Sub: Clarification on Price Movement

We are in receipt of your email dated 18th March, 2024 whereby significant movement in the price of our security was noted at your Exchange, in the recent past and as per Regulation 30 of the SEBI (LODR) Regulations, 2015 all listed companies are required to intimate to the Exchange all the events, information etc that have a bearing on the operation/performance of the company which include all price sensitive information, etc.

However we would like to clarify that there was no such event or activity which had a bearing on the operation/performance of the company. There was no price sensitive information which required to be disclosed to the Exchange. There was no such information /announcement (including impending announcement) which in our opinion may have a bearing on the price behaviour in the scrip.

We therefore request you to consider the same in light of the clarifications as stated above.

Thanking you.

Yours faithfully,
For Santosh Fine Fab Ltd.
