Krishi 24/7, the first-ever AI-powered solution for automated agricultural news monitoring and analysis

Department of Agriculture and Farmers' Welfare (DA&FW) in collaboration with Wadhvani Institute for Artificial Intelligence (Wadhvani AI) developed Krishi 24/7, the first-ever AI-powered solution for automated agricultural news monitoring and analysis, with support from Google.org. Krishi 24/7 will aid DA&FW to identify relevant news, generate timely alerts, and take prompt action to protect farmers' interests and promote sustainable agricultural growth through improved decision-making. The introduction of Krishi 24/7 addresses the need for an efficient mechanism to identify and manage agricultural news articles of interest to aid timely decision-making. The tool scans news articles in multiple languages and translates them into English. It extracts essential

information from news articles, such as headline, crop name, event type, date, location, severity, summary, and source link, ensuring that the ministry receives timely updates on relevant events published on the web. Launching the initiative, Secretary (DA&FW) Shri Manoj Ahuja said that this news monitoring system will not just keep us informed but empower us to shape the narrative. In the spirit of continuous improvement, he further suggested that we remain open to enhancing this system as we move forward. As the world evolves, so should our tools. The team will work together to ensure that this news monitoring system becomes a dynamic force, adaptable to the changing landscape of information, and a valuable asset in our mission to better serve our farmers.

Centre launches sale of 'Bharat' Atta at a MRP of 27.50/Kg

Union Minister, Shri Piyush Goyal flags off 100 mobile vans for the sale of Bharat Atta, 'Bharat' Atta also available at Kendriya Bhandar, National Agricultural Cooperative Marketing Federation of India Ltd and National Cooperative Consumers Federation of India Ltd

The Union Minister for Consumer Affairs, Food and Public Distribution, Textiles and Commerce and Industry, Secretary (DA&FW) Shri Manoj Ahuja said that this news monitoring system will not just keep us informed but empower us to shape the narrative. In the spirit of continuous improvement, he further suggested that we remain open to enhancing this system as we move forward. As the world evolves, so should our tools. The team will work together to ensure that this news monitoring system becomes a dynamic force, adaptable to the changing landscape of information, and a valuable asset in our mission to better serve our farmers.

NAFED and NCCF to provide relief to consumers. He added that all these efforts have also benefited farmers a great deal. Shri Goyal said that the produce of farmers is being purchased by the Centre and thereafter, is being provided to the consumers at a subsidised rate. He stressed that Centre's intervention has led to stabilise prices of various commodities. He said that Prime Minister, Shri Narendra Modi has the honour to help the consumers as well as the farmers.

The Government of India has taken a series of steps to stabilize the prices of essential food grains while also ensuring fair price to the farmers. Bharat Dal (Bharat dal) is already being sold by these 3 agencies @ Rs.60 per kg for 1kg pack and Rs.55 per kg for 30 kg pack from their physical and/or retail outlets, along with onions @ Rs.25 per kg. Now, with the launch of sale of 'Bharat' Atta, consumers can get Atta, dal as well as onions from these outlets at fair and affordable prices. Policy interventions of G.O. aim to benefit farmers as well as consumers. For the farmers, G.O. fixes MSP (Minimum Support Price) of foodgrains, pulses as well as coarse grains and millets. Nationwide procurement operations are undertaken to implement the PSS (Price Support Scheme) which ensures the benefit of MSP to farmers. In RMS 22-24, 26 LMT of wheat was procured from 21.29 lakh farmers at the declared MSP of Rs.2125 per quintal. The total value of procured wheat was Rs.55679.73 crores. In KMS 22-23, 569 LMT of rice was procured from 124.95 lakh farmers at the declared MSP of Rs. 2060 per quintal for

Grade 'A' paddy. The total value of procured rice was Rs. 1,74,376.66 crores. The procured wheat and rice is offered completely free of cost under Pradhan Mantri Garib Kalyan Anna Yojana (PMGKYA) through a network of about 5 lakh FPS in the country to about 80 crore PDS beneficiaries. Further, about 7 LMT of coarse grains/millets were also procured at MSP and distributed under TPDS/Other Welfare Schemes in 22-23. Many measures are taken for the benefit of ordinary consumers who are not covered under TPDS. Sale of 'Bharat Atta', 'Bharat Dal' and tomatoes and Onions at affordable and fair prices is one such measure. So far, 59183 MT dal has already been sold, benefiting ordinary consumers.

Food Corporation of India (FCI) is conducting Nationwide weekly e-auctions for sale of wheat under OMSS(D). Only wheat processors (Atta chakris /roller flour mills) can participate in these weekly e-auctions. FCI is offering FAQ and URS Wheat for sale @Rs. 2150

and 2125 per quintal value respectively, in accordance with the prices fixed by Government. Traders are not allowed to participate in the e-auction as the intent of the Government is to ensure that purchased wheat is directly processed and released to ordinary consumers at affordable prices. Each bidder can take up to 200 MT in the weekly e-auction. FCI is offering 3 LMT of wheat for sale in the weekly e-auctions under OMSS(D). So far, 65.22 LMT of wheat has already been released into the open market by FCI as per Government directions. Government of India has significantly increased the total amount of wheat to be offered for sale under OMSS (D) to 101.5 LMT till March 2024,

the market by traders, processors and retailers on a regular basis, and there is no stockpiling/hoarding. These steps are taken to check increase in the market prices of wheat by increasing its supplies. Government has also banned export of non-basmati rice and imposed a floor price of USD 950 for export of Basmati rice. Under OMSS(D) FCI is offering 4 LMT of rice for sale in the weekly e-auctions, to increase availability of rice in the domestic market. FCI is offering Rice for sale @Rs. 29.00-29.73/Kg in accordance with the prices fixed by Government. Government has shown unwavering commitment for
