लोको पायलट भर्ती में तीन साल की छूट

■ विसं, नई दिल्ली : सहायक लोको पायलट (ALP) के लिए निकली गई भर्तियों में रेलवे ने तय आयु सीमा में कोविड के चलते तीन साल की छूट दी है। रेलवे ने बताया कि इसके तहत सामान्य श्रेणी और ईडब्लूएस के उम्मीदवार, जिनकी जन्म तिथि 2 जुलाई 1991 से 1 जुलाई 2006 के बीच है। वह इस पद के लिए आवेदन कर सकते हैं। इसी तरह से ओबीसी (NCL) के अभ्यर्थी, जिनकी जन्म तिथि 2 जुलाई 1988 और 1 जुलाई 2007 के बीच है। साथ ही एससी/एसटी के अभ्यर्थी, जिनकी जन्म तिथि 2 जुलाई 1986 और 1 जुलाई 2006 के बीच है, वे इस पद के लिए आवेदन कर सकते हैं।

प्रश्नपत्र लीक मामले में पांच साल की कैद

■ पीटीआई, नई दिल्ली: हैदराबाद में विशेष CBI कोर्ट ने रेलवे भर्ती परीक्षा के प्रश्नपत्र लीक मामले में RRB मुंबई के पूर्व अध्यक्ष सतेंद्र मोहन शर्मा और नौ अन्य को पांच साल कैद की सजा सुनाई। अदालत ने शर्मा पर 1.75 लाख, आसन-मैंगलोर रेल विकास निगम के पूर्व CEO एके जगन्नाथम पर 1.31 लाख रुपये और सभी दस दोषियों पर कुल मिलाकर 7.87 लाख रुपये का जुर्माना लगाया। रेलवे भर्ती बोर्ड ने छह जून 2010 को सहायक स्टेशन मास्टर और सहायक लोको पायलट के लिए परीक्षा आयोजित की थी। परीक्षा का पेपर लीक होने के मामले में CBI ने केस दर्ज किया था।

केरल: BJP नेता की हत्या में PFI के 15 को सज़ा-ए-मौत

श्रीनिवासन के परिवार ने फैसले का किया स्वागत

■ पीटीआई, अलप्पुझा (केरल)

केरल की एक अदालत ने दिसंबर 2021 में अलप्पुझा में BJP के OBC मोर्चा के नेता रंजीत श्रीनिवासन की हत्या के मामले में प्रतिबंधित संगठन PFI से जुड़े 15 लोगों को मंगलवार को मौत की सजा सुनाई। अतिरिक्त जिला न्यायाधीश मावेलिक्कारा वी. जी. श्रीदेवी ने दोषियों को सजा सुनाई। मारे गए श्रीनिवासन के परिवार और BJP ने फैसले का स्वागत किया। पार्टी ने श्रीनिवासन को महान शहीद बताते हुए कहा कि उन्हें आज न्याय मिल गया। BJP के प्रदेश अध्यक्ष के. सुरेंद्रन ने कहा कि हम फैसले का स्वागत करते हैं।

बीमारी के कारण एक दोषी की पेशी नहीं: विशेष अभियोजक प्रताप जी. पडिक्कल के अनुसार, मामले में दोषी ठहराए गए कुल 15 व्यक्तियों में से 14 को मंगलवार को अदालत में पेश किया गया था। जज ने मौखिक रूप से कहा कि सजा उस दोषी पर भी लागू होगी, जिसे आज पेश नहीं किया गया। बीमारी के कारण अस्पताल में भर्ती होने की वजह से एक दोषी को अदालत में पेश नहीं किया जा सका, जिसे पेशी के दौरान सजा सुनाई जाएगी। अदालत ने मामले में 20 जनवरी को 15 लोगों को दोषी ठहराया था।

2021 में कर दी थी बेरहमी से हत्या: BJP के OBC मोर्चा के प्रदेश सचिव श्रीनिवासन पर 19 दिसंबर 2021 को उनके परिवार के सामने PFI और सोशल डेमोक्रेटिक पार्टी ऑफ इंडिया (SDPI) से जुड़े कार्यकर्ताओं ने उनके घर में बेरहमी से हमला कर उनकी हत्या कर दी थी। अभियोजक के अनुसार, अदालत ने पाया कि 15 में से आठ आरोपी सीधे सीधे मामले में शामिल थे। अदालत ने चार लोगों को भी हत्या का दोषी पाया क्योंकि वे अपराध में सीधे तौर पर शामिल लोगों के साथ घातक हथियारों से लैस होकर घटनास्थल पर पहुंचे थे, जिनका उद्देश्य श्रीनिवासन को भागने से रोकना और उसकी चीखें सुनकर घर में प्रवेश करने वाले किसी भी व्यक्ति को रोकना था। अदालत ने इस अपराध की साजिश रचने वाले तीन लोगों को भी हत्या का दोषी पाया। नतीजतन अदालत ने मामले के सभी 15 आरोपियों को सजा सुनाई।

अधिकतम सज़ा का किया था अनुरोध

अभियोजन पक्ष ने दोषियों के लिए अधिकतम सजा का अनुरोध करते हुए कहा था कि PFI के ये सदस्य एक प्रशिक्षित हत्यारा दस्ते से जुड़े थे और जिस क्रूर और वीभत्स तरीके से पीड़ित को उसकी मां, बच्चे और पत्नी के सामने मारा गया वह इसे दुर्लभ से दुर्लभतम की श्रेणी के अपराध के दायरे में लाता है।

