5 Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after 1 April 2018 replaces the existing revenue recognition standards. The application of Ind AS 115 did not have any significant impact on financial results of the Company. However, the Company has determined that, in case of certain contracts, transportation services provided to customers is a separate performance obligation and accordingly the revenue attributable to such shipping services has been recognised as revenue from operations, which was hitherto netted off against the corresponding freight expenses included as part of other expenditure in the above results. The Company has applied the full retrospective approach and restated the previous periods presented.

The restated revenue for the quarter ended 30th Sept 17, six months ended 30th Sept ,2017 and year ended 31 March 2018 is higher by Rs. 141.38 Lakhs , Rs.283.44 Lakhs and Rs.724.81 lakhs respectively with the corresponding increase in Other expenses.

- 6 Post Implementation of Goods and Services Tax (GST) effective from 1st July, 2017, revenue is reported net of GST as per Ind AS -18. Revenue, however, is reported inclusive of excise duty for a part of the period ended 30th September, 2017.
- 7 There are no separate reportable segments as per the Indian Accounting Standard (Ind AS-108) on segment reporting.
- 8 The figures have been regrouped/ rearranged wherever considered necessary to facilitate comparison.
