#### AUDITOR'S REPORT

To,
Board of Directors
Market Creators Limited

Vadodara – 390007

#### Opinion

We have audited the accompanying quarterly financial results ('Statement') of Market Creators Limited ('the Company') for the quarter ended 30 September, 2023 and the year to date results for the period 1 April 2023 to 30 September 2023, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies act, 2013 ("the Act"). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

- . In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:
- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards, and other accounting principles generally accepted in India, of the net profit and other financial information for the quarter ended September 30, 2023 as well as the year to date results for the period from April 01, 2023 to September 30, 2023.

# Management Responsibilities for the Standalone Financial Result

These quarterly financial results as well as year to date financial results have been prepared on the basis of the interim financial statements.

The Company's management and the Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid drive in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act and other Accounting principles generally accepted in India in compliance with Regulation 332 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; Selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor' Responsibilities for the Audit of the Standalone Financial Result

Our objectives are to obtain reasonable assurance about whether the standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these Standalone Financial Results

As part of an audit in accordance with SAs. We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