पत्नी ने कहा, हमारा नुकसान बहुत बड़ा है

फैसले पर श्रीनिवासन की पत्नी ने कहा, 'यह एक दुर्लभ मामला था। हमारा नुकसान बहुत बड़ा है। हम घटना की गहन और ईमानदार जांच करने के लिए अभियोजन और जांच अधिकारियों के प्रति अपना आभार व्यक्त करते हैं जिसके परिणामस्वरूप अंततः अधिकतम सजा हुई।'

SC बोला, पेड़ बचाना सरकार की ज़िम्मेदारी

■ विस, नई दिल्ली: सुप्रीम कोर्ट ने ताज ट्रेपेजियम जोन (TTZ) के मामले में सुनवाई के दौरान सेंट्रल इंपावर्ड कमिटी (CEC) से कहा है कि वह इलाके में पेड़ काटने की इजाजत आसानी से न दे। सुप्रीम कोर्ट ने सीईसी से कहा कि वह इस बात का परीक्षण करे कि क्या सड़क बनाने के लिए पेड़ काटना अनिवार्य है? सुप्रीम कोर्ट ने इस मामले में दाखिल जनहित याचिका पर सुनवाई के दौरान यह टिप्पणी की है। TTZ में पर्यावरण संरक्षण से संबंधित PIL पर सुनवाई के दौरान सुप्रीम कोर्ट ने कहा कि CEC इस बात का परीक्षण करे कि यूपी में सड़क निर्माण के लिए जो 3874 पेड़ काटने का प्रस्ताव है, क्या वह अनिवार्य है? दरसअल, राज्य सरकार ने 3874 पेड़ काटने के लिए आवेदन दिया है ताकि आगरा, जलेसर और इटा के बीच सड़क बनाई जा सके। जस्टिस एएस ओका की अगुआई वाली बेंच ने कहा कि यह सुनिश्चित करना सरकार की जिम्मेदारी है कि अधिकतम संख्या में पेड़ों को काटे जाने से बचाया जाए। हम पेड़ काटने को आसानी से इजाजत नहीं दे सकते। अगली सुनवाई 12 मार्च को होगी।

दिव्यांगों को सुविधाएं तो मान्यता में होगी आसानी

नैक एक्रीडिटेशन के लिए मिलेंगे पॉइंट

■ विशेष संवाददाता, नई दिल्ली

विश्वविद्यालय अनुदान आयोग (UGC) ने उच्च शिक्षा से जुड़ी 13 रेगुलेटरी अथॉरिटी के प्रमुखों की बैठक में कई महत्वपूर्ण फैसले लिए हैं। यूनिवर्सिटी-कॉलेजों में दिव्यांगों के लिए सभी जरूरी सुविधाएं होंगी तो उस संस्थान को नैक एक्रीडिटेशन प्रक्रिया में अतिरिक्त वेटेज या पॉइंट दिए जाएंगे। डीम्ड-टू-बी यूनिवर्सिटीज और प्राइवेट यूनिवर्सिटी से संबंधित मुद्दों के समाधान के लिए एक निगरानी समिति गठित करने का भी फैसला लिया गया है। UGC द्वारा राष्ट्रीय शिक्षा नीति और नैशनल क्रेडिट फ्रेमवर्क पर फोकस करते हुए रेगुलेटर्स के लिए वर्कशॉप्स भी आयोजित की जाएंगी।

UGC अध्यक्ष प्रो. एम. जगदीश कुमार ने कहा कि संस्थानों को सेंटर ऑफ एक्सीलेंस बनने की दिशा में प्रयास करने चाहिए और संबंधित रेगुलेटरी अथॉरिटीज को संस्थानों संग मिलकर काम करना चाहिए। डिस्टेंस एजुकेशन समय की जरूरत है और इसके लिए जरूरी तकनीक का प्रयोग हो। नैशनल मेडिकल काउंसिल (NMC), नैशनल कमीशन फॉर इंडियन सिस्टम ऑफ मेडिसिन (NCISM), वेटरनरी काउंसिल ऑफ इंडिया (VCI), ऑल इंडिया काउंसिल फॉर टेक्निकल एजुकेशन (AICTE), फार्मेसी काउंसिल ऑफ इंडिया (PCI), डेंटल काउंसिल ऑफ इंडिया समेत विभिन्न अथॉरिटी ने इस बैठक में हिस्सा लिया। सभी विषयों में भारतीय ज्ञान प्रणाली पर एक मॉड्यूल पेश करने की आवश्यकता पर भी जोर दिया गया।

प्रफेसर ऑफ प्रैक्टिस के लिए सिफारिश

बैठक में प्रफेसर ऑफ प्रैक्टिस को लेकर भी एक और सिफारिश आई। इसमें कहा गया कि UGC के प्रफेसर ऑफ प्रैक्टिस पोर्टल पर पंजीकरण के लिए उद्योगों के पेशेवरों को नामांकित करने के लिए संबंधित उद्योगों से खुद संपर्क किया जाए। 'प्रोफेसर ऑफ प्रैक्टिस' वे लोग हैं जिन्हें उनके प्रोफेशनल अनुभव के आधार पर कॉलेजों में छात्रों को पढ़ाने के लिए नियुक्त किया जा सकता है।

'लेख छापने में मौलिक अधिकार का इस्तेमाल'

