## **Review Report of Worldwide Aluminium Limited**

### TO THE BOARD OF DIRECTORS

We have reviewed the quarterly financial results of Worldwide Aluminium Limited for the quarter and half ended 30<sup>th</sup> September, 2023 being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with Indian Accounting Standard 34 (Ind AS 34) for Interim Financial Reporting, prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued there under; as applicable and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on this interim financial information based on our review.

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with applicable accounting standard and other recognized accounting practices and policies has disclosed the information required to be disclosed in term of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
