To

The Members**Gee Limited**

Regd. Office: Plot E-1, Road No. 7,

Wagle Industrial Estate,

Thane-400 604.

Maharashtra, India.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Gee Limited (hereinafter called the Company). In light of ongoing COVID-19 pandemic situation, due to limitations of physical verifications of various records, the Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on my said verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2023 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place, to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

Annexure V : CORPORATE GOVERNANCE REPORT

Corporate governance is the combination of rules, processes or laws by which businesses are operated, regulated or controlled. The term encompasses the internal and external factors that affect the interests of a company's stakeholders, including shareholders, customers, suppliers, government regulators and management. It essentially involves balancing the interests of a company's many stakeholders, such as shareholders, senior management executives, customers, suppliers, financiers, the government, and the community.

In compliance with Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as amended from time to time, the Company submits the Corporate Governance Report for the year ended March 31, 2023.

1. Company's philosophy on Corporate Governance:

GEE Limited strongly believes conducting the business with all integrity and fairness, being transparent with regard to all transactions, making all the necessary disclosures and decisions, complying with all the laws of the land, accountability and responsibility towards the stakeholders and commitment to conducting business in an ethical manner. The Board of Directors of GEE Limited firmly ruminates that the purpose of Corporate Governance is to facilitate effective, entrepreneurial and prudent management that can deliver the long-term success of the Company.

The Company's overall governance framework, systems and processes reflect and support its Mission, Vision and Values. Corporate Governance is a mere legal obligation. Effective Corporate Governance is about creating long-term sustainable value for its stakeholders. Your Company continues to embrace the best practices of Corporate Governance and also continuously reviews them. A company which is proactively compliant with the law and which adds value to it through the Corporate Governance initiatives would also command a higher value in the eyes of present and prospective shareholders.

Hence, GEE Limited is of the opinion that Corporate Governance is not an end in itself but is a catalyst in the process towards maximization of shareholder value. Therefore, shareholder value, as an objective, is woven into all aspects of Corporate Governance – the underlying philosophy, the development of roles and the creation of structures and continuous compliance with standard practices.

2. Board of Directors:

Your Company's Board is a professionally managed Board, consisting of 10 (Ten) Directors in all, categorized as under:

1. Composition of Board of Directors:

The Board has an optimum combination of Executive and Non-Executive Directors including Independent Directors in compliance with the provisions of the Companies Act, 2013 ('the Act') and SEBI Listing Regulations. MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

I. INDUSTRY STRUCTURE & DEVELOPMENTS:

The Financial Year Under review witnessed the company achieve good growth in profitability.

The future of welding holds great promise, as methods are devised for joining dissimilar and non-metallic materials and for creating products of innovative shapes & designs. In the context of the above, the Company continued to maintain its position as a leading player in the domestic welding industry. The Company's geographical reach within the Country, strong financial profile & benefits derived from being part of a group which has wide presence across the globe helped deliver a strong performance in an extremely difficult economic environment.

II. OUTLOOK, OPPORTUNITIES & THREATS

Threats:

Without any exceptions, all key segments addressed have been affected by the COVID-19 pandemic and there are serious concerns over the outlook for the financial year. The current view is that the impact will be felt over quite a few quarters.

- While steel output prices turned soft, inputs continued to be costlier for domestic production. There are likely to be pressure on the margins in future.
- Trade tensions between the countries have led to slow geographical growth; new markets have to be explored for capacity utilization. India and China tension has added to the scarcity of raw material and logistic problems.
- COVID-19 pandemic has disrupted supplies, demand, human resource and created uncertainty to industrial growth.

Opportunities:

The Indian steel industry has a good chance to seize the opportunity as the steel mills are gearing up for an increase in demand from overseas buyers as the pandemic has choked the supplies from China. The movement at Chinese Port is blocked; supply gap will emerge in south east countries, which is a big market for China. India per Capita Steel Consumption is 77 Kg. as compared world average of 250 Kg. So, we have an opportunity gap to release. National Steel Policy 2017 states that India's objective is to increase the per Capita Steel Consumption from 60 Kg. to 160 Kg. by 2030-31, this in turn would have 300ton capacity. These initiatives to stimulate demand and expectations of reduction in interest rates in the medium term are factors that could help.