■ विस, नई दिल्ली: सुप्रीम कोर्ट ने एक न्यूजपेपर के मालिक के खिलाफ दाखिल आपराधिक मानहानि के मामले को खारिज कर दिया। एक वकील के खिलाफ एक न्यूज आने के बाद यह केस दाखिल किया गया था। मैजिस्ट्रेट कोर्ट ने शिकायत खारिज कर दी थी लेकिन हाई कोर्ट ने शिकायत को बहाल कर दिया था, जिसके बाद मामला सुप्रीम कोर्ट में आया। सुप्रीम कोर्ट ने कहा, 'हमारा भी मानना है कि विचाराधीन लेख संविधान के अनुच्छेद 19 (1) (A) के तहत प्रदत्त अभिव्यक्ति की स्वतंत्रता के मौलिक अधिकार का प्रयोग करते हुए प्रकाशित किया गया था।' सुप्रीम कोर्ट के जस्टिस बीआर गवई की अगुआई वाली बेंच ने कहा कि मैजिस्ट्रेट कोर्ट ने शिकायत खारिज करते हुए कहा कि अभिव्यक्ति की आजादी संविधान देता है और हम इससे सहमत हैं।

सुप्रीम कोर्ट ने कहा कि जिस पर न्यूज आर्टिकल पर सवाल उठा है वह सकारात्मक दृष्टिकोण से छापा गया था और यह अभिव्यक्ति की आजादी के तहत आता है। मजिस्ट्रेट कोर्ट का फैसला अवैध नहीं कहा जा सकता है और उसमें दखल की जरूरत नहीं है।

आदेश अलमारी में बंद करने के लिए नहीं: सुप्रीम कोर्ट

■ विस, नई दिल्ली: सुप्रीम कोर्ट ने मंगलवार को कहा है कि जम्मू कश्मीर में इंटरनेट सेवा की बहाली के लिए दाखिल याचिका पर विचार करने का समीक्षा आदेश अलमारी में बंद करके रखने के लिए नहीं है। सुप्रीम कोर्ट ने जम्मू कश्मीर प्रशासन की ओर से पेश अडिशनल सॉलिसिटर जनरल से कहा कि सुनवाई की अगली तारीख तक इस मामले में कोर्ट को अवगत कराएं। दो हफ्ते का समय दिया गया है। फाउंडेशन फॉर मीडिया प्रोफेशनल्स ने याचिका दायर की है। जम्मू कश्मीर में इंटरनेट प्रतिबंधों पर केंद्रीय गृह सचिव की अध्यक्षता वाली एक विशेष समिति द्वारा पारित समीक्षा आदेश को प्रकाशित करने की मांग की गई है।

ईस्टर्न लद्दाख में LAC पर चीनी सैनिकों से भिड़ गए चरवाहे, विडियो वायरल

Poonam.Pandey@timesgroup.com

■ नई दिल्ली : ईस्टर्न लद्दाख में LAC के पास भारतीय चरवाहे चीनी सैनिकों से भिड़े। चरवाहों को चीनी सैनिक चारागाह में जानवर ले जाने से मना कर रहे थे। इस पर चरवाहों ने विरोध किया। चुशूल के काउंसलर कॉनचॉक स्टेंजिन ने सोशल मीडिया पर एक विडियो शेयर किया, जिसमें चीनी सैनिक चरवाहों को रोकते दिख रहे हैं और चरवाहे उनसे बहस कर रहे हैं और उस जगह से वापस जाने से मना कर रहे हैं।

डिफेंस सूत्रों के मुताबिक, यह विडियो जनवरी के पहले हफ्ते का न्योमा गांव के पास का है। गांववालों के मुताबिक वे इस जगह पर अपने जानवरों को हमेशा ले जाते हैं लेकिन चीनी सैनिक अपना इलाका बताते हुए रोकने लगे। गांव वालों ने कहा कि ये जगह उनकी है, ये उनका चरागाह है। उन्होंने चीनी सैनिकों से खूब बहस की और उनकी गाड़ी पर पत्थर भी मारे। विडियो में चीनी सैनिक पूरे घटनाक्रम को रेकॉर्ड करते दिख रहे हैं और चरवाहों से वापस जाने को कह रहे हैं। उनके आर्मर्ड वीइकल भी दिखाई दे रहे हैं।

चारागाह है अहम: LAC के पास के चारागाह सिर्फ आसपास रहने वालों और उनके पशुओं के लिए ही अहम नहीं है, बल्कि यह भारत की सीमा सुरक्षा के लिहाज से भी अहम है। इसलिए आए दिन कभी चीन के सैनिक भारत के लोगों को वहां पशु ले जाने से रोकते हैं तो कभी भारतीय सैनिक चीन की तरफ से आए लोगों को पशु वहां से दूर ले जाने के लिए कहते हैं। लाइन ऑफ एक्चुअल कंट्रोल के पास चरागाह का इस्तेमाल आसपास के गांव के लोग करते रहे हैं। ईस्टर्न लद्दाख को देखें तो वहां के गांववाले बताते हैं कि वक्त के साथ बहुत से चारागाहों पर चीन अपना दावा जताने लगा और हमें वहां जाने से रोका जाने लगा। चारागाह इसलिए भी अहम हैं क्योंकि इसके जरिए दोनों देश उस जगह पर अपना दावा पुख्ता करते हैं। जिन जगहों पर भारत के लोग पशुओं को लेकर जाते हैं, वह भारत का इलाका है और भले ही चीन उसे अपना बताता है। भारतीय चरवाहे भारतीय दावे को पुख्ता करते हैं।

