#### Notes

The above is an extract of the detailed format of financial results for the quarter and Nine months ended December 31, 2023 filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The ful format of financial results for the quarter and Six months ended September 30, 2023 are available on the Stock Exchange website (www.bseindia.com and www.nseindia.com) and the Company's website (www.simbhaolisugars.com)

For the nine months ended December 31, 2023 and in previous years, due to higher raw material cost i.e. sugarcane costs (SAP) fixed by State government and relatively lower sales realization of finished sugar on adverse demand & supply scenario, and othe eternal factors, the Holding Company had continuously incurred huge cash losses resulting in complete erosion of its net worth rendering the Company unable to meet payment obligations towards its lenders as well as to the sugarcane farmers in terms of their respective agreements and understanding. All the production units of the Holding Company are operational continue to operate a sub-optimum levels on year-on-year basis while consistent efforts are being made for improvement in operational efficiency viz improvement in sugar recovery, reduction in overheads and reduction in other operational and administrative costs etc. However, due to lack of required working capital and no capex being undertaken towards augmentation and modernization, the operations of distillery and sugar plants are still adversely impacted. Further, the availability of required sugarcane for optimal utilization o production capacities is still a challenge on account of aforesaid reasons. In distillery segment, non-installation of incineration boilers and other equipment's to meet the stringent requirement of Pollution Control Board is still resulting in curtailed productio levels. Further, the expected accrued benefits under the Sugar Industries Promotion policy 2004 has not been yet disbursed by the State Government as the matter is sub-judice.

Recognizing the status of the sugar industry, the state and central governments have taken a number of measures in past to improv the financial health of sugar mills and to support the liquidation of sugarcane arrears by grant of soft loan, fixing minimum support price of sugar, and Ethanol blending program with petrol coupled with long term tendering and fixing remunerative selling price of ethanol etc. All these measures specifically ethanol blending programme, have resulted in revival of the sugar industry but the Holding Company is continuing to suffer and incurring losses on account of non-availability of sufficient sugar cane commensurate to its crushing capacities, on account of delayed payment of sugar cane prices due to adverse liquidity position, which have resulted in the diversion of sugar cane in the command areas to the other adjoining sugar mills. Benefits under soft loan could also not be availed, since credit facility accounts with its lenders were having NPA categorisation.

Due to default in repayment of credit facilities, lenders to the Holding Company have initiated recovery proceedings at various forum including filing of applications before the Hon'ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016 and also filing of recovery proceedings against personal guarantors (Promoters) before NCLT under section 95 of Insolvency and Bankruptcy Code, 2016 in addition to approaching Debt Recovery Tribunals in Delhi as well as in Lucknow Uttar Pradesh. One of the lenders had declared the Holding Company and Guarantors to the credit facility, as Willful Defaulters, suc impugned order of lender was Set Aside by Hon'ble Punjab and Harvana High court at Chandigarh, while another lender had started the proceedings to examine the Willful Default and a personal hearing was also granted, basis Holding Company's representation the decision is kept in Abeyance. One lender has categorized Holding company with Fraud tag and same is challenged before Delh High Court. While one of the lenders had initiated recovery proceedings under section 138 of the Negotiable Instrument Act, whereir non-bailable warrants were issued against the erstwhile directors and officials of the Holding Company, which is being conteste at the appropriate forum. Against a criminal complaint filed by one of the lenders, the Enforcement Directorate had passed and Attachment Order on certain assets of the Holding Company to the extent of Rs. 109.80 Crore, against which the Holding Company has preferred an appeal before with the appropriate authority and the matter is sub-judice. The Enforcement Directorate had proceeded to take the Constructive Possession of the Attached Property on which an Interim Stay has been granted by the Hon'ble Appellate

The Holding Company is continuing to pursue a comprehensive debt resolution proposal with all the lenders. Commercial lender have shown their inclination to accept the debt resolution proposal and accepted the Earnest Money offered thereof, while Deb realignment proposal was submitted to other lenders against which the Holding company had initiated the repayments, pendin approval of respective lenders. Revised and improved debt resolution proposal given to commercial lenders on bilateral basis is under consideration by the commercial lenders, while application filed with Hon'ble NCLT Bench, Allahabad is being heard. The Commercial Lenders have also appointed two independent valuers for the valuation of the assets of the Holding Company

Considering the steps initiated for achieving turnaround of the Company and sugar sector, and continuing manufacturing operation in near foreseeable future with improved operational efficiency, the financial results of Holding Company are continued to be presented on Going Concern basis, which contemplates realization of assets and settlement of liabilities, in the normal course business. Accordingly, property, plant and equipment's are continued to be stated at carrying amount without testing for impair pending receipt of the final valuation reports from the two independent valuers appointed by the Commercial Lenders

As stated, aforesaid, the Holding Company has submitted comprehensive debt resolution proposals with all the lenders to commensura with its future cash flows including infusion of funds by strategic investor, promoters, internal accruals, monetization of assets etc which contemplates the total waiver of interest and concession in repayment of principal amount. Commercial lenders have accepted the Earnest Money Deposit (EMD) offered in consonance with the Debt Resolution Proposal. Accordingly, the estimated Interest expenses on credit facilities pertaining to commercial lenders, for the guarter and nine months ended December 31, 2023 amounting to Rs. 5498.66 Lakhs and Rs.12802.75 Lakhs respectively (previous quarter and nine months ended December 31,2022 amounting to Rs.4860.35 Lakhs and Rs.14146.03 Lakhs respectively) has not been recognized in statement of profit and loss account. An estimated accumulated amount of Rs. 1,01,750.77 Lakhs towards accrued interest has not been provided for in the books of accounts as on December 31, 2023.

The Hon'ble High Court of Uttar Pradesh had directed the state government to determine the interest liability for the period of delayed payments of sugarcane price to cane growers for the sugar seasons 2012-13 to 2014-15 by the UP sugar industry. The Holding Company had received a notice for payment of interest on delayed payment of cane price for sugar season 2012-13, but considerin the past practice of waiver/non-levying of any interest on account of delayed payment of cane price by the State Government, n provision towards the interest on delayed payment of cane price for the aforesaid and subsequent sugar seasons has been made in the accounts. Since, no demand notices have been raised on the Holding Company, except for sugar season 2012-13, the amount of interest on account of delayed payment of cane price not provided for in the accounts, could not be quantified