III. FINANCIAL PERFORMANCE AND OPERATIONAL PERFORMANCE:

The company's revenue was at approx. INR 154.94 crores. This was due to better product mix and lower steel prices in the second half of 2022-23.

The company focused on maintaining a healthy balance sheet by reducing its debt exposure and managing operations with a reasonable working capital cycle.

We stayed focussed on innovating, investing in our brands, expanding Multi channel presence. Brand and customer remained a key focus area during the year with significantly higher advertising and sales promotion expenditure vs Fy22.

Sales Promotion expenses as company had planned to organise sales promotion exercise and dealers meet in the month of April 2022 for three days for business purposes to meet & discuss the strategies of increasing sales to multifold.

The proposal of the sales meet has been approved at meeting of the board of director of the Gee Limited held at Plot No E 1 Road No 7 Wagle Industrial Estate Thane 400 604 on 9th February, 2022 at 11.00 A M

The Board Consider the same .Up on on Motion duly passed and seconded ,it was

"RESOLVED THAT the Budget placed before the Board in Annexures and initialed by the chairperson for the purpose of identification on expenses to be incurred for the Sales Conference & Dealers Meet with regard to business purpose to meet for the purpose of increasing Sales to Multifold be and is hereby approved."

"FURTHER RESOLVED THAT all the Directors, Accounts Team, Sales Team & Technical Team will be accompanying and all the programs will be Coordinated by Event Manager, of Repute, Anand Limited and Conference will be of 300 Persons and all the expenses incurred will be reimbursed from the funds of the company as shown in the aforesaid Budget statement.

IV. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY.

Internal checks and controls covering operations of the Company are in place and are constantly being improved upon. Adequate system exists to safeguard company's assets through insurance on reinstatement basis and maintenance of proper records. The company has well defined procedures to execute financial transactions

V. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES INCLUDING NUMBER OF PEOPLE EMPLOYED.

Your Company continued to have healthy employee relation in all of its establishments throughout the year. Need based training and programmes were organised for employees that include functional/ technical skills as also soft skills
Number of permanent employees: 350

VI. DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS:

There has been no significant change in key financial ratios of the Company

VII. DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR:

Due to stiff economic conditions and also due to the onset of the Corona virus in the month of March, there has been fall in the return on networth. However change is not significantly affecting the Company. The Board will endeavour to achieve its targets, in tandem with creating a safe, healthy and secure working environment.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of GEE Limited

Report on the Indian Accounting Standard ("Ind AS") Financial Statements for the year ended 31st March, 2023

OPINION

We have audited the financial statements of GEE Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements

EMPHASIS OF MATTER

We draw your attention to Note No. 53.12 of the financial statement which states that the balance in trade receivables, trade payable, other receivables, Loans & advances & deposits are subject to confirmation and reconciliation. The management, however does not expect any material changes on account of confirmation/reconciliation.

Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Disputed excise duty matter – Rs. 2.07 Crores</p> <p>The Company had imported certain materials in the year 2008-09 where the excise authorities had demanded Rs. 4.02 Crores. Under the instructions from excise authorities the Company reversed under protest Rs. 3.09 Crores CENVAT credit availed during 2008-09. Thereafter the company filed an appeal with CESTAT claiming refund of Rs. 2.07 Crores. The appeal has been finally heard in January 2019. Based on legal and subject matter expert views, the company expects considerable amount as relief in the above appeal case with CESTAT. The Assistant registrar CESATAT Mumbai has allowed the appeal in company favour via order dated 18.10.2022 subsequently revenue has filed an appeal to higher forum. 2	<p>The company's scrutiny assessment for assessment year 2016-17 was completed in December 2018 and DCIT has raised tax demand of Rs. 70.96 lakhs against which the company has filed an appeal with CIT Appeals -1, Thane on 14th January, 2019. The DCIT has disallowed the company's claim in respect of long term capital gain from sale of flat (property held for sale in books of accounts). The tax department's contention is that the period of capital gain is to be calculated from the date of registration of purchase agreement of the flat and not from the date of allotment letter given by the builder. The company's tax consultant has opined that there are several precedents confirming the company's claim and that they can expect a favourable outcome in this appeal matter. Information Other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibility of Management and those charged with governance for the Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes responsible the maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GEE Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (IFCOFR) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

2. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over Financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- i. a) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
- A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipmen
B. The Company has maintained proper records showing full particulars of intangible assets.
- b) The Company has a regular programme for physical verification in phased periodic manner, which, in our opinion, is reasonable having regards to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such physical verification.
- c) All the title deeds of immovable properties disclosed in the financial statements, are held in the name of the Company.
- d) According to the information and explanation given to us, the Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year. Accordingly, the requirements under paragraph 3(i)(d) of the Order are not applicable to the Company.
- e) According to the information and explanation given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedures of such verification by Management is reasonably appropriate and no material discrepancies were noticed on such physical verification.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, working capital limits above Rs. 5 Crores has been sanctioned to the Company by the HDFC Bank Ltd., ICICI Bank, DBS Bank & Yes Bank on the basis of security of all current assets and collateral security (First Paripassu charges on Industrial Property situated at Mouza Kandua, Howrah & Plot in Kalyan Bhiwandi Industrial Area, MIDC). The differences in the quarterly returns or statements filed by the company with Banks and the books of accounts of the Company are detailed below:

Quarter	Amount as per book of account	Amount as reported in the quarterly return / statement	Amount of difference
Q -1 June, 2022	77,05,45,717	81,36,58,634	(4,31,12,917)
Q - 2 September, 2022	81,79,43,383	85,28,15,177	(3,48,71,794)
Q - 3 December, 2022	80,75,63,306	83,15,70,650	(2,40,07,344)
Q - 4 March, 2023	87,22,94,653	77,11,79,414	10,11,15,239

The reason for difference is that the Statement of inventory submitted to the bank are before finalization of quarterly accounts.

b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. And hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. According to the information and explanations given to us:
a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.
b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.
c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.
d) Based on the information and explanations provided by the management of the Company, the Group has no CIC as part of the Group.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. The existing Statutory Auditor of Company M/s Singhi & Co. has resigned during the year. We have taken into consideration the issues, objections or concerns raised by the outgoing auditors properly.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
b) There are no unspent amounts under sub-section (5) of section 135 of Companies Act, pursuant to any ongoing projects requiring a transfer to Special Account in compliance with the provisions of sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.
- xxi. There have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements.

The manufacturing activities are located in Maharashtra and West Bengal. It caters to local as well as export market.

The registered office of the Company is Plot No.E-1, Road No.7, Wagle Industrial Estate, Thane (West) – 400604.

B. BASIS OF PREPARATION & PRESENTATION OF FINANCIAL STATEMENT**i. STATEMENT OF COMPLIANCE:**

The financial statements of the company are prepared in accordance with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The Board of Directors have approved the financial statements for the year ended 31st March, 2023 and authorised for issue on 25th November, 2023.

ii. BASIS OF MEASUREMENT

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

- Certain Financial Assets and Liabilities is measured at Fair value/ Amortized cost (refer accounting policy regarding financial instruments);
- Defined Benefit Plans – Plan assets measured at fair value.

iii. FUNCTIONAL AND PRESENTATION CURRENCY

The Financial Statements are presented in Indian Rupee (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs (with two places of decimal) as per the requirements of Schedule III, unless otherwise stated.

iv. USE OF ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with Ind AS requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

v. PRESENTATION OF FINANCIAL STATEMENTS

The Balance Sheet, the Statement of Profit and Loss and the Statement of change in equity are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash flows”. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Indian Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

vi. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

vii. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

viii. RECENT ACCOUNTING DEVELOPMENTS

(A) The Company has adopted, with effect from 01 April 2022, the following new and revised standards, and interpretations. Their adoption has not had any impact on the amounts reported in the financial statements.

