Media Release

Rajoo Engineers’ Managing Director, Ms. Khushboo Doshi, Honored with Entrepreneurs Award

Received Entrepreneurs Award for her achievement as the icon for New Generation Entrepreneurs

Rajkot, 22nd February, 2024: Rajoo Engineers Limited (BSE: 522257), amongst leading plastic extrusion machine manufacturers in India, with nearly 35 years of “excellence in extrusion” in the industry, proudly announced that its Managing Director, Ms. Khushboo Doshi, has been recognized with the prestigious Entrepreneurs Award for her outstanding achievements and leadership as an icon for New Generation Entrepreneurs.

The Entrepreneurs Award acknowledges Ms. Doshi's exemplary entrepreneurial spirit, innovative approach, and commitment to driving positive change in the business landscape. Her dedication to fostering a culture of innovation and empowering the workforce has been instrumental in propelling Rajoo Engineers to new heights of success.

Management Comment:

“Receiving the Entrepreneurs Award is an absolute privilege and an incredibly humbling experience. This recognition is a reflection of the unwavering dedication and commitment of every member of the Rajoo Engineers family. We have faced challenges head-on, celebrated victories, and relentlessly pursued excellence in all that we do.

I am proud of the journey we've embarked upon and the milestones we've achieved together. Our success is a result of our collective efforts, synergies, and shared vision. This award serves as a reminder of our potential, and our responsibility to make a positive impact.

I would like to thank all our employees and stakeholders, whose support inspires us to set and achieve new benchmarks.”

About Rajoo Engineers Limited

Based in Rajkot, Rajoo Engineers Limited, having made a modest beginning in 1986, has today emerged as an undisputed global player in blown film and sheet extrusion lines. Owing to its focused efforts in blown film, sheet extrusion lines and thermoformers, the Company enjoys a premium market position in this segment. Being a technology driven Company, product innovations, world-class quality, state-of-the-art workmanship, increased energy efficiency and high levels of sophistication and automation have become the hallmark of Rajoo products during all these years, positioning the Company's products on a global platform, competing with the established world leaders. With representations in many countries of the world and customers in over 70 countries, the Company's exports have multiplied after its debut in the international market in 1990. (www.rajoo.com)
