#### Notes to standalone unaudited financial results :

- 1. The above results have been approved and taken on record by the Board of Directors at their meeting held on 25th July 2019.
- 2. The Competition Commission of India (CCI), vide its order dated 31st August 2016, had imposed a penalty of ₹ 1,163.91 crore on the Company. On Company's appeal, the Competition Appellate Tribunal (COMPAT), subsequently merged with National Company Law Appellate Tribunal (NCLAT), vide its interim Order had granted stay against the CCI's Order with a condition to deposit 10% of the penalty amount. NCLAT, vide its Order dated 25th July 2018, dismissed the Company's appeal and upheld the CCI's order. Against this, the Company appealed to the Hon'ble Supreme Court, which by its order dated 5th October 2018 admitted the appeal and directed to continue the interim order passed by the Tribunal, in the meantime.

In a separate matter, pursuant to a reference filed by the Director, Supplies and Disposals, Government of Haryana, the CCI vide its Order dated 19th January 2017, had imposed a penalty of ₹ 29.84 crore on the Company. On Company's appeal, COMPAT, has stayed the operation of CCI's order in the meanwhile. The matter is pending for hearing before NCLAT.

Based on the advice of external legal counsel, the Company believes it has good grounds on merit for a successful appeal in both the aforesaid matters. Accordingly, no provision is made in the above financial results.

- 3. Exceptional items for the year ended 31st December 2018 includes :
  - a. ₹81.41 crore, on account of charge towards separation scheme for employees.
  - b. Provision towards loans and interest thereon, due from Dirk India Private Limited (a wholly owned subsidiary of the Company), amounting to ₹ 37.94 crore and ₹ 10.60 crore respectively.
- 4. The Company was entitled to incentives from the Government at its plants located in the states of Himachal Pradesh and Uttarakhand, in respect of Income tax assessment years 2006-07 to 2015-16. The Company contended in its income tax returns that the said incentives are in the nature of capital receipts, and hence not liable to income tax, although these were provided for in the books of account. The Income tax department had consistently not accepted this position and appeals were filed by the Company against the orders of the Assessing Officer, with the Commissioner of Income Tax Appeals (CIT-A).

In view of the series of repeated favourable orders from the Income tax department received by the Company and its subsidiary, ACC Limited, the Company had reviewed the matter and after considering the legal merits of the Company's claim, including inter-alia, the ratio of the decisions of the Hon'ble Supreme Court, and the pattern of favourable orders by the department including favourable disposal of the Company's appeals by the CIT-A during the previous years, the Company reassessed its underlying exposure and concluded that the risk of an ultimate outflow of economic benefits for this matter is no longer probable. The Company had consequently reversed the income tax provisions and related interest provisions amounting to ₹ 372.01 crore and ₹ 35.87 crore, respectively in the year ended 31st December 2018.

Further, on receipt of Orders Giving Effect (OGEs) to the Commissioner of Income Tax - Appeals orders for certain assessment years, the Company has recognised interest income on income tax refund and reversal of provision for interest on income tax, aggregating ₹ 132.58 crore during the quarter ended 31st March 2019 and six months ended 30th June 2019. However, considering the uncertainty of its ultimate realisability, the Company has also made a provision of ₹ 81.00 crore, resulting in recognition of net income of ₹ 51.58 crore in other income during the quarter ended 31st March 2019 and six months ended 30th June 2019.

- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- 4. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. We draw attention to Note 2 to the Statement which describes the following matters:

- a. In terms of the order dated 31st August, 2016, the Competition Commission of India (CCI) had imposed a penalty of Rs.1,163.91 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Company. On Company's appeal, National Company Law Appellate Tribunal (NCLAT), which replaced the Competition Appellate Tribunal (COMPAT) effective 26th May, 2017, in its order dated 25th July, 2018 had upheld the CCI's Order. The Company's appeal against the said judgement of NCLAT before the Hon'ble Supreme Court was admitted vide its order dated 5th October, 2018 with a direction that the interim order passed by the Tribunal would continue.
- b. In a separate matter, pursuant to the reference filed by the Director, Supplies and Disposals, State of Haryana, the CCI vide its order dated 19th January, 2017 had imposed a penalty of Rs.29.84 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Company. On Company's filing an appeal together with application for interim stay against payment of penalty, COMPAT has stayed the penalty pending hearing of the application. The matter is listed before the NCLAT for hearing.

