- The Company has only one operating segment, which is integrated air and ground transportation and distribution. All assets of the Company are domiciled in India and the Company earns its entire revenue from its operations in India.
- The standalone results for the quarter ended March 31, 2019 are the balancing figures between audited figures in respect of the full financial year ended March 31, 2019 and the unaudited published year to date figures up to December 31, 2018.
