## United Drilling Tools Limited - Participation in India Energy Week 2024

New Delhi, Monday, February 05, 2024 United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is excited to announce its **participation in India Energy Week 2024** to be inaugurated by Hon`ble Prime Minister of India, Shri Narendra Modi. The event is scheduled to be held from **February 06 to February 09, 2024 at Goa** and our booth located at **stand 1F01-Hall 1**, where we'll showcase our oil drilling equipment(s) i.e; Wireline & Well service equipment(s), Gas Lift equipment(s), Downhole Tools and large OD casing pipe with connector, which designed redefine industry standards, emphasizing sustainability, high efficiency and high-quality products of field-proven test designs in conformity with international standards which are continue to improve and innovate.

Our expert speakers will explore into industry trends and our booth will feature demonstrations of our products and innovative offerings. We are eager to network with industry leaders, fostering potential collaborations for mutual growth. This event serves as a platform for us to engage with like-minded professionals, share our expertise, and explore potential collaborations, discover new opportunities, that will contribute to the advancement of the industry.

Our presence at the event in Goa signifies our commitment to pushing the boundaries of innovation in the oil drilling equipment(s) sector. Thus, we invite prospective collaborators or customers or partners to visit our booth, explore our products, and join us in shaping the future of the industry.

### About India Energy Week

The India Energy Week exhibition provides an exceptional platform for both domestic and international energy businesses to network, showcase their products and services, and explore new opportunities in the energy sector.

As India's economy continues to grow, creating opportunities for the global energy value chain, more than 350 exhibiting companies will engage with a diverse audience of over 35,000 energy professionals, forging meaningful connections, fostering collaborations, unveiling innovations and exchanging insights that will be integral in shaping the future of India's energy landscape.

India, as the 3<sup>rd</sup> largest energy consumer globally, is at the heart of the global energy dialogue. With its thriving economy and expanding population, the country is projected to witness the largest increase in energy demand, making it a significant contributor to global energy demand growth.
