INDEPENDENT AUDITOR'S REPORT ON AUDIT OF ANNUAL CONSOLIDATED FINANCIAL RESULTS AND REVIEW OF QUARTERLY FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF QUESS CORP LIMITED

Qualified Opinion and Conclusion

We have (a) audited the Consolidated Financial Results for the year ended March 31, 2024 and (b) reviewed the Consolidated Financial Results for the quarter ended March 31, 2024 (refer 'Other Matters' section below), which were subject to limited review by us, both included in the accompanying "Statement of Consolidated Financial Results for the quarter and year ended March 31, 2024" of **Quess Corp Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive loss of its joint venture for the quarter and year ended March 31, 2024, and its share of the net loss after tax and total comprehensive loss of its associate for the year ended March 31, 2024 ("the Statement") being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

(a) Qualified Opinion on Annual Consolidated Financial Results

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the audit reports of the other auditors on separate financial statements of subsidiaries referred to in Other Matters section below, and except for the possible effects of the matter described in Basis for Qualified Opinion/Conclusion section below, the Consolidated Financial Results for the year ended March 31, 2024:

- (i) includes the results of the entities as specified in Annexure I of the report;
- (ii) is presented in accordance with the requirements of the Listing Regulations, as amended; and
- (iii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group for the year ended March 31, 2024.

(b) Qualified Conclusion on Unaudited Consolidated Financial Results for the quarter ended March 31, 2024

With respect to the Consolidated Financial Results for the quarter ended March 31, 2024, based on our review conducted and procedures performed as stated in paragraph (b) of Auditor's Responsibilities section below and based on the consideration of the review reports of the other auditors referred to in Other Matters section below, and except for the possible effects of the matter described in Basis for Qualified Opinion/Conclusion section below, nothing has come to our attention that causes us to believe that the Consolidated Financial Results for the quarter ended March 31, 2024, has not been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India, and has not disclosed the information required to be disclosed in terms of the Listing Regulations, as amended,

including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion/ Conclusion

As stated in note 8 to the Statement, certain tax deductions claimed by the Parent and recognised in computation of income tax expense in the current and preceding periods have been disallowed by the Income Tax Authority. The disallowance has been challenged by the Parent in a judicial forum. The Parent, supported by external opinions from legal counsel and other tax experts, has assessed the basis of the disallowances and concluded that it is probable that these deductions will be accepted upon ultimate resolution.

In January 2024, as described in note 8, another regulatory authority has made certain observations (referred to as "new information") on the applicability of certain conditions in the Income Tax Act and related reports submitted to the Income Tax Authority in respect of these deductions. The Parent has taken into consideration this new information and continues to believe that it is probable that these deductions upon ultimate resolution will be accepted by the Income Tax Authority.

As a result of the uncertainty in respect of the outcome in the aforesaid matter, pending ultimate resolution and acceptance by the Income Tax Authority, we are unable to comment whether any adjustments are necessary.

This matter was also qualified in our report on the consolidated financial results for the quarter and nine months ended December 31, 2023.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in paragraph (a) of Auditor's Responsibilities section below. We are independent of the Group, its associate and joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results for the year ended March 31, 2024 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters section below, is sufficient and appropriate to provide a basis for our qualified audit opinion.

Emphasis of Matter

We draw attention to note 4 to the Statement, regarding the demands received by the Parent in respect of Provident Fund and the contingency related to the pending litigation on the said matter.

Our report is not modified in respect of this matter.

Management's Responsibilities for the Statement

This Statement, which includes the Consolidated Financial Results is the responsibility of the Parent's Board of Directors and has been approved by them for the issuance. The Consolidated Financial Results for the year ended March 31, 2024, has been compiled from the related audited consolidated financial statements. This responsibility includes the preparation and presentation of the Consolidated Financial Results for the quarter and year ended March 31, 2024 that give a true and fair view of the consolidated net profit and consolidated other comprehensive income and other financial information of the Group including its associate and joint venture in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards, prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of this Consolidated Financial Results by the Directors of the Parent, as aforesaid.

In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for overseeing the financial reporting process of the Group and of its associate and joint venture.

