Notes:

1. The above standalone financial results of the Company for the quarter and year ended March 31, 2018 have been reviewed and recommended by the Audit & Ethics Committee held on May 30, 2018 and approved by the Board of Directors in its meeting held on the same date.
2. The audited accounts are subject to review by the Comptroller and Auditor General of India under section 143(6) of the Companies Act, 2013.
3. The figures for the quarter ended March 31, 2018 are the balancing figures between audited figures in respect of the full financial year and the reviewed year-to-date figures upto the third quarter of the financial year.
4. (a) The company has acquired 51.11% shareholding held by the President of India (778,845,375 equity shares of face value ₹ 10 per share) in Hindustan Petroleum Corporation Limited (HPCL) on January 31, 2018, at ₹ 473.97 per share for a total cash consideration of ₹ 36,915 Crore. By virtue of this investment, HPCL has become a subsidiary of the Company.

(b) Petronet MHB Limited, a joint venture, has been reclassified as a subsidiary during the year as the Company holds 32.72% ownership interest and its subsidiary HPCL holds 32.72% ownership interest.
5. The Company, with 40% Participating Interest (PI), is a Joint Operator in Panna-Mukta and Mid and South Tapti Fields along with Reliance Industries Limited (RIL) and BG Exploration and Production India Limited (BGEPI), each having 30% PI. The Production Sharing Contracts (PSCs) with respect to Panna-Mukta and Mid and South Tapti contract areas were signed between the Contractors and Government of India on December 22, 1994 for a period of 25 years. In December 2010, RIL & BGEPI invoked an arbitration proceeding against the Union of India in respect of certain disputes, differences and claims arising out of or in connection with both the PSCs in respect to Panna-Mukta and Mid and South Tapti contract areas pursuant to the provisions of Article 33 of the PSCs and UNCITRAL Rules, 1976. Ministry of Petroleum and Natural Gas (MoP&NG), vide letter dated July 4, 2011, had advised the Company not to participate in the arbitration initiated by RIL and BGEPI under Panna-Mukta & Tapti PSCs. However, in case of an arbitral award, the same will be applicable to the Company also as a constituent of the contractor for both the PSCs. On October 12, 2016, a Final Partial Award (FPA) was pronounced by the Tribunal in the arbitration matter between RIL, BGEPI and Union of India. However, details of proceedings in this regard are not known to the Company since the Company is not a party to this arbitration. Directorate General of Hydrocarbons (DGH), vide letter dated May 25, 2017 marked to all Joint Venture Partners (RIL, BGEPI & the Company) has asked for payment of differential GOI share of Profit Petroleum and Royalty alleged to be payable by contractor pursuant to Governments interpretation of the FPA (40% share of the Company amounting to US\$ 1,574.76 million equivalent to ₹ 10,223 Crore including interest upto November 30, 2016). However, in response to letter dated May 25, 2017 of DGH, RIL and BGEPI the JV partners (with a copy marked to all Joint Venture Partners) had stated that demand of DGH is

premature as the FPA does not make any money award in favour of GOI as quantification of liabilities are to be determined during the final proceedings of the arbitration and the same has been challenged before the English Commercial Court.

Further, subsequent to London High Court Orders dated April 16, 2018 and May 2, 2018, DGH vide letter dated May 4, 2018 and May 15, 2018 has asked for re-casting of accounts of the JV and for remitting the respective PI share of balance dues including interest till the date of remittance. Details of proceedings thereof and the London High Court orders are not known to the company since the company is not a party to the arbitration. In response to the letter of DGH, RIL & BGEPIL have responded (with a copy marked to all Joint Venture Partners) that FPA of October 2016 does not make any money award in favour of the Government. Further it has also been stated by RIL & BGEPIL that the English Court has upheld challenge 4 of the claimants (RIL & BGEPIL) in relation to "Agreement Case" and held that there had been a serious irregularity in the Award of the Tribunal. Further in the court order of May 2, 2018, the English Court has directed the Tribunal to re-consider the "Agreement Case" and issue a fresh award within three months of that date. The "Agreement Case" is closely linked with the Cost recovery limit (CRL) increase application filed by the contractor with the Management Committee and Tribunals re-consideration of this issue necessarily impacts the re-computation of accounts. Re-computation of accounts and consequential determination of any amount due and payable by the contractor (Constituents of the JV including the company) are to be determined during the final stage of the arbitration proceedings after determination of all substantive issues by the Tribunal (including any application for an increase in the Tapti and Panna Mukta CRL and an award on the Agreement Case). The Company has also responded to DGH that as of now, neither the Arbitral Tribunal nor the Court has passed any order or quantified any amount due and payable by the Company. In the circumstances, the demand of DGH from the Company for any sum or interest thereon is premature and not justified. The company has requested DGH to keep the issue in abeyance till finality in the award is achieved.

