Managing Director

**REPORT ON THE LIMITED REVIEW CARRIED OUT ON THE UNAUDITED FINANCIAL RESULTS OF VBC INDUSTRIES LIMITED, HYDERABAD FOR THE QUARTER ENDED 31st DECEMBER, 2017.**

1. We have reviewed the accompanying statement of unaudited financial results of "VBC Industries Limited, Hyderabad" for the quarter ended 31<sup>st</sup> December, 2017, attached herewith, being submitted by the company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (IND AS 34), prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to express a conclusion on financial statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the standalone financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. The Company has received demands for fuel surcharge adjustment (FSA) from Southern Power Distribution Company of TS Ltd (SPDCL) pursuant to clause 45B of the Andhra Pradesh Electricity Regulatory Commission (Conduct of Business Amendment) Regulations 2003 (FSA Regulations). The levy has been a subject matter of challenge ever since the DISCOMS made their claim in the year 2010 in respect of the period 2008-09 onwards. The challenge with respect to 2008-09 and 2009-10 were initially accepted by a single judge of the Andhra Pradesh High Court and the appeals filed by the DISCOMS with respect to 2008-09 and 2009-10 are currently pending before the Supreme Court and a full bench of the Andhra Pradesh High Court respectively. With respect to the levy for the years 2010-11 to 2012-13 totaling to Rs. 11,37, 88,762/- (including surcharge), the Hon'ble Supreme Court of India has pronounced its judgement on the same in favour of DISCOMS in Civil Appeal No. 5542/2016 dated. 05.07.2016. However, as advised by the senior counsel, the company is pursuing to file a review

application before the Hon'ble Supreme Court of India for the said demand. Pending the resolution of the legal course being pursued by the company of the dispute no provision has been made for the said demand in the books of account.

The Statutory Auditors have also qualified the above matter in their report for the year ended 31<sup>st</sup> March 2017.

5. Southern Power Distribution company of AP Ltd (SPDCL), vide its letter dated 03.08.2016, raised a demand of Rs.7,06,07,759/- towards Surcharge on Deemed Energy Charges for the years from 2003-04 to 2012. However, the Company is disputing the above demand, hence no provision has been made in the books of account. The Company has also received a demand of Rs. 6,17,10,747/- towards load factor shortfall deemed energy charges for the years 2014-15 & 2015-16. The said demand has been disputed by the Company. Hence no provision has been made during the quarter under review.

The Statutory Auditors have also qualified the above matter in their report for the year ended 31<sup>st</sup> March 2017.

6. The company has considered the diminution as temporary in nature as stated in note No 2.34 to the standalone financial statements the value of its investment of Rs 113,13,88,989/- in the equity of Konaseema Gas Power Ltd, whose net-worth has completely been eroded and not in operation for more than three years. The Statutory Auditors have also qualified of the above matter for the year ended 31<sup>st</sup> March, 2017.
7. Though, the company's entire net worth has been completely eroded and has incurred huge cash losses and most of the lenders have initiated coercive steps for recovery of their dues, the books of account are maintained under "going concern concept". We are unable to express an opinion on the same.
8. Based on our review conducted as above, subject to paragraphs 4 to 7 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

9. Other Matter:

We have not reviewed the accompanying financial results and other financial information for the quarter and nine months ended 31<sup>st</sup> December, 2016 which has been presented solely based on the information compiled by the management.
