- 5 As a measure of restructuring and with the consent of Leading Bank and other Lending banks under the Joint Lender Forum (JLF) mechanism, the Company had transferred in the year ended March 31, 2015 certain assets comprising of immovable properties, receivables and inventory to its subsidiaries - Kelbuzz Trading Private Limited, SKG Terra Promenade Private Limited and SLPKG Estate Holdings Private Limited, which will function as special purpose vehicles to hold such assets, dispose off the same and pay off certain debts (bank dues) transferred by the Company. The amounts outstanding and due from the subsidiaries as at March 31, 2019 in respect of the transfer of the assets as mentioned above, other expenses incurred by the subsidiaries reimbursed by the Company and interest charged totally amounts to ₹14,898.79 lakhs (₹14,516.72 lakhs as at March 31, 2018) after considering Ind AS adjustments. These subsidiaries are taking active steps to repay the dues of the Company from collection of debts (receivables) assigned and from disposal of immovable properties / inventories transferred apart from debts (bank dues) transferred / to be transferred as referred above. As on the date of results, the company was in advance stage of discussion for monetization of properties of its Subsidiaries. The Board of Directors are confident of recovering all the pending dues. - 7 (b) The net worth (after excluding revaluation reserve) of the group in terms of the consolidated financial statements as at March 31, 2019 consisting of the Company, its subsidiaries and its associate is eroded. There were certain overdues in respect of banks and creditors. The Company and its components have initiated several measures like active steps being taken for disposal of non-core assets, arrangement under JLF mechanism for restructuring of dues to banks, sanction of further non-fund based limits by banks, infusion of capital by the promoters, rationalization of operations, introduction of value added products, push for sales, optimization in product mix and enhanced contribution, capital raising plans etc. The Company is in advanced stage of negotiation for funding arrangements with various parties which will improve the performance in forthcoming periods. The Company is confident that this funding arrangement will have a positive impact on the net worth of the Company. Accordingly, your directors have prepared these financial results of the Company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 8 a. The Company has filed before the honorable Supreme Court, special leave petition (SLP) in respect of resale tax penalty demand of ₹527 lakhs on its erstwhile subsidiary Kaytee Switchgear Limited (since merged with the parent company) and confirmed by the honorable High Court of Karnataka. This SLP has been admitted by the honorable Supreme Court.
- b. The Company also approached the Karnataka Sales tax authorities seeking settlement of the Sales tax penalty of ₹362 lakhs, under 'Karasamadhana Scheme 2017'(Scheme) which involves settlement of the matter by payment of 10% of the amount of penalty and withdrawing the appeal before the honorable Supreme Court. However, the same could not be resolved due to certain interpretation issues of the Scheme and demand for certain amount as further tax payment without considering the amounts already paid by the Company. Consequently, the Company filed a writ petition in the honorable High Court of Karnataka challenging the scheme on grounds of discrimination and seeking specific reliefs. The honorable High Court of Karnataka has passed the order on October 01, 2018, that the deposit of Penalty amount made by the Company so far under the interim orders of the honorable High Court of Karnataka and honorable Supreme Court, shall be considered as Deposit made under the provisions of the said scheme subject to the final order by the appropriate authority in terms of the scheme for the adjustment of such deposited amount of Penalty. Further, on March 23, 2019, the Company has received the Final order from Assistant Commissioner of State Tax, Local Goods & Service Tax-140. In the said order, out of Rs.180.05 Lakhs initial deposit amount paid under protest for preferring an appeal by the Company, Rs.36.21 Lakhs has been considered as the full and final settlement for adjustment against the pending amounts under 'Karasamadhana Scheme 2017' and the balance amount Rs.144.84 Lakhs has been refunded on March 29, 2019 to the Company.
- c. The Company received a reassessment order under Karnataka Value Added Tax Act, 2003 ("KVAT") in an earlier year for the period April 2009 to March 2010 essentially denying input credit and making certain other disallowances and consequently, raised a demand of ₹893 lakhs. According to the Company the said order was passed based on incorrect interpretation of law. The Company was legally advised that the said order is not sustainable and consequently a writ petition was filed in the honorable High Court of Karnataka seeking relief from the said order and quashing of the same. The honorable High Court of Karnataka disposed the writ petition made by the company on January 10, 2018 and has passed the order setting aside for passing the fresh order in accordance with the law by the assessing authorities. The concerned authority is yet to pass the fresh orders.

