REPORT ON MANAGEMENT DISCUSSION AND ANALYSIS

As is known to shareholders, the company is at present in the process of Change of Management and hence a SWOT analysis by the present management may not be justified. Yet in order to fulfill the stipulated requirements,

Existing management has been unable to arrange funds for revival of commercial/manufacturing activity and hence in the interest of Shareholders has entered into an agreement to divest its holding.

Following open offer as per SEBI(SAST) act, by the prospective investor, the price of Share has moved up substantially on the Stock Exchange thus probably reflecting the confidence of Shareholders in general.

Existing Board and the management is hence unable to comment on the future course which the Company is likely to take.

Since there was no business activity by the Company in the year under consideration, there is no comparative data to report.

In view of the above present management would like to report as follows:

Industry Structure and Development:-

Presently the Company has no manufacturing plant or commercial activity, in it's earlier line of activity which was Texturising and other value added activities in the field of Polyester Filament Yarn. Presently the Industry is dominated by large players like RIL, JBF industries and others.

Opportunity and Threat:-

Opportunity: A new management is likely to commence new Business in course of time.

Threat: In case the management is not changed, it would be difficult for existing management to raise funds for reviving or any new activity

Segment-wise or product wise performance: There is no business during the year hence segment reporting not required. Due to suspension of operations there is nothing to report on segment-wise performance.

Outlook: The outlook of the company shall depend on the ability of new Board and Management to do business, their business acumen, business plan for which they have gone for open offer and it's ability to raise finances for its future planning.

Risk and concerns:-As the domestic and global conditions are extremely competitive in general in all business and all depend on the new management to respond to the same.

Internal Control systems and their adequacy: The company has adequate control systems commensurate with its size.

Discussion on financial performance with respect to operational performance: Presently the Company has no manufacturing plant or commercial activity. So, without any operation there is no point of discussion on financial performance with respect to operational performance.

Material Development in Human Resources/Industrial Relations front, including number of people employed - Company continues to have good record of industrial relation.

Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefor

AS there is no business operations during the year including production, sales, purchase, inventory movement, interest payment or payable, loans from bank or outside party on interest. So, Ratio for Debtors Turnover, Inventory Turnover, Interest Coverage, Debt Equity can't be calculated. Hence, change can't be determined in these ratios. EPS has not changed significantly or more than 25% during the year.

The current ratio has improved significantly due to the following reasons during the year:-

The Current liability is reduced by Rs. 74.51 lakhs on account of payment of unsecured interest free loans outstanding to related parties. The payment was made out of funds received on sale of last piece of company's Land.

The Current Assets has been reduced due to use of balance available in bank account, to the extent of Rs. 8.39 lacs as at 31st March 2023, for the payment of expenses/liability and recovery of advances approx. 2 lakhs during the year.

The Return of Capital employed and Return on Equity has been deteriorated due to increase in Net Worth by 2.88 times due to profit on sale of land and Net Worth was very low in previous year because before that it was negative.

As Company has not taken any loan from banks/outside parties on interest. So, interest coverage ratio and debt service coverage ratios are not applicable.

The Members of
Rishab Special Yarns Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Rishab Special Yarns Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss, Statement of Changes in equity Cash Flow Statement, and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information for the year then ended.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company, as at 31st March, 2023 and its Profit, Changes in equity and its Cash Flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matters

We invite your attention to Note No. 3(a) in the financial statements, which indicates that the operations of the company have been discontinued due to incurrance of continuous losses since long. The total of current liabilities of the company i.e., INR 23.86 Lakhs exceeds the total of current assets of INR 12.67 Lakhs as at 31st March 2023, also, the company is not having any fixed assets as at 31st March, 2023. This condition indicates the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern.

However, Our Opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial Statements of the current period. These matters were addressed in the context of our audit of the financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. We have audited the internal financial controls over financial reporting of company as of 31st March, 2022 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
