We are pleased to announce a significant business update regarding our wholly-owned subsidiary, Global Markets Insights IT Services LLC, we are excited to share the remarkable achievement of this subsidiary in generating substantial revenue through its latest product offering in the field of data insights for global markets.

Global Markets Insights IT Services LLC has demonstrated exceptional performance by securing revenues of approximately 4,145,378 USD through its cutting-edge data insights product. This accomplishment underscores our commitment to delivering innovative solutions to our clients and expanding our presence in the competitive global markets.

Our subsidiary's success in generating such impressive revenue can be attributed to several factors, including its unwavering dedication to excellence, a talented team of professionals, and a clear focus on meeting the evolving needs of our clients. Through its relentless efforts, Global Markets Insights IT Services LLC has established itself as a key player in the data insights sector, providing valuable information and strategic insights to businesses worldwide.

This achievement not only strengthens our position in the market but also reflects the collective commitment of our team towards our corporate vision and mission. We believe that the subsidiary's continued growth and success will contribute positively to the overall performance of Pressure Sensitive Systems India Ltd.

As we move forward, we remain committed to fostering innovation, enhancing client satisfaction, and pursuing excellence in all our endeavors. We express our gratitude to our dedicated employees, valued clients, and supportive stakeholders who have played a pivotal role in reaching this milestone.
