Auditor's Report on Quarterly Financial Results and Year to Date Financial Results of The South India Paper Mills Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To The Board of Directors of The South India Paper Mills Limited, Nanjangud.

We have audited the accompanying statement of quarterly and year to date financial results of The South India Paper Mills Limited ("the Company") for the quarter and year ended 31st March 2018, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Regulation"), read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016("the Circular"). The quarterly financial results are the derived figures between the audited figures in respect of the year ended 31st March 2018 and the published year to date figures up to 31st December 2017, being the date of the end of the third quarter of the current financial year, which were subjected to limited review. The financial results for the quarter ended 31st March 2018 and year ended 31st March 2018 have been prepared on the basis of the financial results for the nine months ended 31st December 2017, the audited annual Ind AS financial statements as at and for the year ended 31st March 2018, and the relevant requirements of Regulation and the Circular, which are the responsibility of the Company's management and have been approved by the Board of Directors of the Company in their meeting held on 24th May 2018. Our responsibility is to express an opinion on these financial results based on our review of the financial results, for the nine month period ended 31st December 2017 which was prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", specified under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India; our audit of the annual Ind AS financial statements as at and for the year ended 31st March 2018; and the relevant requirements of Regulation and the Circular.

We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these quarterly and year to date standalone financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular in this regard; and
- (ii) give a true and fair view of the total comprehensive income (comprising of net profit for the quarter and year ended 31st March 2018 and other comprehensive income) and other financial information for the quarter ended 31st March 2018 and for the year ended 31st March 2018.

The comparative financial information of the Company for the corresponding quarter and year ended 31st March 2017 included in these financial results, are based on the previously issued financial results prepared in accordance with the recognition and measurement principles, specified under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally

MURTHY SWAMY & ASSOCIATES LLP

CHARTERED ACCOUNTANTS

accepted in India and audited by the predecessor auditor whose report for the year ended 31st March 2017 dated 25th May 2017 expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

In these financial results, the figures for the Quarter ended 31st March 2018 and the corresponding quarter ended in the previous year are the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the relevant financial year. Also the figures up to the end of the third quarter of the relevant financial year had only been reviewed by us and not subject to audit.
