2. The details of allotment of Equity Shares on exercise of option by FCCB Holders are as under:

3. The Hon'ble Supreme Court of India held that telecom tower is exigible to Property Tax and States can levy property tax on the same. The matter being still sub judice with respect of the component of Property Tax and non-receipt of demand notices for majority of the towers of the Company and the Company's right to recover property tax from certain customers, the Company is unable to quantify actual property tax amount payable. The provision will be considered as and when the matter is resolved. In respect of the above, the auditor/s have issued modified reports for the quarter and year ended March 31, 2019 and also the reports on the financial statements of earlier years.

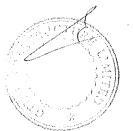

4. During the quarter one lender bank holding 1.58% (by nominal value) of the Indian Rupee Debt, equivalent to Rs. 7,520 Lakhs assigned all their rights, title and interests in financial assistances granted by them to the Company in favour of Edelweiss Asset Reconstruction Company Limited ("EARC"), acting in its capacity as Trustee of EARC Trust-SC 338 vide Assignment Agreement executed in favour of EARC.

Accordingly, during the year, lender banks holding 78.93% of the Indian Rupee Debt, equivalent to Rs. 320,964 lakhs assigned all their rights, title and interests in financial assistances granted by them to the Company in favour of EARC.

- 5. The Company's revenue was severely impacted by the voluntary filing of bankruptcy by Aircel in March 2018, business exits by Tata, RCom and SSTL and other developments during FY 2018-19 including consolidation among operators such as Vodafone- Idea, Telenor Bharti etc. The Company, in accordance with the Indian Accounting Standard (Ind AS 36) 'Impairment of Assets', performed an impairment test based on current expectations of the impact of abovementioned developments on projected cash flows in tower business. The Carrying cost of these assets exceeds its value in use and accordingly an impairment loss of Rs. 57,701 lakhs has been recognized for the quarter and year ended March 31, 2019 and the same has been disclosed as exceptional items (previous year Rs. 142,016 lakhs). The Company continues to pursue contractual claims of approximately Rs. 14,00,000 Lakhs arising out these developments.
- 6. The Hon'ble Supreme Court vide its Final Judgment dated April 2, 2019 has held the RBI's Revised Circular dated February 12, 2018 as ultra vires as a whole and has declared it to be of no effect in law. The Hon'ble Supreme Court has also held and declared all the cases in which debtors have been proceeded against by Financial Creditors under Section 7 of the Insolvency and Bankruptcy Code, only because of the operation of the RBI's Circular dated February 12, 2018 to be non-est. Accordingly, the CIRP process initiated by a Lender allegedly and wrongly claiming a default of Rs. 58,102 lakhs in aggregate as per statement provided by them of March 31, 2019 as against the liability of Rs. 29,131 lakhs in the books of the Company as of March 31, 2019, becomes not-est and the Company will take necessary steps before Hon'ble NCLT. The company is yet to receive balance confirmation from this lender.
 - In addition to the above, with the Telecom sector moving towards stabilization, financially strong operators constituting more than 90% of the Company's tenants /revenues, expected recovery against claim from operators, expected to have realignment of debt by EARC in accordance with cash flows can lead to stabilization and revival of the Company.

In view of the above, the Company continues to prepare the financial statements on a going concern basis.

7. The Company is predominantly in the business of providing 'Telecom Towers" on shared basis and as such there are no separate reportable segments. The Company's operations are currently in India.

As per the arrangements with the Lenders, the Company is required to comply with certain covenants and non-compliance with these covenants may give rights to the lenders to demand Repayment of the loans. Except for one lender, who has demanded for repayment of entire loan, as mentioned above in note no. 6, none of the remaining lenders have demanded repayment of entire loan. By way of abundant precaution, despite the unambiguous Hon'ble Supreme Court order declaring all actions pursuant Revised Framework non-Est and without prejudice to Company's stance before the appropriate court of law, the company has classified these Non-Current Borrowings amounting to Rs. 426,862 as Other Current Financial Liabilities in the statement of assets and liabilities as at March. 31, 2019 as per mandatory requirement of IND AS – 1 "Presentation of Financial Statement".