Based on the Company's assessment on the outcome of these appeals, supported by the advice of external legal counsel, the Company is of the view that no provision is necessary in respect of these matters.

Our conclusion on the Statement is not modified in respect of these matters.

6. We did not review the financial information of a joint operation included in the Statement whose interim financial information reflects total assets of Rs.0.70 crores as at 30th June, 2019, total revenue of Rs.0.01 crores and Rs.0.02 crores for the quarter and six months ended 30th June, 2019 respectively, total net loss after tax of Rs.0.10 crores and Rs.0.19 crores for the quarter and six months ended 30th June, 2019 respectively, and total comprehensive loss of Rs.0.10 crores and Rs.0.19 crores for the quarter and six months ended 30th June, 2019 respectively, and total comprehensive loss of Rs.0.10 crores and Rs.0.19 crores for the quarter and six months ended 30th June, 2019 respectively, and total comprehensive loss of Rs.0.10 crores and Rs.0.19 crores for the quarter and six months ended 30th June, 2019 respectively, and net cash flows of Rs.0.11 crores for the six months ended 30th June, 2019 respectively, and net cash flows of Rs.0.11 crores for the six months ended 30th June, 2019, as considered in this Statement. The interim financial results of the joint operation have been reviewed by the other auditors whose report has been furnished to us, and our conclusion in so far as it relates to the amounts and disclosures included in respect of the joint operation, is based solely on the report of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of this matter.

#### Notes to consolidated unaudited financial results :

- The above results have been approved and taken on record by the Board of Directors at their meeting held on 25th July 2019.
- 2. The Competition Commission of India (CCI), vide its Order dated 31st August 2016, had imposed a penalty of ₹ 1,163.91 crore on the Company and ₹ 1,147.59 crore on its subsidiary, ACC Limited. On appeal by the Company and ACC Limited, the Competition Appellate Tribunal (COMPAT), subsequently merged with National Company Law Appellate Tribunal (NCLAT), vide its interim Order had granted stay against the CCI's Order with a condition to deposit 10% of the penalty amount. NCLAT, vide its Order dated 25th July 2018, dismissed the appeal by the Company and ACC Limited, and upheld the CCI's order. Against this, the Company and ACC Limited appealed to the Hon'ble Supreme Court, which by its order dated 5th October 2018, admitted the appeal and directed to continue the interim order passed by the Tribunal, in the meantime.

In a separate matter, pursuant to a reference filed by the Director, Supplies and Disposals, Government of Haryana, the CCI vide its Order dated 19th January 2017, had imposed a penalty of ₹ 29.84 crore on the Company and ₹ 35.32 crore on ACC Limited. On appeal by the Company and ACC Limited, COMPAT has stayed the operation of CCI's order in the meanwhile. The matter is pending for hearing before NCLAT.

Based on the advice of external legal counsel, both companies believe that they have good grounds on merit for a successful appeal in both the aforesaid matters. Accordingly, no provision is made in the above financial results.

- 3. Exceptional items for quarter & six months ended 30th June 2018 and for the year ended 31st December 2018 pertain to charge towards separation schemes for employees.
- 4. The Company and its subsidiary ACC Limited (ACC) were entitled to incentives from the Government at their plants located in the states of Himachal Pradesh and Uttarakhand, in respect of Income tax assessment years 2006-07 to 2015-16. The Company and ACC, contended in their income tax returns that the said incentives are in the nature of capital receipts, and hence not liable to income tax, although these were provided for in the books of account. The Income tax department had consistently not accepted this position and appeals were filed by the Company and ACC against the orders of the Assessing Officer, with the Commissioner of Income Tax – Appeals (CIT-A).