Auditor's Responsibilities

(a) Audit of the Consolidated Financial Results for the year ended March 31, 2024

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended March 31, 2024 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

Y.P.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the entities within the Group and its associate and joint venture to express an opinion on the Annual Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Annual Consolidated Financial Results of which we are the independent auditors. For the other entities included in the Annual Consolidated Financial Results, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

JK

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Consolidated Financial Results for the quarter ended March 31, 2024

We conducted our review of the Consolidated Financial Results for the quarter ended March 31, 2024 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The Statement includes the results of the entities as listed under paragraph (a)(i) of Qualified Opinion and Conclusion section above.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

- The Statement includes the results for the Quarter ended March 31, 2024 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of the above matter with respect to our reliance on the work done and the reports of other auditors.

In our opinion and according to the information and explanations given to us by the Board of Directors, these financial statements / financial information are not material to the Group.

8 Income Tax matters:

As disclosed in the year ended March 31, 2023 and quarter ended September 30, 2023 the Company's claim primarily relating to deductions under section 80JAA of the Income Tax Act ("80JAA") and depreciation on goodwill was disallowed pursuant to an assessment under section 143(3) read with section 144C (13) of the Income Tax Act for fiscal 2018 and 2019. Additionally: (i) during the quarter ended September 30, 2023, the Company's claim relating to deductions under 80JAA and depreciation on goodwill was disallowed pursuant to a draft assessment order under section 144C (1) for fiscal 2020 and (ii) during the quarter ended December 31, 2023, the Company received a draft assessment order for fiscal year 2020-21 under section 144C (1) of the Income Tax Act in which deductions under 80JAA has been disallowed.

The Income Tax department disallowed the claim under section 80JAA of the IT Act on the grounds of non-existence of employer – employee relationship in respect of associate employees of the Company. Additionally, the Income Tax Department also disputed the interpretations adopted by the Company for computing the deduction under section 80JAA by disallowing claims for:

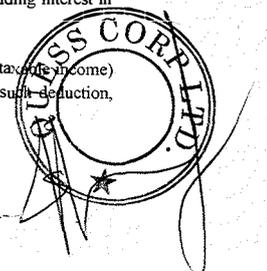

- additional employees whose emoluments exceed Rs.25,000 in a month but the average emoluments for these additional employees does not exceed Rs.25,000 in a month during the service period;
- additional employees who have served more than 240 days in a year but are not an employee on March 31 of the respective financial year for which the claim is availed; and
- employees for whom which the employer's contribution of provident fund for any part of the year is paid by the Government under Employee Pension Scheme (EPS) but the entire employers contribution is not reimbursed by the Government during the year.

The Company filed an appeal with the Income Tax Appellate Tribunal against the assessment orders for fiscal 2018 and 2019 and believes that the tax treatment availed by the Company for deductions under 80JAA and depreciation on goodwill are valid and will be sustained on ultimate resolution supported by external opinions from legal counsel and other tax experts. Additionally, the Company filed similar objections against the draft assessment order for fiscal 2020 and 2021 with the Dispute Resolution Panel.

In January 2024, National Financial Reporting Authority ("NFRA"), in an Order relating to certification for fiscal 2019 to 2021 by an external Chartered Accountant pertaining to claims under 80JAA made by the Company, has made certain observations on the applicability of certain conditions in the Income Tax Act and related reports submitted to the Income Tax Authority in respect of these deductions. This order was subsequently stayed by the Hon'ble Delhi High Court. As specified above, the Company continues to believe that its claim under 80JAA is valid and intends to vigorously contest its position and interpretative stance of these sections on merits and based on external third-party assessments of the claim made, believes that the deduction under 80JAA will be sustained upon ultimate resolution by the Income Tax Authority.

Pending resolution of these Income Tax disputes, the Company has disclosed a contingent liability of INR 1,631.07 million towards demands including interest in the order for these fiscal years.

The Company continues to maintain its stand on the manner of claiming the 80JAA deduction and accordingly 80JAA deduction (reduced from taxable income) of INR 1,212.64 million is claimed for the quarter and INR 4,161.85 million for the year ended 31 March 2024. The Company believes that such deduction, including its quantum, has been validly and consistently claimed, in conformity with its interpretation of the statute.

