Subject: Goodbye

Hi Davide,

As you would know, today is my last day at Tenneco.

As I leave the company, I feel happy and grateful to have been on this journey for the last 15+years. We had significant growth with good product portfolios additions, significant business transformation from heavily Debt/Cash-consuming entity to Debt free- cash generation entity . I feel that I as well as my team has grown as professional leaders.

As advised for way forward , this may be treated as my resignation.

In this dynamic market offering opportunities in future, I would be happy to get engaged for such assignment if it comes in future .

Regards

Vinod Hans