LAC पर चारागाह को लेकर होता रहता है संघर्ष

मालदीव में विपक्ष की मांग, मोदी से माफी मांगें मुइज्जू

■ पीटीआई, माले: मालदीव में जम्हूरी पार्टी के नेता कासिम इब्राहिम ने राष्ट्रपति मोहम्मद मुइज्जू से भारत और पीएम नरेंद्र मोदी से औपचारिक रूप से माफी मांगने और द्विपक्षीय संबंधों को सुधारने के लिए राजनयिक सुलह करने को कहा। इब्राहिम की यह मांग चीन समर्थक माने जाने वाले मुइज्जू की टिप्पणियों पर आई है। मुइज्जू ने किसी देश का नाम लिए बगैर भारत को धमकाने वाला देश बताया था। विपक्षी मालदीवियन डेमोक्रेटिक पार्टी (MDP) ने सोमवार को कहा कि उसकी मुइज्जू पर महाभियोग चलाने के लिए एक प्रस्ताव रखने की तैयारी है। 13 जनवरी को चीन की पांच दिवसीय हाई-प्रोफाइल यात्रा के बाद स्वदेश लौटने पर मोइज्जू ने कहा था, 'हम छोटे देश हो सकते हैं लेकिन इससे उन्हें हमें धमकाने का लाइसेंस नहीं मिल जाता।'

दस्तावेज़ लीक केस में इमरान खान को 10 साल की जेल

■ पीटीआई, इस्लामाबाद

पाकिस्तान के पूर्व प्रधानमंत्री इमरान खान और पूर्व विदेश मंत्री शाह महमूद कुरैशी को गोपनीयता का उल्लंघन करने के मामले में मंगलवार को 10-10 साल जेल की सजा सुनाई गई। यह फैसला आठ फरवरी को होने वाले आम चुनाव से पहले आया है। दोनों पहले से ही जेल में हैं। भ्रष्टाचार के मामले में दोषी पाए जाने के बाद इमरान खान पहले से ही जेल में बंद हैं। इस मामले का संबंध गोपनीय राजनयिक दस्तावेज के खुलासे से है।

इमरान की पार्टी ने कहा, झूठा मामला: खान ने 27 मार्च, 2022 को एक सार्वजनिक रैली में अमेरिका का नाम लेते हुए दावा किया था कि यह उनकी सरकार को गिराने की एक 'अंतरराष्ट्रीय साजिश' का सबूत है। संघीय जांच एजेंसी ने पिछले साल 15 अगस्त को खान और कुरैशी के खिलाफ मामला दर्ज किया था। खान की पार्टी पाकिस्तान तहरीक-ए-इंसाफ (पीटीआई) ने घटनाक्रम की पुष्टि करते हुए कहा कि यह एक झूठा मामला है। मीडिया या जनता को इससे दूर रखा गया। पीटीआई नेताओं को पहली बार अक्टूबर 2023 में दोषी ठहराया गया था, लेकिन इस्लामाबाद हाई कोर्ट ने इस फैसले को पलट दिया था। दिसंबर में उन्हें फिर से दोषी ठहराया गया।

हाई कोर्ट जाएगी पूर्व पीएम की पार्टी

PTI के वकील बैरिस्टर अली जफर ने कहा कि वह बुधवार को इस्लामाबाद उच्च न्यायालय में अपील दायर करेंगे। उन्होंने कहा, 'मुकदमे की सुनवाई अच्छी चल रही थी लेकिन हाल के दिनों में न्यायाधीश ने सबकुछ बदल दिया। आपराधिक मुकदमे को निष्पक्ष होना चाहिए।'

CUET-UG के लिए भी रजिस्ट्रेशन प्रक्रिया फरवरी में ही: CUET-UG की परीक्षा 15 मई से 31 मई 2024 के बीच होगी। इसके लिए रजिस्ट्रेशन प्रक्रिया फरवरी में ही शुरू होगी। सूत्रों का कहना है कि 15 फरवरी के बाद ऑनलाइन रजिस्ट्रेशन शुरू हो सकता है। CUET-UG को लेकर अडवाइजरी कमिटी की मीटिंग भी जल्द होगी, जिसमें कुछ अहम फैसले लिए जा सकते हैं।

'तय तारीख पर ही जारी होगा रिज़ल्ट'

NTA के डायरेक्टर जनरल का कहना है कि इस बार सभी परीक्षा सेंटरों पर कड़ी निगरानी रखी जा रही है। छात्रों को किसी तरह की समस्या नहीं आई है। NTA ने जेईई मेन के पहले चरण की परीक्षा का रिजल्ट जारी करने की तारीख 12 फरवरी तय की है। NTA का कहना है कि तय तारीख के मुताबिक ही रिजल्ट जारी किया जाएगा। जेईई मेन के दूसरे सत्र की परीक्षा 1-15 अप्रैल के बीच होगी, जिसके लिए आवेदन प्रक्रिया पहले सत्र की परीक्षा का रिजल्ट आने के बाद शुरू होगी। देश की सबसे बड़ी मेडिकल प्रवेश परीक्षा NEET-UG 2024 के लिए ऑनलाइन रजिस्ट्रेशन की प्रक्रिया फरवरी के पहले हफ्ते में शुरू हो सकती है। नीट यूजी 5 मई को होगा।

Increase in Marketing Costs

▸▸ From Page 1

On the consumer internet side, expenses shot up for most of the major companies. Ecommerce behemoth Flipkart saw its marketing costs cross Rs 2,400 crore in FY23, up 24% from Rs 1,946 crore in FY22. The numbers pertain to the company's marketplace arm, Flipkart Internet.