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF GTL INFRASTRUCTURE LIMITED

- 1. We have audited the accompanying Statement of Financial Results of **GTL Infrastructure Limited** ("the Company") for the quarter and year ended March 31, 2019 (hereinafter referred to as the "Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016.
- 2. The Statement, which is the responsibility of the Company's Management and approved by its Board of Directors, has been compiled from the related Financial Statements which has been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such Financial Statements.
- 3. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the significant accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Attention is drawn to Note no. 3 to the statement which inter alia states that, the Hon'ble Supreme Court of India held that "Mobile Telecommunication Tower"

Pathak H.D. Associates

is a building and State can levy property tax on the same. Pending petitions of the Company before the appropriate Courts, non-receipt of demand notices for property tax in respect of majority of the Telecommunication Towers and also due to Company's right to recover such property tax amount from certain customers, the company is unable to quantify the amount of property tax to be borne by it and accordingly has not made any provision for the same. We are unable to quantify the amount of the property tax, if any, to be accounted for and its consequential effects on the statement.

Qualified Opinion

- 5. Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, *except for the possible effects of the matters described in the para 4 above "Basis for Qualified Opinion"*, the Statement:
 - i) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016; and
 - *ii)* gives a true and fair view in conformity with the aforesaid Ind AS and other accounting principles generally accepted in India of the net loss, total comprehensive income and other financial information of the Company for the year ended March 31, 2019.

Material Uncertainty Related to Going Concern

We draw attention to the Note nos. 5 and 6 to the statement, regarding 6. preparation of financial statements on going concern basis, notwithstanding the fact that the company continue to incurred the cash losses, defaulted to repayment of principal and interest to its lenders, one of the secured lenders has applied before the National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code, 2016, Aircel, one of the major customers of the Company has filed Insolvency petition before NCLT resulting into substantial reduction in the tenancies, provision for impairment for Noncurrent assets and substantial erosion of its net-worth, since the Hon'ble Supreme Court has struck down the RBI circular dated 12.02.2018 and 78.93% (by value) of the Company's borrowing has been assigned to Edelweiss Asset Reconstruction Company Limited (EARC) and expected to have realignment of debt by the EARC in accordance with the Company's cash flow. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The appropriate of the assumptions of the going concern is critically depended upon the Company's ability to raise finance and generate cash flows in future to meet its obligation and to restructure its borrowing with the lenders.

Our opinion is not modified in respect of this matter.

Pathak H.D. Associates

Chartered Accountants

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification: Not Applicable

(ii) If management is unable to estimate the impact, reasons for the same:

"The Hon'ble Supreme Court vide its order dated December 16, 2016 upheld that "Mobile Telecommunication Tower" is exigible to Property Tax and the State can levy property tax on Mobile Towers. While deciding the Special Leave Petition (SLP) for Maharashtra matters, the Hon'ble Supreme Court had given liberty to agitate the issue with regard to the retrospective operation of assessment/demand of tax and the quantum thereof before the appropriate forum.

Post the Judgment of Hon'ble Supreme Court on January 2017; the Company had challenged the quantum of property tax and other issues before the Bombay High Court. By an order dated April 18, 2017, Bombay High Court dismissed the appeal.

Against the said order, the Company preferred a SLP with regards to the manner, quantum, component of property tax and other issues. The said SLP was finally disposed of by an order dated January 02, 2019 and Hon'ble Supreme Court has set aside the Bombay High Court order dated April 18, 2017 and has directed the Bombay High Court to decide the Writ Petition on merits. The Company has filed an amendment application before the Bombay High Court in view of the Supreme Court order and developments happened during the pendency of the SLP before Supreme Court.

Another IP Company by name ATC Telecom Pvt. Ltd has preferred an appeal before Hon'ble Supreme Court against the Order of the Gujarat High Court on the rates and taxes to be fixed for mobile towers in lieu of the Amendment made in the Gujarat Provincial Municipal Corporation Act, 1949 in the year 2011. Supreme Court after hearing the ATC Company in September, 2018 has granted leave and the matter is pending for final hearing.

Also with respect to the few sites where demand notices for property tax have been received, the Company has contested the demands by filing writ petitions in appropriate Courts for the assessment of property tax demand / retrospective levy of property tax, procedure and quantum that have been demanded. Various Hon'ble High Courts have passed orders not to take any coercive action till the admission of matter.

The matter being still sub-judice, non-receipt of demand notes for majority of the towers of the Company and the Company's right to recover property tax from certain customers, the Company is unable to quantify actual property tax amount payable excluding the components which are under challenge. The total impact of provision will be considered as and when the matter is resolved."