1. Amendment to Ind AS 37 regarding costs that an entity needs to include when assessing whether a contract is onerous or loss-making.
2. Amendment to Ind AS 109 Financial Instrument regarding inclusion of fees in the '10 per cent' test for derecognition of financial liabilities.
3. Amendment to Ind AS 103 Business Combination, Reference to the Conceptual Framework for Financial Reporting.

(B) Standards notified but not yet effective

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023, effective from 01 April 2023, resulting in certain amendments as mentioned below:

1. Ind AS 1 Presentation of financial statements: The amendment requires disclosure of material accounting policies rather than significant accounting policies;
2. Ind AS 12 Income Taxes: The amendment clarifies application of initial recognition exemption to transactions such as leases and decommissioning obligations;
3. Ind AS 8 Accounting Policies, Change in Accounting Estimates and Errors: The amendment replaces definition of 'change in accounting estimates' with the definition of 'accounting estimates'

These amendments are not expected to have any impact in the financial statements of the Company.

C SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

I. INVENTORIES

Raw material, packing material, work in process, stores, tools and dies and finished goods are valued at cost or net realisable value, whichever is lower.

Cost of raw material, packing material and stores, tools and dies comprises of cost of purchases. Cost of work in process and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on first-in-first-out basis. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

ii. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents include cash in hand, demand deposits with banks and financial institutions and other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

iii. INCOMETAX

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with prevailing income tax law.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the time of reporting.

Current taxes are recognized in statement of profit or loss, except when they relate to items recognized in other comprehensive income or equity, in which case the tax is recognized in other comprehensive income or equity. Income tax assets and liabilities are presented separately in the Balance Sheet except where there is a right of set-off within fiscal jurisdictions and an intention to settle such balances on a net basis.

Deferred taxes

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Balance Sheet at the reporting date.

Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date and are expected to apply in the year when the related deferred tax asset is expected to realise or the deferred tax liability is expected to settle.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are set off if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

iv. FOREIGN CURRENCY TRANSACTIONS

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupees (INR) currency, which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Realised gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss. Foreign currency denominated monetary assets and liabilities at the year-end are translated at the year-end exchange rates, and the resultant exchange difference is recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost

v. PROPERTY, PLANT AND EQUIPMENT

Freehold Land is carried at historical cost. All other items of property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment losses. The cost comprises of the purchase price or construction cost (including non-creditable/non-refundable taxes), any costs directly attributable to bringing the property, plant and equipment into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. The purchase price or construction cost is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent expenditures related to an item of property, plant and equipment are added to its gross book value or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in the year in which the asset is derecognized.

Depreciation method, estimated useful life and residual value

Depreciation on property, plant and equipment is provided using the Straight-Line Method (SLM) so as to expense the cost less residual values over their estimated useful lives as prescribed under Part C of Schedule II to the Companies Act, 2013 except in case of following assets, wherein based on internal assessment and technical evaluation a different useful life has been determined:

- Depreciation of leasehold land is provided using straight line method over the remaining period of lease of land.

Property, plant and equipment which are added or disposed of during the year, depreciation is provided on pro-rata basis.

In line with the provisions of Schedule II of the Companies Act 2013, the Company depreciates significant components having different useful lives as compared to the main asset, based on the individual useful life of the components. Useful life for such components is assessed based on the historical experience and internal technical inputs.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss with other gains/losses.

vi. Intangible assets

Intangible assets comprise of computer software and is stated at acquisition cost, net of accumulated amortization and accumulated impairment loss, if any.

Amortization

Intangible assets are amortised over the useful life of assets, not exceeding 10 years.

Computer Software is amortised over a period of three years.