Under the above circumstances, the Company believes based on legal advice / internal assessment that the outcome of these contingencies will be favorable, that losses are not probable and no provision is required to be recognized in this respect.

- 9 Exceptional Items in the consolidated results include Rs.346.40 Lakhs income arising on account of One time settlement entered with State Bank of India for repayment and closure of its outstanding loan in subsidiary, SLPKG Estate Holdings Private Limited on February 27, 2019.

- 10 Other Income for the quarter and year ended March 31, 2019 primarily includes the profit on sale of properties of the Company situated at Malleshwaram West, Bangalore. Consequently, major part of the sale proceeds have been utilised towards the repayment of the financial dues to the banks and financial institutions.
- 11 Sales for the year ended March 31, 2019 is net of Goods and Service Tax (GST) due to implementation of GST with effect from July 1, 2017. However, sales for the previous year ended March 31, 2018 is gross of excise duty up to June 30, 2017 and subsequent to that, net of GST.

3. **Basis of Qualified Opinion:**

Attention of the Directors is invited to note 5 to the audited financial results regarding amounts due to the Company from certain subsidiaries towards part consideration receivable on sale/assignment of certain immovable properties, receivables, interest charged and expenses reimbursed. We have relied on the management's representations that it is confident of realization of amounts due to the said subsidiaries aggregating to Rs.14,898.79 lakhs (Rs.14,516.72 lakhs as at March 31, 2018) against which provision is recognized for an amount of Rs.2,970.77 lakhs. Pending disposals/realization of assets by the subsidiaries, shortfall in realization of the amount outstanding (net of provision), if any, could not be ascertained.

Based on our audit conducted as above except for the effects in respect of the matter stated in the paragraph on "Basis of Qualified Opinion" and to the best of our information and according to the explanations given to us, these quarterly and year to date financial results:

- a) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and

- a) give a true and fair view of net loss including other comprehensive income and other financial information for the quarter ended March 31, 2019 and for the year ended March 31, 2019.

4. Key Audit Matters:

- a) Note 7(b) of the audited financial results - The directors have detailed the reasons for preparing these audited financial results on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associate) have incurred losses and their net worth (after excluding Revaluation Reserve) is eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan and infusion of requisite funds. We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on the representations made by the Company and hence we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

5. Emphasis of Matter:

- a) Note 8(a) of the audited financial results, which states that the Company has filed Special Leave Petition in respect of demands of resale tax penalty of Rs.527 lakhs before the honorable Supreme Court of India. The Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

6. Other Matters:

We did not audit the financial statements/information of one branch, the Kuala Lumpur office of the Company, included in the quarterly and year to day financial results of the Company for the quarter ended and year ended March 31, 2019 whose financial statements/information reflect total assets of Rs.209.90 lakhs as at March 31, 2019 and total revenues of Rs.1 lakhs for the year ended on that date. The financial statements/information of the said office have been audited by the branch auditors (M/s Sundar and Associates, Chartered Accountants) whose report has been furnished to us, and our opinion on the quarterly and year to date financial results, to the extent they have been derived from such financial statements is based solely on the report of such branch auditors. Our report is not modified in respect of this matter.

7. The figures for the quarter ended March 31, 2019 are the balancing figures between audited figures in respect of the full financial year ended March 31, 2019 and the published year-to-date figures upto December 31, 2018, being the date of the end of the third quarter of the current financial year, subjected to a limited review by us.

Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Parent's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the Parent's internal financial control with reference to the Statement. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.
