- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for qualified conclusion

4. We draw your attention to Note No. 4 to the statement of Unaudited Financial Results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of Rs. 421.39 Lakhs during the current quarter and of Rs. 837.84 Lakhs for the half year ended September 30, 2023 and accumulated losses aggregate to Rs. 13,781.78 Lakhs as of September 30, 2023. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and as such there appears to be material uncertainties whether the company would be able to continue as a going concern. In the absence of Board approved business plans and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Emphasis of Matter:

5. We draw attention to Note No. 5 to the statement of Unaudited Financial Results which states that there was a delay in the submission of results of the Company for quarter and half year ended September 30, 2023 due to delay in filing of results for the quarter and financial year ended March 31, 2023 and quarter ended June 30, 2023. This also resulted in attracting the consequential penalty under SEBI Regulations and shifting of the scrip of the Company by stock exchange in Z group (non-compliant companies), freezing the shareholding of the promoters and suspension of trading in the shares of the Company on the stock exchange.

Our conclusion is not modified in respect of the above matter.

Qualified conclusion:

6. Based on our review conducted as above, except for the effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying statement, of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS 34 specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters:

7. The figures for quarter and half year ended September 30, 2022 have been considered from the qualified review report issued by the erstwhile auditors, Price Waterhouse Chartered Accountants LLP vide their report dated December 22, 2022, in terms of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

Our conclusion is not modified in respect of the above matter.

	i) Management's estimation on the impact of qualified conclusion:			
	During the quarter and half year ended on September 30, 2023 the Company incurred a loss of Rs. 421.39 Lakhs and 837.84 lakhs respectively. The accumulated losses of the Company as at September 30, 2023 are Rs. 13,781.78 Lakhs. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders.			
a series and the series of the	However, the Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company and as a September 30, 2023, the Company has received a support letter from Sharp Corporation, Japan for financial and operational support until September 30, 2024.			
	Based on this continued support from the holding company, and the fact that the Company has entered into (i) Basic Services Agreement between Sharp Corporation and Sharp India Limited dated 3rd June 2021; (ii) Service Agreement between Sharp Business Systems (India) Private Limited and Sharp India Limited dated 1st June 2021 the management is of the opinion that the Company will be able to continue as a going concern.			
	Nevertheless, the recognition and measurement of assets (except freehold land) has been considered at lower of their carrying value or net realizable value and in the opinion of the management, no further adjustments would be required if going concern assumption is not considered as appropriate. Further during the period 2021-22 Sharp Corporation, promoter and holding Company has attempted to acquire public shareholding and consequently voluntarily delist from stock exchange. The resolution put up for shareholder approval through postal ballot resolution was not carried out with requisite majority as declared in its voting result 28 th October 2021.
