Hence revenue from operation for the year ended 31st March, 2019 is not comparable with corresponding year ended 31st March, 2018.
- 3 The figures for the quarter ended March 31, 2019 represents the derived figures between the audited figures in respect of the full financial year ended March 31, 2019 and the unaudited published period to date figures upto December 31, 2018 being the date of the third quarter of the current nine months period, which were adjusted to a limited review.

However, the management is hopeful that the improvement in market scenario will help in improving the financial health of the company. The financial results for the quarter and year ended March 31, 2019 have been prepared by the management on a going concern basis as the company is continuing its normal manufacturing operations.
- 6 While consolidating the accounts of the Company, the financials of its joint venture companies namely Andar East Coal Company Pvt Ltd.(AECCPL) and Rohne Coal Company Pvt Ltd.(RCCPL) are not consolidated. The Hon'ble Supreme Court vide its Order dated 24th September, 2014 has cancelled number of coal blocks allotted to various companies. These include two coal blocks under development viz. AECCPL in West Bengal and RCCPL in Jharkhand allocated to the company jointly with other parties. The company has prudently brought down the value of investment in joint venture companies to nominal value of ₹ 1 per share. However, the Company had submitted claims w.r.t. the cancellation of coal blocks which are still pending.
