Dear Sir/Madam,

Sub: Information about the successful completion of USFDA inspection at JSTL under Regulation 30 of SEBI (LODR) Regulations, 2015.

Ref: Scrip Code: 538837, Jeevan Scientific Technology Limited

This is to bring to your kind notice that the United States Food and Drug Administration (USFDA) conducted an inspection of our Bioanalytical Facility, at Manikonda, Hyderabad. The purpose of the inspection was to review the BA/BE studies as well as the operations, systems and procedures. The inspector started the review on 20th February, 2024 and closed on 23rd February, 2024.

We are pleased to inform you that the inspector closed the inspection with **no 483, i.e., no findings**. The inspector concluded that the entire JSTL team is well trained, knowledgeable and experienced with International Regulatory requirements and Good practices, working within an adequately designed infrastructure and that the organization is compliant with all applicable regulations.

This is for your information.

Yours faithfully,

For JEEVAN SCIENTIFIC TECHNOLOGY LIMITED
