We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountant of India (ICAI). A review of Interim financial information consists of making inquiries, primarily of the company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. The decision of management of the Company to prepare the accounts of the Company on going concern basis for reasons mentioned in note no. 4 of standalone financial result, there would arise a need to adjust the realizable value of assets and liabilities in the event of failure of assumptions as to going concern, and in the absence of impact of aforesaid assumptions having been unascertained, we are unable to comment thereon.

As stated in note no. 6 of standalone financial result, investment in USD 48,19,980 in Arise Money Market Fund was invested out of proceed of GDR, which was issued by the company earlier and allotted on March 29, 2011. The value of investment above is as per rate of exchange prevailing at the time of investment, and is subject to adjustment in rate of foreign exchange and accruals on money market investments. The nonaccounting of investment at fair value and non-recognition of exchange fluctuation in respect thereto is not in line with Ind AS 109 "Financial Instruments" and Ind AS-21 "The Effects of Changes in Foreign Exchange Rates.  - IV. The Internal Control Systems need to be further strengthened in order that they are commensurate with the size of the Company and the nature of its business, more particularly in areas of, purchases and consumption of materials, charging of expenses, set-off of balances, and invoicing of sale of goods and services.