In view of the series of repeated favourable orders from the Income tax department received by the Company and ACC, both the companies had reviewed the matter and after considering the legal merits of the claim, including inter-alia, the ratio of the decisions of the Hon'ble Supreme Court, and the pattern of favourable orders by the department including favourable disposal of the appeals by the CIT-A during the previous years, both the companies reassessed their underlying exposure and concluded that the risk of an ultimate outflow of economic benefits for this matter is no longer probable. Both the companies had consequently reversed the income tax provisions and related interest provisions amounting to ₹ 872.64 crore and ₹ 35.87 crore respectively in the year ended 31st December 2018.

## Ambuja Cement

However, considering the uncertainty of its ultimate realisability, the Company and ACC have also made a provision of ₹ 258.18 crore, resulting in recognition of net income amounting to ₹ 151.06 crore in other income during the quarter ended 31st March 2019 and six months ended 30th June 2019.

5. Ambuja Cement Limited Staff Provident Fund Trust, had invested ₹ 4.45 crore in the bonds of IL&FS Financial Services Limited and IL&FS Transportation Networks Limited. The provident fund trust of of ACC Limited, a subsidiary, had invested ₹ 49.00 crore in perpetual bonds of IL&FS Financial Services Limited. In view of uncertainties regarding recoverability of these investments, the Company and its subsidiary, ACC Limited has charged ₹ 1.75 crore and ₹ 43.24 crore respectively (net of surplus funds in the Trust), during the quarter and six months ended 30th June 2019, being the change in the remeasurement of the defined benefit plans, in Other Comprehensive Income, towards probable incremental employee benefit liability that may arise on the Company and ACC Limited on account of any likely shortfall in the respective trusts. The respective trusts have filed an intervention application before the NCLAT New Delhi, to ensure full recovery of principal and interest on these investments.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

On appeal by the Parent and ACC Limited, National Company Law Appellate Tribunal (NCLAT), which replaced the Competition Appellate Tribunal (COMPAT) effective 26th May, 2017, in its order dated 25th July, 2018 had upheld the CCI's Order. The appeals by the Parent and ACC Limited against the said judgement of NCLAT before the Hon'ble Supreme Court were admitted vide its order dated 5th October, 2018 with a direction that the interim order passed by the Tribunal would continue.
  - b. In a separate matter, pursuant to the reference filed by the Director, Supplies and Disposals, State of Haryana, the CCI vide its order dated 19th January, 2017 had imposed penalty of Rs.65.16 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Parent and ACC Limited. On appeal by the Parent and ACC Limited together with application for interim stay against payment of penalty, COMPAT has stayed the penalty pending hearing of the application. The matter is listed before the NCLAT for hearing.

Based on the assessment of the Parent and ACC Limited on the outcome of these appeals, supported by the advice of external legal counsel, both the companies are of the view that no provision is necessary in respect of these matters.

Our conclusion on the Statement is not modified in respect of these matters.

\*Excludes dividend from ACC Ltd (subsidiary) ₹ 132 crore in Jan-Mar'19 Quarter and ₹ 141 crore in the Apr-Jun'18 Quarter

"Ambuja delivers a strong performance in the quarter backed by higher realisations and accelerated cost saving actions. Despite higher fuel costs, the company did well by optimising logistics costs, reducing raw material and fixed costs. Cement demand growth was muted in the quarter. Focus on increasing premium product portfolio, targeting high contribution markets, improved customer service combined with logistics efficiencies resulted in achieving a strong performance." said Bimlendra Jha, Managing Director and CEO.

## Financial Performance

Net Sales stood at ₹ 2,912 crore compared to ₹ 2,927 crore in the corresponding quarter of the previous year. Pace of construction activities slowed down due to liquidity issues in the market and weak demand. Cement realisation registered a growth of 9% year on year.

Fuel costs were higher in this quarter and partly mitigated by freight & forwarding costs on account of network optimization, re-negotiations of contracts and change in mode mix.

## Outlook

Re-election of a stable Central Government is expected to provide policy continuum and growth momentum. Recent actions such as lower interest rates, reforms in IBC and slew of measures announced for the financial sector to ease the liquidity, augur well for the economy. The Government's current budgetary allocation in infrastructure development, i.e. construction of concrete roads, interlinking of rivers, irrigation projects and affordable housing is expected to have a favourable impact on cement demand.
