Sub: Limited Review of Unaudited Financial Results for the Quarter Ended September 30, 2018

We have reviewed the accompanying Statement of Unaudited Financial Results of M/s. Thiru Arooran Sugars Limited for the Quarter ended September 30, 2018. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern:

1. The Company is facing liquidity issues resulting in instances of default in servicing loan to banks and financial institutions and in discharge of undisputed statutory and other liabilities including payment of salaries to corporate staff leading to adverse working capital position; the company's main business is facing headwinds in the form of lower sales realizations coupled with higher minimum price payable to sugarcane farmers.

2. The Company has guaranteed the term loans, working capital facilities and trade advances granted to associate company, M/s. Shree Ambika Sugars Limited and its subsidiary company, M/s. Terra Energy Limited and these companies are facing some of the issues as stated in the aforesaid para. The lenders have invoked the bank guarantee with respect to trade advances availed by M/s. Shree Ambika Sugars Limited amounting to Rs. 585 crores and have served notice on the Company.

3. The Management of the Company has prepared the standalone financial results on a going concern basis. However, the aforesaid events and conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The appropriateness of assumption of going concern is dependent upon the materialization of various initiatives undertaken by the Company including raising substantial long term capital to make the business economically viable. Our opinion is not modified in respect of this matter.