80JJAA and depreciation on goodwill was disallowed pursuant to a draft assessment order under section 144C (1) for fiscal 2020 and (ii) during the quarter ended December 31, 2023, the Company received a draft assessment order for fiscal year 2020-21 under section 144C (1) of the Income Tax Act in which deductions under 80JJAA has been disallowed.

The Income Tax department disallowed the claim under section 80JJAA of the IT Act on the grounds of non-existence of employer – employee relationship in respect of associate employees of the Company. Additionally, the Income Tax Department also disputed the interpretations adopted by the Company for computing the deduction under section 80JJAA by disallowing claims for:

- additional employees whose emoluments exceed Rs.25,000 in a month but the average emoluments for these additional employees does not exceed Rs.25,000 in a month during the service period;
- additional employees who have served more than 240 days in a year but are not an employee on March 31 of the respective financial year for which the claim is availed; and
- employees for whom which the employer's contribution of provident fund for any part of the year is paid by the Government under Employee pension scheme (EPS) but the entire employer's contribution is not reimbursed by the Government during the year.

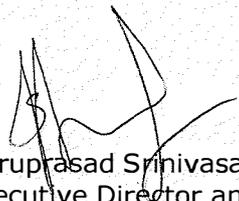

The Company filed an appeal with the Income Tax Appellate Tribunal against the assessment orders for fiscal 2018 and 2019 and believes that the tax treatment availed by the Company for deductions under 80JJAA and depreciation on goodwill are valid and will be sustained on ultimate resolution supported by external opinions from legal counsel and other tax experts. Additionally, the Company filed similar objections against the draft assessment order for fiscal 2020 and 2021 with the Dispute Resolution Panel.

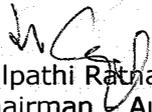

In January 2024, National Financial Reporting Authority ('NFRA'), in an Order relating to certification for fiscal 2019 to 2021 by an

This order was subsequently stayed by the Hon'ble Delhi High Court. As specified above, the Company continues to believe that its claim under 80JJAA is valid and intends to vigorously contest its position and interpretative stance of these sections on merits and based on external third-party assessment of the claims made, believes that the deduction under 80JJAA will be sustained upon ultimate resolution by the Income Tax Authority.</i></p> <p><i>Pending resolution of these Income Tax disputes, the Company has disclosed a contingent liability of INR 1,631.07 million towards demands including interest in the order for these fiscal years.</i></p> <p><i>The Company continues to maintain its stand on the manner of claiming the 80JJAA deduction and accordingly 80JJAA deduction (reduced from taxable income) of INR 1,212.64 million is claimed for the quarter and INR 4,161.85 million for the year ended 31 March 2024. (a) Qualified Opinion on Annual Standalone Financial Results

In our opinion and to the best of our information and according to the explanations given to us, and except for the possible effects of the matter described in Basis for Qualified Opinion/ Conclusion section below, the Standalone Financial Results for the year ended March 31, 2024:

- i. is presented in accordance with the requirements of "the Listing Regulations", as amended; and
- ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Company for the year then ended.

(b) Qualified Conclusion on Unaudited Standalone Financial Results for the quarter ended March 31, 2024

With respect to the Standalone Financial Results for the quarter ended March 31, 2024, based on our review conducted as stated in paragraph (b) of Auditor's Responsibilities section below, and except for the possible effects of the matter described in Basis for Qualified Opinion/ Conclusion section below, nothing has come to our attention that causes us to believe that the Standalone Financial Results for the quarter ended March 31, 2024, has not been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of "the Listing Regulations", as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion/ Conclusion

As stated in note 8 to the Statement, certain tax deductions claimed by the Company and recognised in computation of income tax expense in the current and preceding periods have been disallowed by the Income Tax Authority. The disallowance has been challenged by the Company in a judicial forum. The Company, supported by external opinions from legal counsel and other tax experts, has assessed the basis of the disallowances and concluded that it is probable that these deductions will be accepted upon ultimate resolution.

