribed as per one time settlement with lender. As a result, event of default has occurred and the entire debt prior to date of settlement become payable along with interest. The Subsidiary has not reversed the gain recorded and provided for additional interest. Had the subsidiary company reversed the gain recorded and provided for additional interest, exceptional item would have been lower by Rs. 6604.55 Lakh and finance cost would have been higher Rs. 3500.76 Lakh having consequential impact on total comprehensive income, liabilities and other equity.*

Emphasis of Matter

5. We draw attention to note no. 10 of the statement regarding the balance confirmations of borrowings, trade receivables, capital advances, trade payables and loans and advances. During the course of preparation of financial statements, e-mails/letters have been sent to various parties by the respective companies with a request to confirm their balances directly to us out of which only few parties have responded, accordingly, the possible adjustment, if any, required in the consolidated financial statements will be accounted as and when the same is determinable. Our Opinion is not modified in respect of the said matter.

Material Uncertainty Related to Going Concern (related to one of the subsidiary company)

6. We draw attention to the note no. 6 of the statement, which indicates that Arshiya Rail Infrastructure Limited (ARAIL), a wholly owned subsidiary, incurred a net loss of Rs. 41,83.51 Lakh during the year, ended 31st March 2019 and, as of that date, the ARAIL's current liabilities exceeded its current assets by Rs. 294,49.72 Lakh, it is unable to meet its financial obligations and as of that date it's accumulated losses is resulting in negative net worth. These conditions, along with other matters as set forth in the aforesaid note, indicate the existence of a material uncertainty that may cast significant doubt about ARAIL's ability to continue as a going concern. Arshiya Limited, the Parent Company, has given a support letter to extend, for the foreseeable future, any financial support which may be required by ARAIL. Further, in view of various steps taken by the management, future outlook as assessed by the management and the business plans and in lieu of the support letter from the Parent Company, the management has assessed ARAIL continues to be going concern. Our opinion is not modified in respect of the said matter.