The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

vii. Impairment of assets

All assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). Non-financial assets that suffered impairment earlier are reviewed for possible reversal of the impairment at the end of each reporting period.

viii. INVESTMENT PROPERTY

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and wherever applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

ix. TRADE RECEIVABLES

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost net of any expected credit losses, if any.

x. ASSETS HELD FOR SALE

Assets are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. A sale is considered highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification. They are measured at the lower of their carrying amount and fair value less costs to sell except for assets such as deferred tax assets, assets arising from employee benefits financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement. An impairment loss is recognized for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of derecognition.

Assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of assets held for sale continue to be recognized.

Assets classified as held for sale are presented separately from the other assets in the balance sheet under "Other Current Assets." The liabilities for assets held for sale are presented separately from other liabilities in the balance sheet.

xi. FINANCIAL ASSETS

Initial recognition and measurement

All financial assets are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, except in the case of financial assets not recorded at fair value through profit or loss. Transaction costs of financial assets carried at fair value through profit or loss are expensed through the Statement of Profit and Loss.

Classification and Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- o Measured at Amortized Cost;
- o Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- o Measured at Fair Value Through Profit or Loss (FVTPL); and
- o Equity Instruments designated at Fair Value through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- o **Measured at Amortized Cost:** A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss. The losses arising from impairment are recognized in the profit or loss.

This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company.

- o **Measured at FVTOCI:** A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- o **Measured at FVTPL:** FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. Equity instruments which are held for trading are classified as at FVTPL.
- o **Equity Instruments designated at FVTOCI:** For equity instruments, which has not been classified as FVTPL as above, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

Derecognition:

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

Impairment of Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

xii. FINANCIAL LIABILITIES

Classification as liability or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit or loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

xiii. BORROWINGS

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss or other gains/losses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

xiv. BORROWING COSTS

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

xv. TRADE AND OTHER PAYABLES

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

xvi. PROVISIONS

Provisions for legal claims, warranties, discounts and returns are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

xvii. CONTINGENT LIABILITY

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

xviii. CONTINGENT ASSETS

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

xix. REVENUE RECOGNITION**Sale of goods**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is reduced for customer discounts, rebates granted, other similar allowances, goods and services tax (GST) and duties collected on behalf of third parties.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

A refund liability is recognized for expected returns in relation to sales made corresponding assets are recognized for the products expected to be returned.

In respect of sale of goods and services where the company participates in tenders, the control of the goods is transferred on dispatch and revenue is recognized in accordance with the terms of the tender. For contracts accepted through tendering process and where separate warranty terms are prescribed, these obligations are not deemed to be separate performance obligations and therefore estimated and included in the total costs of the products. Where required, amounts are recognized separately accordingly in line with IND AS 37 – Provisions, Contingent Liabilities and Contingent Assets.

Export benefit duty drawback

Incomes in respect of duty drawback in respect of exports made during the year are accounted on accrual basis

Interest and dividend income

Interest income is recognized in statement of profit and loss using effective interest method. Dividend income is recognized when the Company's right to receive dividend is established.

Claims

Insurance claims are accounted on acceptance basis. All other claims/entitlements are accounted on the merits of each case or on realization.

xx. RETIREMENT AND OTHER EMPLOYEE BENEFITS**Short term employee benefits**

Liabilities for salaries, wages and performance incentives including non- monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the Balance Sheet.

Long term employee benefits

Defined contribution plans

The Company has Defined Contribution Plans for its employees such as Provident Fund, Employee's State Insurance, etc. and contribution to these plans are charged to the Statement of Profit and Loss as incurred, as the Company has no further obligation beyond making the contributions.

Defined benefit plans

Gratuity: The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

xxi. LEASES

Company as a lessee

The Company's lease asset classes primarily consist of leases for Land. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Company as a lessor

Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

xxii. OFFSETTING FINANCIAL INSTRUMENTS

Financial assets and liabilities are offset and the net amount reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

xxiii. EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of diluted potential equity shares.

xxiv. SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director and Finance Director of the Company.

