Praveg Limited Announced Q2 & H1 FY24 Results

Ahmedabad : Praveg Limited (BSE - 531637), India's leading eco-responsible luxury resorts company, reported its unaudited Financial Results for the second quarter of fiscal year 2023-24 (Q2 FY24). The current quarter experienced a decrease in demand due to seasonal factors, resulting in a 15.29% decline in our total income compared to the same quarter last year. Moreover, our EBITDA margins have narrowed down due to the elevated operational costs associated with our upcoming project developments. With 6 properties now operational and 12 more in the pipeline, the Company is anticipating strong growth during the second half of the year. To reduce the impact of seasonal earnings fluctuations Praveg is investing in resort and hotel properties that will remain operational around the year. The company's recent opening of two beach resorts in Daman and Diu exemplifies this

proactive approach. The introduction of new resorts in both the previous and current financial year has resulted in a year-on-year increase in depreciation and amortization charges by over 68.50%. This uptick can be attributed to the substantial capital expenditures associated with the development of new resort properties in Q2 FY24. The focus remains on identifying avenues for expense optimization and operational refinement to drive improved financial performance in the upcoming quarter. Notably, the company attained a robust EBITDA margin of 30.6% in Q2 FY24. Additionally, the company depreciates and amortizes non-permanent structures and equipment used in resort construction over a shorter span of five years, resulting in higher non-cash charges against profits compared to industry standards.

The radio network has roped in Bollywood star Sonu Sood, who is the face of the campaign and India's next shopping partner. Conceptualised with the aim of helping small-scale retailers to build back better, Super Duper Dhamaka Season 2 takes a step ahead to make this a rewarding

He will explain the entire concept of the Super Duper Dhamaka sale and help them navigate the platform. Offering a more personalised experience, Sonu Sood will engage users by

enquiring about their product preferences amongst a host of categories, while also providing information about the best offers available in particular areas. QR codes will also be present in stores which users can scan and lucky few will stand a chance to win bumper prizes. Speaking about the campaign, Sunil Kumar, COO, BIG FM, said, "Super Duper Dhamaka is our endeavour to provide small scale retailers with a platform that helps increase their reach resulting in sales and which makes shopping an easy experience for the users as well.
