- 3. The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of Companies Act, 2013 ('The Act') read with the relevant rule: thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 4. The Board of Directors of the Company has recommended a dividend of 1250% (Rs. 25/- per share of facevalue of Rs. 2) for the financial year ended 31 March 2018.
- 5. The figures for the quarter ended 31 March 2018 and 31 March 2017 are the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures upto third quarter of the respective financial years. Also the figures upto the end of the third quarter were only reviewed and not subjected to audit.
- 6. As per the requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Revenue from sale of goods for the periods upto 30 June 2017 was gross of Excise duty on goods sold. With the implementation of Goods and Services Tax (GST) in India w.e.f 1 July 2017, excise duty has subsumed into GST, and hence Revenue from sale of goods for the period commencing 1 July 2017 does not include excise duty. As a result, the above reported revenue for the quarter and year ended 31 March 2018 are not comparable to the revenue reported in the previous periods. Independent Auditors' Report on Standalone Financial Results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Britannia Industries Limited

We have audited the accompanying annual standalone financial results of Britannia Industries Limited ('the Company') for the year ended 31 March 2018 ('standalone financial results'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in these standalone financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These standalone financial results have been prepared on the basis of the annual standalone financial statements and reviewed quarterly standalone financial results upto the end of the third quarter which are the responsibility of the Company's management. Our responsibility is to express an opinion on these standalone financial results based on our audit of the annual standalone financial statements which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015, prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view of the standalone net profit and other comprehensive income and other financial information for the year ended 31 March 2018.

Independent Auditors' Report on Annual Consolidated Financial Results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Britannia Industries Limited

- 1. We have audited the annual consolidated financial results of Britannia Industries Limited ('the Company') for the year ended 31 March 2018, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in these consolidated financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.
- 2. These annual consolidated financial results have been prepared from annual consolidated financial statements and reviewed quarterly consolidated financial results upto the end of the third quarter which are the responsibility of the Company's management. Our responsibility is to express an opinion on these annual consolidated financial results based on our audit of such annual consolidated financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.
- 3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Independent Auditors' Report on Annual Consolidated Financial Results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (continued)

4. We did not audit the financial statements of four subsidiaries included in the annual consolidated financial results incorporated outside India, whose annual financial statements reflect total assets of INR 468.43 crores as at 31 March 2018 as well as the total revenue of INR 535.88 crores for the year ended 31 March 2018. The financial results of subsidiaries incorporated outside India as drawn up in accordance with the generally accepted accounting principles of the respective countries ('the local GAAP') have been audited by other auditors duly qualified to act as auditors in those countries. The respective statutory audit reports of the other auditors have been furnished to us. For the purpose of preparation of the Statement, the aforesaid local GAAP financial results have been restated by the Management of the said entities so that they conform to the generally accepted accounting principles in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to consolidated financial results under the generally accepted accounting principles in India. Of the above, for two subsidiaries, the reporting packages made for this purpose have been reviewed by the other auditors and limited review reports (on the reporting packages) of the other auditors have been furnished to us. For the other two subsidiaries, the conversion adjustments made by the Company's management have been audited by us. Our opinion on the Statement, in so far as it relates to these entities, are based on the aforesaid audit reports, limited review reports received from the other auditors and the conversion adjustments prepared by the management of the Company and audited by us.

We did not audit the financial statements of three subsidiaries, whose financial results and financial information reflect total assets of INR 256.36 crores as at 31 March 2018 and total revenues of INR Nil for the year ended on that date, as considered in the Statement. The annual consolidated financial results also include the Group's share of net loss (and other comprehensive income) of INR 0.18 crore for the year ended 31 March 2018 in respect of three associates. These financial results and financial information of the aforesaid subsidiaries and associates are unaudited and have been furnished to us by the Management and our opinion on the annual consolidated financial results, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial results and financial information are not material to the Group.

Our opinion below on the Statement is not modified in respect of the above matters with respect to our reliance on the work performed and the reports of the other auditors and the financial results and financial information certified by the Management.

Press Release

Britannia Consolidated Revenue (comparable) grew 13%, Profit from operations increased by 29% & Net

Profit increased by 25% for the quarter

Recommends Dividend of 1250%

Mumbai, May 15th, 2018: Britannia Industries Ltd. (BIL), India's leading Food Company, reported consolidated

(comparable) revenue growth of 13% for the Quarter and 10% for the Year at Rs. 2,510 crores and Rs. 9,830

crores respectively. Profit from Operations increased 29% for the Quarter and 17% for the Year at Rs. 355 crores

and Rs. 1,360 crores respectively. Net Profit increased 25% for the Quarter and 14% for the Year at Rs. 264 crores

and Rs. 1,004 crores respectively.

The Board of Directors recommended a dividend of 1250% i.e. Rs. 25/- share.

Commenting on the performance, Mr. Varun Berry, Managing Director, said,

"We have witnessed positive momentum in the market growth over the last few months. Our Double digit growth

for the quarter is backed by a double digit volume growth on the back of investment in brands and widening our

distribution network through focus on direct reach, rural market and weak states. We continued our

Premiumisation & Innovation journey with launch of "Milk Bikis Good Morning", "Nutri Choice Oats Chocolate

& Almond" "50-50 Jeera" and revamp of our Tiger Cookies portfolio.

Our International business grew in double digits despite a slow-down in many geographies like Middle East and

Africa. While the growth in Dairy business has also been subdued due to our focus on driving value added products

and reducing our play in the less profitable commoditized products, profitability has improved considerably

On the commodity front, prices of key raw material have seen a marginal inflation in Q4. Our accelerated cost

efficiency program and endeavour to leverage fixed costs have helped us improve our profitability".

We have progressed well in our journey of building technologically superior factories, in this context, I am pleased

to announce that our new greenfield factories at Guwahati, & SEZ in Mundra for servicing export markets have

been commercialized. In addition we are also setting up an Integrated Food Park at Ranjangaon, Maharashtra & a

Greenfield plant at Nepal which will be our fourth country with local manufacturing.

In the coming year priority will be on bridging portfolio gaps in our bakery business and other adjacent macro

snacking business opportunities to ensure we stay ahead of market and achieve profitable growth to take our

company to the next level.