The Company is engaged in the business of manufacturing welding consumables, copper coated wires, flux cored wires and welding fluxes and is organizationally managed in two units – one in Maharashtra and one in West Bengal. The Company's business comprises of only one segment. It has customers in India as well as outside India. Thus, the Company has only one business segment but different geographical reporting segment i.e., Domestic and International.

xxv. DIVIDEND TO EQUITY SHAREHOLDERS

Dividend to equity shareholders is recognized as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

xxvi. STATEMENT OF CASH FLOWS

Cash flows are reported using the indirect method whereby profit/loss is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xxvii. CONTRIBUTED EQUITY

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about Significant judgments and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgment is required in assessing the impact of any legal or economic limits.
- **Classification of Leases:** The Company has exercised judgement in determining the lease term as the noncancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised. Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation."
- **Defined Benefit Obligation (DBO):** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- **Provisions and Contingencies:** The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgment by management regarding the probability of exposure to potential loss.

- **Impairment of Financial Assets:** The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- **Allowances for Doubtful Debts:** The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- **Fair value measurement of financial Instruments:** When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgments' is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility.

43 DISCLOSURE PURSUANT TO INDIAN ACCOUNTING STANDARD - 19 'EMPLOYEE BENEFITS' AS NOTIFIED U/S 133 OF THE COMPANIES ACT, 2013 READ WITH RULE 7 OF COMPANIES (ACCOUNTS) RULES, 2014.

43.1 Defined Contribution Plan:

43.1.1 Provident Fund & Employee's State Insurance Contribution

Provident Fund as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952.

Employee State Insurance contribution as per the provisions of the Employees State Insurance Act, 1948.

43.1.2 The amount recognized as an expense for the Defined Contribution Plans are as under:

SL. No.	Particulars	As at 31 March 2023	As at 31 March 2022
I	Provident Fund	72.06	67.58
II	Employee State Insurance contribution	14.57	12.80

43.2 Defined Benefit Plan:

The following are the types of defined benefit plans

43.2.1 Gratuity Plan

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of the Payment of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date.

43.2.2 Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

INTEREST RATE RISK	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
SALARY INFLATION RISK	Higher than expected increases in salary will increase the defined benefit obligation
DEMOGRAPHIC RISK	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

43.2.3 Reconciliation of the net defined benefit (asset)/ liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/ liability and its components:

Particulars	Gratuity	
	2022 - 23	2021 - 22

43.2.7 Major Categories of Plan Assets

Particulars	Gratuity	
	2022 - 23	2021 - 22
Qualified Insurance Policy	0%	0%

The Gratuity Scheme is invested in a New Group Gratuity Cash Accumulation Plan Policy offered by Life Insurance Corporation (LIC). The information on the allocation of the fund into major asset classes and expected return on each major class are not readily available. The expected rate of return on plan assets is based on market expectations, at the beginning of the period, for returns over the entire life of the related obligation.

43.2.8 Asset-Liability Matching Strategy

The Company's investment are being managed by Life Insurance Company and at the year end interest is being credited to the fund value. The company has not changed the process used to manage its risk from previous periods. The Company's investment are fully secured and would be sufficient to cover its obligations.

49.2.9 Actuarial Assumptions

Particulars	Gratuity	
	2022 - 23	2021 - 22
Financial Assumptions		
Discount Rate	7.46%	6.96%

Attrition rate	5%	5%

43.2.10 The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

43.2.11 At 31st March 2023 the weighted average duration of the defined benefit obligation was 9 years (previous year 10 years). The distribution of the timing of benefits payment i.e., the maturity analysis of the benefit payments is as follows:

Expected benefits payment for the year ending on	Gratuity
31st March 2024	42.71
31st March 2025	30.87
31st March 2026	16.72
31st March 2027	15.98
31st March 2028 to 31st March 2032	273.64

43.2.12 Sensitivity Analysis

The sensitivity analysis below have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	Gratuity	
	2022 - 23	2021 - 22
Effect on DBO due to 1% increase in Discount Rate	(11.54)	(11.63)
Effect on DBO due to 1% decrease in Discount Rate	13.06	13.24
Effect on DBO due to 1% increase in Salary Escalation Rate	10.58	10.57
Effect on DBO due to 1% decrease in Salary Escalation Rate	(9.67)	(9.87)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

48.2 The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, current borrowings, current loans and other financial assets & liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

48.3 The management considers that the carrying amounts of Financial assets and Financial liabilities recognised at nominal cost/amortised cost in the Financial statements approximate their fair values.

