Independent Auditor's Report on Quarterly & year to date Standalone Financial Results of Jubilant Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To,
The Board of Directors of Jubilant Industries Limited.

We have audited the accompanying standalone Ind AS Financial Results of **Jubilant Industries Limited** ("the company") for the quarter and year ended March 31, 2018 ("the statement"), being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by circular no. CIR/CFD/FAC/62/2016 dated July 5, 2016. Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in these standalone financial results are the balancing figure between standalone audited figures in respect of the full financial year and the published year to date standalone figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These standalone financial results have been prepared on the basis of the standalone annual financial statement and reviewed quarterly standalone financial results upto the end of the third quarter which are the responsibility of the company's management. Our responsibility is to express an opinion on these standalone financial results based on our audit of the annual financial statements which have been prepared in accordance with the recognition and measurement principles laid down in Companies (Indian Accounting Standards) rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with regulation 33 of the Listing Regulation.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and perform the audit to obtain reasonable assurance about whether the financial results are free from material misstatement(s).

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the statement. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the statement whether due to fraud or error. In making those risk assessment, the auditor considers internal financial controls relevant to the Company's preparation and fair presentation of the statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the statement.
