Auditor's Report on Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015

To,
The Board of Directors of
Western Ministil Limited

- We have audited the accompanying Statement of Financial Results of Western Ministil Limited ("the Company") for the quarter and year ended March 31, 2019 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation'), read with the SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 ('the Circular'). The financial results for the quarter and year ended March 31, 2019 have been prepared on the basis of financial results for the nine month period ended December 31, 2018, the audited annual financial statement as at and for the year ended March 31, 2019, and the relevant requirements of the Regulation and the Circular, which are the responsibility of Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these financial results based on our review of the financial results for the nine months period ended December 31, 2018 which was prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34 Interim Financial Reporting specified under Section 133 of the Companies Act 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India; our audit of the annual financial statements as at and for the year ended March 31, 2019; and relevant requirements of the Regulation and the Circular.
- We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed in financial results. An audit also includes assessing the accounting principles used and significant estimates made by the management. We believe that our audit provides a reasonable basis for our opinion.

3. Our Observations:

a) The Company has not made provision for interest on short term borrowing from a related party from April 1, 2001 till March 31, 2019. As a consequence, loss for the quarter is understated by Rs.2.87 lakhs and accumulated losses under Other Equity and Other Current Financial Liabilities is

understated by Rs.206.40 lakhs as at March 31, 2019(understated by Rs. 203.53 lakhs as at December 31, 2018).

- b) The Management has prepared the financial results on a going concern basis, notwithstanding the fact that the Company is facing financial difficulties and accumulated losses of the Company as at the year- end exceeds its paid up share capital and free reserves, indicating uncertainty that cast significant doubt on the Company's ability to continue as a going concern. As a consequence, we are unable to comment upon the resultant impact on the assets, liabilities and loss for the year ended March 31, 2019.
- 4. In our opinion and to the best of our information and according to the explanations given to us, these quarterly financial results as well as the year to date results:
 - (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016; and
 - (ii) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the loss including other comprehensive income and other financial information of the Company for the quarter and year ended March 31, 2019.
- 5. Further, read with paragraph 1 above, we report that the figures for the quarter ended March 31, 2019 represent the derived figures between the audited figures in respect of the financial year ended March 31, 2019 and the published year to date figures up to December 31, 2018, being the date of the end of the third quarter of the current financial year, which were subject to limited review, as required under the Regulation and the Circular.