Pending the final quantification of liabilities by the Arbitration Tribunal, no provision for the same has been considered necessary. However, the same has been considered as contingent liability.

6. During the year, the Company has received show-cause notices at various work centers on account of service tax along with interest and penalty, on royalty on Crude oil and Natural gas levied under Oil Field (Regulation & Development) Act, 1948. The Company has worked out service tax (including interest) of ₹ 1,983 Crore for the period from April 1, 2016 to June 30, 2017. Further, the Company has worked out GST (including interest) of ₹ 1,432 Crore for the period from July 1, 2017 to March 31, 2018. Penalty in respect of the same is not quantifiable. Based on legal opinion obtained by the Company, Service Tax / GST on royalty is not applicable. The Company is contesting the same at appropriate authorities and accordingly the same has been shown as contingent liability. However, as an abundant caution, the company has deposited Service tax, GST and interest under protest in May, 2018 amounting to ₹ 2,515 Crore.

7. The Board of Directors has recommended a final dividend of ₹ 1.35 per share (27%) which works out to ₹ 1,732 Crore over and above the interim dividend of ₹ 5.25 per share (105%) in two phases (₹ 3.00 and ₹ 2.25 per share).
8. The Financial Results have been audited by the Statutory Auditors as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements), Regulation, 2015. The Statutory Auditors have issued unmodified opinion on the Standalone Financial Results for the year ended March 31, 2018.
9. Previous period's figures have been regrouped by the Company, wherever necessary, to conform to current period's grouping.

Notes:

1. The above Consolidated financial results have been reviewed and recommended by the Audit & Ethics Committee held on May 30, 2018 and approved by the Board of Directors in its meeting held on the same date.
2. The audited accounts are subject to review by the Comptroller and Auditor General of India under section 143(6) of the Companies Act, 2013.
3. The consolidated financial results of the Group (the Company and its subsidiaries) have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder.
4. The Company has acquired 51.11% shareholding held by the President of India (778,845,375 equity shares of face value ₹ 10 per share) in Hindustan Petroleum Corporation Limited (HPCL) on January 31, 2018, at ₹ 473.97 per share for a total cash consideration of ₹ 36,915 Crore. By virtue of this investment, HPCL has become a subsidiary of the Company.

Being a common control acquisition, the accounting has been done as per Appendix C to Ind AS 103 "Business Combination" as per pooling of interest method under which assets and liabilities of the combining entities are reflected at the carrying amounts and no adjustments are made to reflect fair values, or recognize any new assets or liabilities.

Further, restatement of previous year financial statements has been done as if the business combination had occurred from the beginning of preceding period in compliance with Appendix C of Ind AS 103 'Business Combination'. Accordingly, the Consolidated Balance Sheet as at March 31, 2017, Consolidated Statement of Profit and loss for the year ended 31st March 2017, have been restated. The difference between the share capital of HPCL of ₹ 339.02 crore and the consideration paid of ₹ 36,915 crore has been recognized as Other Capital Reserve as at April 1, 2016. Further, the total cash consideration for acquisition of HPCL of ₹ 36,915 Crore paid on January 31, 2018 has been considered as current liability in the previous year.

Also, pursuant to acquisition of HPCL, Petronet MHB Limited has been reclassified from a joint venture to a subsidiary as the Company holds 32.72% ownership interest and its subsidiary Hindustan Petroleum Corporation Limited holds 32.72% ownership interest. This has also been accounted as business combination under common control.

5. The Company, with 40% Participating Interest (PI), is a Joint Operator in Panna-Mukta and Mid and South Tapti Fields along with Reliance Industries Limited (RIL) and BG Exploration and Production India Limited (BGEPI), each having 30% PI. The Production Sharing Contracts (PSCs) with respect to Panna-Mukta and Mid and South Tapti contract areas were signed between the Contractors and Government of India on December 22, 1994 for a period of 25 years. In December 2010, RIL & BGEPI invoked an arbitration proceeding against the Union of India in respect of certain disputes, differences and claims arising out of or in connection with both the PSCs in respect to Panna-Mukta and Mid and South Tapti contract areas pursuant to the provisions of Article 33 of the PSCs and UNCITRAL Rules, 1976. Ministry of Petroleum and Natural Gas (MoP&NG), vide letter dated July 4, 2011, had