In January 2024, as described in note 8, another regulatory authority has made certain observations (referred to as "new information") on the applicability of certain conditions in the Income Tax Act and related reports submitted to the Income Tax Authority in respect of these deductions. The Company has taken into consideration this new information and continues to believe that it is probable that these deductions upon ultimate resolution will be accepted by the Income Tax Authority.

As a result of the uncertainty in respect of the outcome in the aforesaid matter, pending ultimate resolution and acceptance by the Income Tax Authority, we are unable to comment whether any adjustments are necessary.

This matter was also qualified in our report on the standalone financial results for the quarter and nine months ended December 31, 2023.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in paragraph (a) of Auditor's Responsibilities section below. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2024 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified audit opinion.

Emphasis of Matters

- We draw attention to Note 7 of the Statement, regarding the demands received by the Company in respect of Provident Fund and the contingency related to the pending litigation on the said matter.
- We draw attention to Note 5 to the Statement, regarding the Scheme of Amalgamation among Qess Corp Limited with three of its wholly owned subsidiaries MFX Infotech Private Limited ("MFX"), Greenpiece Landscape India Private Limited and Connqct Business Solutions Limited together known as ("transferor companies"), from the appointed date of April 1, 2021. Consequently, the financial information for the quarter and year ended March 31, 2023 have been restated to give effect to the amalgamation.

Our report is not modified in respect of these matters.

Management's Responsibilities for the Statement

This Statement which includes the Standalone Financial Results is the responsibility of the Company's Board of Directors and has been approved by them for the issuance. The Standalone Financial Results for the year ended March 31, 2024 has been compiled from the related audited standalone financial statements. This responsibility includes the preparation and presentation of the Standalone Financial Results for the quarter and year ended March 31, 2024 that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate

g.f

accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended March 31, 2024

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2024 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2024

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2024 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

YH

Other Matters

- The Statement includes the results for the Quarter ended March 31, 2024 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.
- As stated in note 5 to the Statement, the comparative figures presented have been restated to include the financial information of transferor companies which reflect:
 - total revenue of Rs. 3,828.91 million, total net profit after tax of Rs. 184.87 million and total comprehensive income of Rs. 185.68 million for the quarter ended March 31, 2023
 - total revenue of Rs. 14,415.86 million, total net profit after tax of Rs. 734.50 million and total comprehensive income of Rs. 757.58 million for the year ended March 31, 2023

The financial information of the transferor companies for the above-mentioned periods have been reviewed/audited by other auditors, whose reports have been furnished to us, and our opinion and conclusion in so far as it relates to the amount and disclosures in respect of these transferor companies is based solely on the reports of other auditors. We have audited the adjustments made by the management consequent to the amalgamation of the transferor companies with the Company to arrive at restated comparative figures for all the periods presented.

The certified true copy of the order was filed with the Registrar of Companies on 30 November 2023.

The Company accounted for the amalgamation by applying the common control guidance in Appendix C to Ind AS 103 - Business Combinations. Consequently, standalone results have been restated for the quarter and year ended 31 March 2023 to give effect to the amalgamation.

The matter has been adjourned to 17 May 2024. The Company has taken external independent legal advice as per which the EPFO's order is prima facie erroneous and unsustainable in law and therefore will not be sustained on ultimate resolution.

8 Income Tax matters:

As disclosed in the year ended March 31, 2023 and quarter ended September 30, 2023 the Company's claim primarily relating to deductions under section 80JJAA of the Income Tax Act ("80JJAA") and depreciation on goodwill was disallowed pursuant to an assessment under section 143(3) read with section 144C (13) of the Income Tax Act for fiscal 2018 and 2019. Additionally: (i) during the quarter ended September 30, 2023, the Company's claim relating to deductions under 80JJAA and depreciation on goodwill was disallowed pursuant to a draft assessment order under section 144C (1) for fiscal 2020 and (ii) during the quarter ended December 31, 2023, the Company received a draft assessment order for fiscal year 2020-21 under section 144C (1) of the Income Tax Act in which deductions under 80JJAA has been disallowed. The Income Tax department disallowed the claim under section 80JJAA of the IT Act on the grounds of non-existence of employer - employee relationship in respect of associate employees of the Company. Additionally, the Income Tax Department also disputed the interpretations adopted by the Company for computing the deduction under section 80JJAA by disallowing claims for:

