Subject: Clarification on the movement of the price of equity shares of the Company.

Dear Sir/Mam,

This is to inform you that we have noticed frequent movement in the price of the Equity Shares of the Company for the past few months, as the price of the shares has now reached a 52-week high.

Such movements in the price of the shares are completely market-driven, which is beyond the control of the Company, also the Company does not know the specific reason for such frequent changes.

In this regard, we may kindly also submit that the Company has intimated/disclosed from time to time, to the exchange, all the events and information including all price-sensitive information, if any, which may have an impact on the share price of the Company as required under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Also, there are no such events, where the information which are/were required to be disclosed to the exchange, are/were not disclosed by the Company.

Further, the Company ensures the exchange that it shall disclose all the requisite information to the exchange/public which is required to be disclosed under the SEBI Listing Regulations, based on the materiality of events.