advised the Company not to participate in the arbitration initiated by RIL and BGEPIL under Panna-Mukta & Tapti PSCs. However, in case of an arbitral award, the same will be applicable to the Company also as a constituent of the contractor for both the PSCs. On October 12, 2016, a Final Partial Award (FPA) was pronounced by the Tribunal in the arbitration matter between RIL, BGEPIL and Union of India. However, details of proceedings in this regard are not known to the Company since the Company is not a party to this arbitration. Directorate General of Hydrocarbons (DGH), vide letter dated May 25, 2017 marked to all Joint Venture Partners (RIL, BGEPIL & the Company) has asked for payment of differential GOI share of Profit Petroleum and Royalty alleged to be payable by contractor pursuant to Governments interpretation of the FPA (40% share of the Company amounting to US\$ 1,574.76 million equivalent to ₹ 10,223 Crore including interest upto November 30, 2016). However, in response to letter dated May 25, 2017 of DGH, RIL and BGEPIL the JV partners (with a copy marked to all Joint Venture Partners) had stated that demand of DGH is premature as the FPA does not make any money award in favour of GOI as quantification of liabilities are to be determined during the final proceedings of the arbitration and the same has been challenged before the English Commercial Court.

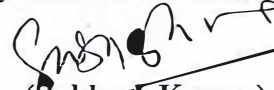

Further, subsequent to London High Court Orders dated April 16, 2018 and May 2, 2018, DGH vide letter dated May 4, 2018 and May 15, 2018 has asked for re-casting of accounts of the JV and for remitting the respective PI share of balance dues including interest till the date of remittance. Details of proceedings thereof and the London High Court orders are not known to the company since the company is not a party to the arbitration. In response to the letter of DGH, RIL & BGEPIL have responded (with a copy marked to all Joint Venture Partners) that FPA of October 2016 does not make any money award in favour of the Government. Further it has also been stated by RIL & BGEPIL that the English Court has upheld challenge 4 of the claimants (RIL & BGEPIL) in relation to "Agreement Case" and held that there had been a serious irregularity in the Award of the Tribunal. Further in the court order of May 2, 2018, the English Court has directed the Tribunal to re-consider the "Agreement Case" and issue a fresh award within three months of that date. The "Agreement Case" is closely linked with the Cost recovery limit (CRL) increase application filed by the contractor with the Management Committee and Tribunals re-consideration of this issue necessarily impacts the re-computation of accounts. Re-computation of accounts and consequential determination of any amount due and payable by the contractor (Constituents of the JV including the company) are to be determined during the final stage of the arbitration proceedings after determination of all substantive issues by the Tribunal (including any application for an increase in the Tapti and Panna Mukta CRL and an award on the Agreement Case). The Company has also responded to DGH that as of now, neither the Arbitral Tribunal nor the Court has passed any order or quantified any amount due and payable by the Company. In the circumstances, the demand of DGH from the Company for any sum or interest thereon is premature and not justified. The company has requested DGH to keep the issue in abeyance till finality in the award is achieved.

Pending the final quantification of liabilities by the Arbitration Tribunal, no provision for the same has been considered necessary. However, the same has been considered as contingent liability.

6. During the year, the Company has received show-cause notices at various work centers on account of service tax along with interest and penalty, on royalty on Crude oil and Natural gas levied under Oil Field (Regulation & Development) Act, 1948. The Company has worked out service tax (including interest) of ₹ 1,983 Crore for the period from April 1, 2016 to June 30, 2017. Further, the Company has worked out GST (including interest) of ₹ 1,432 Crore for the period from July 1, 2017 to March 31, 2018. Penalty in respect of the same is not quantifiable. Based on legal opinion obtained by the Company, Service Tax / GST on royalty is not applicable. The Company is contesting the same at appropriate authorities and accordingly the same has been shown as contingent liability. However, as an abundant caution, the company has deposited Service tax, GST and interest under protest in May, 2018 amounting to ₹ 2,515 Crore.
7. Exceptional items for the current year is on account write back of impairment of ₹ 274 Crore (previous year impairment provision of ₹ 1,006 crore) in respect of CGU's of ONGC Videsh Limited. This was partially offset by ₹ 26 Crore on account of sharing of terminal charges collected from oil marketing companies on cross country dispatch retrospectively from financial year 2003-04 in respect of Mangalore Refinery and Petrochemicals Limited.
8. The Board of Directors has recommended a final dividend of ₹ 1.35 per share (27%) which works out to ₹ 1,732 Crore over and above the interim dividend of ₹ 5.25 per share (105%) in two phases (₹ 3.00 and ₹ 2.25 per share).
9. The Financial Results have been audited by the Statutory Auditors as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements), Regulation, 2015. The Statutory Auditors have issued unmodified opinion on the Consolidated Financial Results for the year ended March 31, 2018.
10. Previous year's figures have been restated and regrouped, wherever necessary, to conform to current year's grouping.
