Review Report To The Board of Directors, Gala Global Products Limited CIN : L22219GJ2010PLC063243 Ahmedabad

- We have reviewed the accompanying statement of unaudited financial results of Gala Global Products Limited ("the Company") for the quarter ended 30th September 2023 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

BASIS FOR QUALIFIED CONCLUSION:

i. A) Considerable payments made as advances to the supplier can be quantified subject to detailed investigation with the outcome of future events only. As per the information and explanations provided to us, this matter is sub-judice at present. ECL provisioning for the same will be done on the basic of detailed investigation with the outcome of future events only. Only some amounts have started to be received back in this.

b) There is a major amount of stock, and it is not possible to value the stock, especially in the light of the obsolescence possibility due to the nature of goods. Ind AS 2 is not followed.

- viii. Valuation of inventories is accepted on the basis of management evaluation

Our opinion is not modified in respect of these matters.

OTHER MATTERS:

- i. We draw attention to Note 5 to Note 8.
- ii. We draw attention to Note 3 of the financial results, as regards the management's evaluation of COVID-19 impact on the future performance of the Company. To assess the recoverability of certain assets, investments and trade receivables, the Company has considered internal and external information up to the date of this report in respect of the current and estimated future global including Indian economic indicators consequent to the global health pandemic. The actual impact of the pandemic may be different from that considered in assessing the recoverability of these assets.

Based on our review conducted as above, with the exception of the matters described in above sections, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