"Startups require continuous investments in marketing, technology, and in hiring people with specific skill sets. At the same time, they also course correct on the investments made in other endeavours that have not found the right market fit," said Rohan Lakhaiyar, partner, Grant Thornton Bharat. "Therefore, the net effect results in no significant cost reduction for the entity."

Horizontal omnichannel retailers such as Nykaa, Mamaearth parent Honasa Consumer and FirstCry also saw both employee expenses and marketing costs rise anywhere between 23% to 55% during FY23.

Nykaa's marketing bill rose by 23% to Rs 591 crore and employee costs by 51% to Rs 492 crore. For FirstCry, expenses on marketing came in 54% higher, at Rs 416 crore, while that on employees zoomed 65% to Rs 408 crore. Mamaearth's employee expenses doubled and its marketing spend increased 35% between FY22 and FY23.

DEFINITION OF EXPANSION

The mentality of growth-at-all-costs went on the backburner for the overall startup ecosystem in 2023.

Interest rate hikes by central banks across the world starting early 2022 rendered capital scarce for growth- and late-stage companies, making it imperative for them to control outflow of cash.

"But for some sectors, the dynamics were different. Lack of cheap money meant that players in the leadership position were at an advantage," a Gurgaon-based unicorn founder told ET, on the condition of anonymity.

EoIs Invited in Sept Last Year

▸▸ From Page 1

Tata Group chairman N Chandrasekaran said earlier this month that it will set up a chip manufacturing unit at Dholera soon.

Israel's Tower Semiconductor has a close association with SCL as it had helped the Indian government plan the 180 nanometres chip plant. Tower Semiconductor is also very keen to enter the commercial chip manufacturing segment in India and has been in active discussions with the government while Texas Instruments has significant chip research and development operations in the country.

"Once the government decides on the exact nodes that the facility will manufacture, financial bids will be invited from these companies," said another senior government official. The firm, which will be given the final mandate, may have to partner with a technology firm that has licensing grade semiconductor technology, the official added.

The Tata Group, Tower Semiconductor and Texas Instruments did not respond to ET's queries till press time.

At present, the government-run Mohali facility produces chips of 180 nm node size, which have very limited use cases. The ministry of electronics and information technology (MeitY) officials said the goal is to bring the technology of the facility on a par with industry standards of legacy nodes of 65 and 40 nm to start with, before aiming for more cutting-edge nodes.

Founded in 1976, as Semiconductor Complex Limited, the organisation was meant to further India's ambitions of semiconductor manufacturing. The facility has, however, lagged behind private companies in terms of production as well as technology over the years.

$1B FUND FOR MODERNISATION

The government therefore earmarked $1 billion for modernisation of the facility and invited expressions of interest from the industry in September last year. The $1 billion fund is part of the government's $10 billion semiconductor incentive package to set up a semiconductor chip fabrication ecosystem in the country.

"We are hopeful of getting more bids, especially from domestic companies since a lot of the work is of crucial national importance. We are evaluating the current bids including from the Tata Group. A couple of companies working in the defence space have also shown interest," said one of the officials cited earlier.

SCL does not need to get into the commercial production of chips, the official said, adding, "It has been doing continuous research and development (R&D) work in the past and will continue doing so."

Rise in Young Flyers

▸▸ From Page 1

"During Covid a lot of companies facilitated the transfer of their white-collar workers by air. That led to a surge in first-time flyers," said Kumar, now president of InterGlobe Technology Quotient, a travel technology unit of IndiGo's owner InterGlobe Enterprises.

"Then, due to hybrid working, there was a lot of travel by young employees to their hometowns. Many of those first-time flyers have stuck to this mode of transport," he said, attributing it largely to increasing disposable incomes.

The number of students that travelled by IndiGo increased 53% year-on-year to 1.38 million in 2023, highlighting that more youngsters took to the skies in the airline that controls 60% of the domestic aviation market.

New airports and routes, especially the ones connecting smaller towns, also contributed to the increase. Last year, three greenfield airports were operationalised in Mopa, Goa, Shivamogga in Karnataka and Rajkot in Gujarat. Five other airports were operationalised in Rourkela and Utkela in Odisha, Hollongi in Arunachal Pradesh, Cooch Behar in West Bengal and Jamshedpur in Jharkhand.

IndiGo launched about 25 domestic and international routes, connecting India's smaller towns. Flyers from these towns are also mostly first-time flyers, according to the executives cited earlier.

For instance, India's busiest airport, in Delhi, handled 26 million domestic passengers in 2023, of which 12% (3.12 million) were first-time flyers. This means about 90% (of the 30 million estimated by CAPA) came from other airports, a large chunk of which came from the smaller cities, said industry executives.

Travel companies also noticed this trend. For instance, travel portal Ixigo said flyers from smaller towns constituted 36% of its air bookings in 2022-23, up from 29% in 2014-15.

"One of the significant shifts that we are witnessing over our 75-year history is the entry of new and younger air travellers," said Daniel D'Souza, president-holidays at SOTC Travel. "Since the pandemic, the average age of our customers has dropped by approximately 10 years. And what is noteworthy is that our 15-20% growth in this new segment is not restricted to metros, but emerging strongly from India's tier 2-3 cities."

