Dear Sir / Madam,

Subject: Disclosure of information pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

We are pleased to inform you that the Company has indigenously successfully developed (for the first time in India) Heavy Walled Stainless Steel Tubular product for supplies as per International Standards for critical applications in high pressure and high temperature services in Refineries, etc. Our products will substitute imported products and save valuable foreign exchange for the country. Post development of this product, which has been accepted by leading consultants, Engineering Procurement Companies (EPC), the Company has received a high value order for supplies to Public Sector Refinery through a leading EPC contractor.

The Company has received the said order in normal course of business. The said transaction is not falling under related party transactions and is done at arm's length basis.

The above is in compliance with Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and the Company's Code of Practices and Procedure for Fair Disclosure of Unpublished Price Sensitive Information.

Kindly take note of the above.

Thanking you,

Yours faithfully,
