#### NOTES:

- 1 The financial results of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
- 2 The audited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 29, 2019.
- 3 The figures for the three months ended on March 31, 2019 and corresponding three months ended on March 31, 2018 are the balancing figures between the audited figures in respect of the full financial year and the year to date figures upto the third quarter of the respective financial years.
- 4 The Company is engaged in construction activities. The margins in the quarterly results vary based on the nature, type and quantum of project work executed during the quarter. Due to this reason, quarterly results may vary in different quarters and may not be indicative of annual results.
- 5 In respect of certain 'Works Contracts' executed in earlier years in the State of Rajasthan, the Company had paid sales tax using Exemption Fee (Composition) Scheme under Rajasthan Sales Tax Law on such 'Works Contracts' based on certain rules notified under the Sales Tax Act then prevailing. The Sales Tax Department had since challenged the Company's position and claimed that such 'Works Contracts' be treated as a divisible contract and be subjected to tax component-wise and had accordingly raised a demand, which was challenged by the Company. The Company had also filed a Special Leave Petition with the Hon'ble Supreme Court, against the common final judgment Order dated February 13, 2015 passed by the Hon'ble High Court of Rajasthan. Subsequently the Hon'ble Supreme Court rejected the appeal filed by the Company by Order dated August 28, 2017. The Company, based on legal advise, had filed an application seeking recall of the said order on September 4, 2017, which is yet to be admitted. Pending admission and outcome, of the 'recall application', on a prudent basis, the Company had made a provision of ₹ 3033 lakhs against sales tax demand (including interest thereon of ₹ 2132 lakhs) under the item 2(i) in the results of the year ended March 31, 2018.
- 6 The Government of India introduced the Goods and Service Tax (GST) with effect from July 1, 2017. GST is collected on behalf of the Government and no economic benefit flows to the entity and hence Gross Revenue under GST regime is presented excluding GST. However, Gross Revenue under pre-GST regime included Excise Duty which is now subsumed in GST. Consequently, the figures for the year ended March 31, 2019 and year ended March 31, 2018 are not comparable with the other periods presented in the results.
- 7 During the year the Company operates in one Reportable Segment namely 'Construction'. Until previous year the Company also operated in "Others" segment comprising selling of concrete sleepers, air rifles and development of land. The Company has since discontinued the 'Air Rifles' business and its revenues from the existing 'Others' business does not exceed the quantitative thresholds for separate segment reporting. The entity has accordingly reorganised its internal reporting structure, whereby the Chief Operating Decision Maker (CODM) evaluates the business activities and operating results of the remaining activities under one single segment namely 'Construction'. Accordingly, in accordance with 'Ind AS 108 Operating Segments', the segment information for "Others" segment in respect of all previous period/year reported have been regrouped under Construction segment.
- 8 Other income for the year ended March 31, 2019, includes ₹ 831.45 lakhs towards compensation received and fair value of land parcels, acquired by Government Authorities through compulsory acquisitions.
- 9 The Board of Directors at their meeting held on May 29, 2019 have recommended a dividend of ₹ 3.60 (180%) per equity share of face value of ₹ 2/- each for the financial year ended March 31, 2019, subject to approval of the shareholders in the ensuing Annual General Meeting of the Company.
