Notes:

- 1 The above unaudited financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company in their meetings held on July 31, 2019 and August 01, 2019, respectively. The statutory auditors have carried out a limited review of these financial results and have issued an unmodified report on these results.
- 2 The Company is engaged in the business of manufacture and sale of pulp, paper and paper boards, which in the context of Indian Accounting Standard (Ind AS) - 108 - Operating Segments, is considered as the single operating segment of the Company.
- 3 On May 29, 2019, the promoters of the Company namely International Paper Investments (Luxembourg) S.A.R.L and IP International Holdings Inc. holding 21,856,033 equity shares of ₹ 10 each and 79,71,496 equity shares of ₹ 10 each respectively, comprising 75% of the issued and paid up capital of the Company on a fully diluted basis, have executed a Share Purchase Agreement ("SPA") with West Coast Paper Mills Limited (Purchaser) to sell such number of equity shares of the Company aggregating to a minimum of 51% and up to a maximum of 60% of the issued and paid up capital of the Company as per the terms and conditions stated in the SPA. The aforesaid transaction is subject to receipt of requisite regulatory approval(s), as applicable. The Company was a party to Share Purchase Agreement for the limited purpose of undertaking certain obligations.

Consequent to the Share Purchase Agreement, the acquirer has announced open offer for acquisition of up to 99,42,510 fully paid-up equity shares (representing 25 % of Equity share capital) from the public shareholders of the company at a price of ₹ 450.63 per share.

- 4 In the year ended March 31, 2017, the Hon'ble High Court for the State of Telangana and the State of Andhra Pradesh upheld the validity of levy of electricity duty @ 25 paise per unit by the State Government on consumption of electricity by captive generating units relating to earlier years. The Company (along with other petitioners) filed a Special Leave Petition in the Hon'ble Supreme Court, which in the interim, directed the petitioners to pay partial amount without prejudice to the rights and contentions of the petitioners, pursuant to which the Company had paid ₹ 1,502.05 lakhs under protest in the year ended March 31, 2017. The matter is pending hearing.

In view of the inherent uncertainty in predicting the final outcome of the above litigation, the Management has, on grounds of prudence and abundant caution, made a provision amounting to ₹ 2,357.43 lakhs during the year ended March 31, 2017 towards the potential liability in the event of an unfavourable verdict in this matter. Additionally, an amount of ₹ 1,571.62 lakhs has been disclosed as a contingent liability. On the basis of the legal advice obtained, in the opinion of the Management no further provision would be required in relation to this disputed matter.

5 Exceptional items:**During the year ended March 31, 2019:**

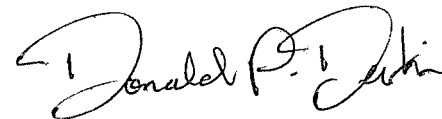

In respect of a disputed matter which is pending resolution, the Management has, considering the developments in the case and based on grounds of prudence, made a provision towards the interest demand amounting to ₹ 542.61 lakhs. The Company has already paid the related duty amount in the earlier years.

- 6 The figures for the quarter ended March 31, 2019 are the balancing figures between the audited figures for the full financial year ended March 31, 2019 and the published year to date figures upto third quarter ended December 31, 2018.
- 7 The Company has adopted Ind AS 116 "Leases" with the date of initial application being April 01, 2019. Ind AS 116 replaces Ind AS 17 "Leases" and related interpretation and guidance. On transition to Ind AS 116, Right-of-use assets as at April 01, 2019 for leases previously classified as operating leases were recognised and measured at an amount equal to lease liability (adjusted for related prepayments / accruals). As a result, the comparative information has not been restated. The Company has discounted lease payments using the incremental borrowing rate as at April 01, 2019 for measuring the lease liability. In respect of leases previously classified as finance leases, the right-of-use asset and the corresponding liability were measured at the carrying amounts of the related finance lease asset and liability, respectively.

During the quarter, the Company has recognised interest expense on leases amounting to ₹ 42.02 lakhs and depreciation on right-of-use assets amounting to ₹ 122.44 lakhs in the financial results.

Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. Attention is invited to Note 4 of the Statement regarding the ongoing litigation with respect to the levy of electricity duty by the State Government on consumption of electricity by captive generating units and the interim orders of the Hon'ble Supreme Court of India on hearing the Special Leave Petition filed by the Company, in respect of which the Company on grounds of prudence and abundant caution created a provision amounting to ₹ 2,357.43 lakhs during the year ended March 31, 2017, in view of the inherent uncertainty in predicting the final outcome of the above litigation. Additionally, an amount of ₹ 1,571.62 lakhs has been disclosed as contingent liability. Based on the legal advice obtained, in the opinion of the Management no further provision would be required in relation to this disputed matter.

Our conclusion on the Statement is not modified in respect of this matter.