In Gujarat, one of its key markets, the company is getting air travellers from Bhavnagar, Jamnagar, Rajkot, Surat and Vadodara, he said, adding, "The government's UDAN scheme has played a key role in ramping up regional connectivity and making air travel affordable for this cohort. Besides sheer convenience, the aspirational allure will continue to drive air travel, serving to fuel the growth engine of domestic tourism."

Rajeev Kale, president at Holidays, MICE, Visa, Thomas Cook (India), said the company has seen a 25% increase in new customers.

With the rapid increase in first-time flyers, airports have launched services such as Delhi airport's Atithya or passenger assistance service. Other efforts include placing detailed maps and floor plans across the passenger terminal, apart from an on-ground operations team to assist flyers.

A Mumbai airport executive said more and more first-time flyers are using the airport's passenger assistance service, Pranaam.

Fiscal Consolidation Delay

▸▸ From Page 1

"But the pace of expansion remains slow, and turbulence may lie ahead," said IMF's Gourinchas.

The finance ministry's economic review released on Monday cited robust domestic demand and the government's supply side measures — taken to provide impetus to economic activity — to predict around 7% growth this fiscal.

"It is one thing for India to grow at 8-9% when the world economy is growing at 4%, but it is another thing to grow at or above 7% when the world economy is struggling to grow at 2%," chief economic advisor V Anantha Nageswaran noted in the ministry's report released ahead of the interim budget scheduled to be tabled on Thursday.

GLOBAL PROSPECTS

IMF, in its World Economic Outlook, noted that though risks to the global economy have moderated, and artificial intelligence (AI) could boost investment and productivity, renewed geopolitical tensions could still upend growth.

"Shipping costs between Asia and Europe have increased markedly, as Red Sea attacks reroute cargoes around Africa. While disruptions remain limited so far, the situation remains volatile," it said. The agency also pointed out that fiscal consolidation may get delayed in 2024-25 "as many countries face rising calls for increased public spending, in what is the biggest global election year in history."

IMF noted that central banks would need to time easing of rates perfectly to avoid further slowdown. "They must avoid premature easing that would undo many hard-earned credibility gains and lead to a rebound in inflation. It will be equally important to pivot toward monetary normalisation in time," it said.

In India, economists expect a rate cut of 0.25 percentage point by the Reserve Bank of India's Monetary Policy Committee in its June or August policy meeting.

Strong Fresh Bookings

▸▸ From Page 1

"Demand parameters, as indicated by bookings and enquiries, remain healthy," said Shashank Srivastava, senior executive officer (marketing and sales) at the country's largest carmaker Maruti Suzuki.

Overall dispatches this month, though, will be ahead of retail volumes with dealers restocking showrooms post robust deliveries in December, he said.

Inventory in Maruti Suzuki's channel is expected to reach about 250,000 units by the end of January — still shy of meeting estimated demand for a month — up from 176,000 units at the start of the month.

Srivastava is optimistic of demand remaining buoyant in the ongoing quarter, which would help Maruti Suzuki breach the two million mark in sales by the close of fiscal year 2024.

Its closest rival Hyundai is equally buoyant.

"Growth, definitely, is on cards," said Tarun Garg, chief operating officer (COO) of Hyundai Motor India. "GDP growth estimates are good, stock markets are at an all-time high despite geopolitical tensions. Pent-up demand went away 4-5 months back but fresh bookings are strong," he reasoned.

"And even if the growth rate comes down on the high base of last year, this will be the third straight year of record sales for carmakers in India," Garg added.

ROOM FOR FURTHER EXPANSION

Sales of passenger vehicles in India grew by 8.2% to breach the four-million mark for the first time in 2023.

Hyundai, which registered 53% of its sales from SUVs last year, expects the share to increase to account for nearly two-thirds of its overall sales this year. "There is a lot of upside left in the SUV segment... The sub-Rs 10 lakh segment is expanding rapidly," Garg said.

While interest rates for car loans have been rising, carmakers are hopeful that lower inflation projected by the Reserve Bank of India (RBI) will help keep the rates under check and support sales.

Maruti's Srivastava said nearly 80% of all cars sold in the country are financed.

Since April 2022, the benchmark repo rate — or the rate at which the RBI lends money to banks — has increased by 250 basis points, or 2.5 percentage points. Car loan interest rates have gone up a little over half of that during this time.

"There is a possibility that the remaining 120 basis points creep in (to vehicle loan rates)," Srivastava said. "However, in case interest rates come down (given projections of lower inflation), demand will be stronger."

VITALS

Mayank Deplaned and Rushed to Hospital

Karnataka skipper Mayank Agarwal was rushed to a local hospital after falling ill just before his New Delhi-bound flight was about to take off, state cricket association sources said on Tuesday. He is believed to be out of danger. Mayank, who has played 21 Tests for India, led Karnataka to a 29-run win against Tripura on Monday. "He (Agarwal) is not in any kind of danger. He is under observation at a hospital in Agartala, and we will fly him back to Bengaluru once we get an update from the doctors," a Karnataka State Cricket Association (KSCA) official said. However, Agarwal will not play the next Ranji Trophy game against Railways in Surat. Multiple sources said that Agarwal probably mistook some other transparent liquid as water and drank it, after which he started feeling uneasy. **PTI**

McCullum Hints at All-Spin Attack

Off-spinner Bashir, whose arrival was delayed due to visa issues, could make his England debut in the second Test

Rory Dollard

England head coach Brendon McCullum has hinted they could go "quids in" and field an entire attack of spinners in the second Test against India.