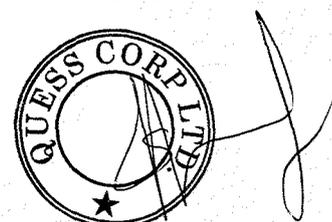

- additional employees whose emoluments exceed Rs.25,000 in a month but the average emoluments for these additional employees does not exceed Rs.25,000 in a month during the service period;
- additional employees who have served more than 240 days in a year but are not an employee on March 31 of the respective financial year for which the claim is availed; and
- employees for whom which the employer's contribution of provident fund for any part of the year is paid by the Government under Employee pension scheme (EPS) but the entire employers contribution is not reimbursed by the Government during the year.

The Company filed an appeal with the Income Tax Appellate Tribunal against the assessment orders for fiscal 2018 and 2019 and believes that the tax treatment availed by the Company for deductions under 80JJAA and depreciation on goodwill are valid and will be sustained on ultimate resolution supported by external opinions from legal counsel and other tax experts. Additionally, the Company filed similar objections against the draft assessment order for fiscal 2020 and 2021 with the Dispute Resolution Panel.

In January 2024, National Financial Reporting Authority ("NFRA"), in an Order relating to certification for fiscal 2019 to 2021 by an external Chartered Accountant pertaining to claims under 80JJAA made by the Company, has made certain observations on the applicability of certain conditions in the Income Tax Act and related reports submitted to the Income Tax Authority in respect of these deductions. This order was subsequently stayed by the Hon'ble Delhi High Court. As specified above, the Company continues to believe that its claim under 80JJAA is valid and intends to vigorously contest its position and interpretative stance of these sections on merits and based on external third-party assessments of the claim made, believes that the deduction under 80JJAA will be sustained upon ultimate resolution by the Income Tax Authority.

Pending resolution of these Income Tax disputes, the Company has disclosed a contingent liability of INR 1,513.94 million towards demands including interest in the order for these fiscal years.

The Company continues to maintain its stand on the manner of claiming the 80JJAA deduction and accordingly 80JJAA deduction (reduced from taxable income) of INR 1,126.37 million is claimed for the quarter and INR 4,025.76 million for the year ended 31 March 2024. The Company believes that such deduction, including its quantum, has been validly and consistently claimed, in conformity with its interpretation of the statute.

- 9 As at September 30, 2023, Quess Corp Holdings Pte. Ltd. (QHPL) held 55.68% in MFXchange Holdings Inc (MFX) and 44.32% was held by Quess Corp (USA) Inc. QHPL and Quess Corp (USA) Inc. are wholly owned subsidiaries of Quess ("the Company").

As part of group restructuring, on 28 December 2023, Quess purchased equity shares of 55.68% relating to MFX from QHPL for INR 1,708.23 million (SGD 26.99 million) based on a fair valuation of MFX equity shares carried out by a SEBI registered merchant banker. The cost of the investment of MFX in the books of QHPL on the date of transaction was INR 215.70 million, resulting in a surplus of INR 1,492.53 million in QHPL. Out of this surplus, an amount of INR 1,317.12 million (SGD 21 million) was distributed as a dividend by QHPL on 29 December 2023 and INR 175.41 million (SGD 27.08 million) on 2 January 2024 respectively.

Under Ind AS, applying the common control guidance under Appendix C to Ind AS 103 and the Conceptual Framework for Financial Reporting relating to Ind AS, the investment made in MFX by Quess and the receipt of dividend from QHPL were considered to be linked transactions to achieve contemporaneously the objective of restructuring and transferring the investment in MFX to Quess. Therefore, such dividend is considered to be a return of capital and adjusted against the purchase price of the investment in MFX.

Hence, the carrying value of investment in MFX is recorded at INR 215.70 Crore (INR 1,708.23 million less INR 1,492.53 million). Amounts received in excess of INR 1,492.53 is considered dividend income.