48.4 Non current borrowings has been contracted at floating rates of interest, which are reset at short intervals. Fair value of floating interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost.

49 FAIR VALUE HIERARCHY

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement". An explanation of each level follows underneath the table.

49.1 Assets and Liabilities measured at Fair Value - recurring fair value measurements

	31 March 2023			31 March 2022

Financial Liability						
Financial Guarantee	-	-	-	-	-	-
Total Financial Liability	-	-	-	-	-	-

Note:

No financial guarantee was outstanding as on 31st March, 2023

49.1.1 During the year ended March 31, 2023 and March 31, 2022, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

49.2 Explanation to the Fair Value hierarchy

The Company measures Financial instruments, such as, unquoted investments and mutual funds/bonds at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The valuation of unquoted shares have been made based on level 3 inputs as per the hierarchy mentioned in the Accounting Policies. The valuation of unquoted equity instrument have been valued based on the valuation technique applicable. The valuation of mutual funds/bonds have been valued at the market value as at balance sheet date.

50 FINANCIAL RISK MANAGEMENT

Financial management of the Company has been receiving attention of the top management of the Company. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is laid on liquidity and working capital management with a view to reduce over-dependence on borrowings and reduction in interest cost. Various kinds of financial risks and their mitigation plans are as follows:

50.1 Credit Risk

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit duration for customers on continuous basis. Further, in order to manage the credit risk, the security deposits are obtained from customers where ever considered necessary.

On account of adoption of Ind AS 109, the Company uses an expected credit loss model to assess the impairment loss. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables.

50.2 Liquidity Risk

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawing up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for funding from banks and inter corporate and adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in certain fixed deposits which provides flexibility to liquidate.

50.2.1 Maturity Analysis for financial liabilities

A) The following are the remaining contractual maturities of financial liabilities as at 31st March 2023

Particulars	Within 1 year	More than 1 year	Total
Borrowings	7543.62	1172.56	8719.19

Other financial liabilities on demand	240.28	-	240.28
Total	8828.70	1234.71	10063.42

* represents actual unamortised contractual cash outflows.

C) The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

50.3 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of Foreign Exchange Risk and Interest Rate Risk.

50.3.1 Foreign Exchange Risk

"The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's Financial Assets and Financial Liability towards Trade receivables and Trade Payables denominated in foreign currency. In view of low proportion of export and import, as compared to the overall operations, the exposure of the Company to foreign exchange risk is insignificant and thus Company does not enter into any derivative financial contracts."

(a) Unhedged Foreign Currency exposure

The Company's exposure to foreign currency at the end of the reporting period expressed in INR is as follows

Particulars	As at 31 March 2023	As at 31 March 2022

50.3.2 Interest Rate Risk

"Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates. The company's exposure to the risk of changes in market interest rate relates primarily to company's borrowing with floating interest rates.

The Company's main interest rate risk arises from long-term borrowings and short term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During March 31, 2023 and March 31, 2022, the Company's borrowings at variable rate were denominated in Indian Rupee (INR)."

A) Exposure to interest rate risk

Particulars	As at 31 March 2023	As at 31 March 2022
Variable rate borrowings	8716.19	7694.60
TOTAL	8716.19	7694.60

B) Sensitivity Analysis

Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates. This analysis assumes that all other variables, in particular exchange rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	Sensitivity Analysis	As at 31 March 2023	As at 31 March 2022