After claiming an unforgettable victory in the curtain-raiser at Hyderabad, where sole seamer Mark Wood bowled 25 overs without opening his account on a slow turner, nothing is being ruled out.

Going into a five-day game with just one pace option looked a remarkably bold move a week ago but, with 18 of India's 20 wickets falling to spin and the other two to run-outs, the Kiwi is mischievously flirting with an even more maverick selection.

After watching Tom Hartley take 9 wickets on debut, including a decisive 7 for 62 on the final day, he is entertaining the idea of throwing another newcomer into the mix if India serve up a spinner's paradise in Visakhapatnam on Friday.

Twenty-year-old Shoaib Bashir only touched down in India at the weekend, with his arrival delayed by visa issues related to his Pakistani heritage, but is already under consideration to make an unprecedented five-pronged spin unit alongside Hartley, Jack Leach, Rehan Ahmed and Joe Root.

"He comes into the calculations," McCullum told New Zealand's SENZ Radio. "If the wickets continue to spin as much as we saw in the first Test, as the series goes on we won't be afraid to play all spinners, or a balance of what we've got.

> **If the wickets continue to spin as much as we saw in the first Test, as the series goes on we won't be afraid to play all spinners, or a balance of what we've got**
> **BRENDON MCCULLUM**, England coach

"We'll have a look at conditions and make a call. You're not going to get every call right, especially over here – it's hard to read some of the wickets. But we'll make a decision and go quids in on trying to commit to that. Then we'll see where we land."

Playing at least one fast bowler is still the likelier outcome, with the ability to change the pace of the game still a valuable string to captain Ben Stokes' bow and the country's record wicket-taker James Anderson eager to get into the series.

But where off-spinner Bashir is concerned, it is clear he is not merely along for the ride. Despite only playing six first-class games to date, he earned rave reviews for his efforts in the recent training camp in the United Arab Emirates and has finally put his travel woes behind him after being sent back to London to secure the required embassy stamp.

"Bash was obviously with us during our camp in Abu Dhabi and he really impressed with his skillset," McCullum said. "Like Tom Hartley, he was a guy who we looked at and thought, 'He's got some skills which could assist us in these conditions'.

"When you see guys you think are good enough, and who you think are going to suit the conditions, it's sort of horses for courses. Sometimes, you've got to be a little bit brave with selections." **The Independent**

Bhutia Demands President Chaubey's Resignation as AIFF Sacks Secy-Gen

Former India captain Bhaichung Bhutia on Tuesday demanded the resignation of All India Football Federation (AIFF) president Kalyan Chaubey, holding him responsible for the "current mess" in the administration of the game in the country even as Shaji Prabhakaran was dismissed as secretary general for the second time.

The AIFF's Executive Committee on Tuesday removed Prabhakaran from the post of secretary general, more than two months after the emergency committee did the same on November 7 for "breach of trust".

A single bench of the Delhi High Court had on December 8 ordered an interim stay on his sacking.

In its latest order of January 19, the High Court pointed out that Prabhakaran was dismissed by the emergency committee of the AIFF whereas the federation's constitution provides that only the executive committee has the power to do that.

"Shaji Prabhakaran was sacked as secretary general by the executive committee in the meeting on Tuesday," a source said.

Bhutia attended Tuesday's executive committee meeting of the AIFF to discuss the dismissal of Prabhakaran, who was not initially invited for the meeting but later allowed to join it virtually.

Bhaichung Bhutia

"I told the executive committee members that Kalyan Chaubey and treasurer Kipa Ajay should also resign. Shaji Prabhakaran should not be made the only scapegoat. All three of them are equally responsible for taking decisions without the approval of the executive committee," he said. "Indian football is in a mess, there is politics in the sport, cutting out each other after little over one year of taking charge, it is not good."

Another source confirmed Bhutia's version and added that Prabhakaran asked the executive committee members to explain what constituted the "breach of trust".

Bhutia, who lost in the AIFF presidential poll in 2022, also said that he did not know what constituted the "breach of trust" which led to Prabhakaran's dismissal. **PTI**

Chess Player Divya Criticises Sexism in the Game

Indian chess player Divya Deshmukh has hit out at the sexism that she believes exists among chess fans and called for women to start getting "equal respect" in the game.

Deshmukh won bronze at the 2022 Chess Olympiad and last year took victory at the Asian Women's Chess Championship in Almaty.

The 18-year-old holds the rank of International Master, but has opened up on the challenging environment she must contend with as a woman in chess.

Highlighting comments made beneath interviews after a Masters event in the Netherlands, Deshmukh suggested that female players are "overlooked" and "under-appreciated", with focus instead placed on their appearance.

"I got told, and also myself noticed, how women in chess are often just taken for granted by spectators," Deshmukh said on social media. "In this tournament, I played a few games which I felt were quite good and I was proud of them.

"[But] I got told by people how the audience was not even bothered with the game, but instead focussed on every single possible thing in the world, my clothes, hair, accent and every other irrelevant thing.

"I was quite upset to hear this and I think the sad truth is that when women play chess [fans] often overlook how good they actually are, the games they play and their strength.

