The Group has investments in Joint Ventures Aussee Oats Milling Private Limited and Aussee Oats India Private Limited (together referred to as 'JV') of Rs. 6,713.81 lakhs including investments, loans, and other assets (As on March 31, 2023 Rs. 6,545.04 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial esults for the quarter and period ended September 30, 2023, as a consequence of non-cooperation of the said JV partners which is a direct contravention of court rulings, the Group i nable to determine the fair value of Group's investments in JV as at September 30, 2023 and consequent impact thereof on the results. However, the Management believe that it wi not have a material impact on the consolidated financial results for the quarter and period ended September 30, 2023.

Note on Qualification in Review Report

The Group has investments in Joint Ventures Aussee Oats Milling Private Limited and Aussee Oats India Private Limited (together referred to as 'JV') of Rs. 6,713.81 lakhs including investments, loans, and other assets (As on March 31, 2023 Rs. 6,545.04 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and period ended September 30, 2023, as a consequence of non-cooperation of the said JV partners which is a direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at September 30, 2023 and consequent impact thereof on the results. However, the Management believe that it wil not have a material impact on the consolidated financial results for the quarter and period ended September 30, 2023.

The above is an extract of the detailed format of Quarter and Year ended Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