"It is quite a sad thing. I felt it was unfair in a way, because if I go to any guy's interview there would be way less judgement on a personal level, [and more] actual compliments about the game and the player. I feel women are under appreciated and every irrelevant thing is focused on and hated on, while guys would probably get away with the same things.

"I think women face this on a daily basis. I'm barely 18 and I have faced so much judgement, including hatred, over the years for things that don't even matter. I think women should start getting equal respect." **Agencies**

Global Situation Still Volatile, Difficult to Predict Retail Fuel Price Cut: BPCL Chief

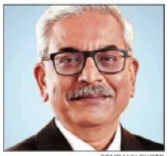
ET Q&A

State-run Bharat Petroleum Corp on Monday reported an 82% increase in consolidated net profit for the December quarter. Ahead of its proposed rights issue, **G Krishnakumar**, BPCL's chairman and managing director, tells **Kalpana Pathak** that media reports of a cut in the retail prices of fuel products are speculative. Edited excerpts:

With the Red Sea disruption, is there a challenge in importing crude oil or any other impact on your business?
The attacks on shipping vessels by the Houthi militants in the Red Sea have not impacted the flow of crude oil to India, but freight has gone up due to rerouting via the Cape of Good Hope. In the event the situation escalates, leading to a closure of the Red Sea route... this will lead to an incremental shipping cost due to an extended voyage duration of 13-15 days.

There is an expectation of retail fuel price cuts due to upcoming elections. Do you see that happening anytime soon?
The news reports on reduction of the retail selling prices of our fuel products are speculative. The global situation remains volatile. Therefore, it would be difficult to comment on when and whether the prices will be changed at this stage due to the sensitivity of the matter.

Will the government's decision to cut the allocation to OMCs (oil marketing companies) impact your rights issue plan?
BPCL had announced its intention to raise up to ₹18,000 crore through a rights issue, subject to market



COMPANY PHOTO

conditions. The final issue size, including the terms of the issue, will be intimated to the stock exchanges, in due course.

Other OMCs have created subsidiaries for their green energy businesses. Would BPCL too hive off its green energy businesses into a subsidiary?
BPCL has already created a separate BU (business unit) for renewable energy and hydrogen in 2021 and has created a separate entity for biofuels in 2023. We have plans to build our green energy business that would comprise renewables, hydrogen, alternative fuels, etc., as part of the five-year 'Project Aspire'. The green energy business landscape is evolving in terms of technological advancements, frequent mergers and acquisitions, and a heightened sensitivity to commercial dynamics. These factors will be considered while finalising the structure, but notwithstanding this, we will progress with the execution of our plans in this space. We are concurrently evaluating various options for structuring this business viz. subsidiary or JV or continuing as a business unit.

Can you give an update on BPCL's green hydrogen plans?
We are implementing projects like a 2.15 TPD (tonnes per day) (5 MW) green hydrogen modular pilot plant at Bina Refinery in MP, setting up a hydrogen refuelling station at CIAL (Cochin International Airport) using indigenous water electrolyser projects, and proposing to blend hydrogen into natural gas pipelines (max. 5 vol%) at Nangal, Punjab. Also have entered into various tie-ups. NCLT Gives Sony Three Weeks to Respond to Zee Shareholder's Plea

Mad Man Film Ventures seeks NCLT's intervention to implement Zee-Sony merger scheme

Maulik Vyas & Javed Farooqui

Mumbai: The Mumbai bench of the National Company Law Tribunal (NCLT) on Tuesday gave Sony Group Corp entities three weeks to respond to a plea filed by a shareholder of Zee Entertainment Enterprises seeking the implementation of the merger scheme between the two companies.

The development comes at a time when the Singapore International Arbitration Centre is expected to commence hearing in the arbitration proceedings against Zee by Sony Group Corp-owned Culver Max Entertainment and Bangla Entertainment on January 31, said sources privy to the development.

In the arbitration, Zee will be represented by former Attorney General Mukul Rohatgi, while Senior Counsel Harish Salve will appear on behalf of Sony.

Both Sony and Zee declined to comment on the arbitration proceedings.

Mad Man Film Ventures, one of the shareholders of Zee, has sought the NCLT's intervention to implement the merger scheme, which was terminated by Sony Group companies on January 22, citing non-fulfilment of closing conditions by Zee.

The division bench of judicial member Lakshmi Gurung and a technical member, Charanjeet Singh Gulati, while allowing the Sony Group companies Culver Max Entertainment and Bangla Entertainment three weeks to file their reply, has adjourned the matter to March 12.

Before that, Senior Counsel Darius Khambata appeared for the Sony Group companies, arguing that this application is nothing but a 'proxy of Zee'.

"The scheme was conditional, based on various regulatory approvals and other pre-conditions between parties. The scheme explicitly said that it would become effective on the date of the last date of fulfilling all the conditionalities," argued Khambata. "It is our case that some of the pre-conditions have not been complied with, and hence the merger is not complete."

Counsel for Mad Man Film argued that the company is a shareholder of Zee Entertainment and has filed this application for the implementation of this merger scheme.

Janak Dwarkadas, senior counsel for Zee, contended that they would decide whether or not to file their response in this application at a later date, given that the company has already filed an application with the NCLT for direction to implement the merger scheme.

"A shareholder being a member of the company is entitled to apply to the Tribunal to enforce its rights and for implementation of the scheme," said an independent lawyer Ruchi Khatlawala Pandya, Partner at law firm Little & Co.
