Notes:

2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognised accounting practices and policies to the extent applicable.
3. Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch up basis which is applied to contracts that were not completed as of April 1, 2018. Accordingly, the comparatives have not been retrospectively adjusted. There is no material effect on adoption of Ind AS 115 on the audited standalone financial results for the quarter and year ended March 31, 2019.
4. The figures for the quarter ended March 31, 2019 and the corresponding quarter ended in the previous year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of third quarter of the relevant financial year. Also, the figures upto the end of the third quarter had only been reviewed and not subjected to audit.
5. The Board of Directors of the Company in its meeting held on October 15, 2016 approved:
  - 5.1. a Scheme of Arrangement ('the Scheme') between DCM Limited and DCM Nouvelle Limited, a wholly owned subsidiary of DCM Limited, for the demerger of the Textile business of DCM Limited as per the scheme and vesting of the same with DCM Nouvelle Limited, on a going concern basis with effect from January 1, 2017, i.e. the appointed date.

The aforesaid Scheme was subject to approval from the concerned regulatory authorities which were not perfunctory and considered to be substantive. Subsequent to the year end, the Company has received the order from the National Company Law Tribunal (NCLT) on May 1, 2019 sanctioning the Scheme with the appointed date of April 1, 2019. Since the Scheme of arrangement is approved subsequent to the year end with effect from April 1, 2019, the aforesaid scheme cannot be considered as highly probable on the balance sheet date and hence do not meet the criteria for assets held for sale/ discontinued operations. Accordingly, the impact of the Scheme has not been considered in these standalone financial results. The scheme has become effective on May 13, 2019 on Company filing the NCLT order with Registrar of Companies.

- 5.2. a Composite scheme of Arrangement ('the Composite Scheme') which was further amended/modified in its subsequent meetings held on February 13, 2017 and May 30, 2018 for the:-
  - a. Amalgamation of Tiara Investment Limited into Purearth Infrastructure Limited, a jointly controlled entity ('the Amalgamated Company'), with effect from December 31, 2016;
  - b. Demerger of the Real Estate business of DCM Limited, as defined in the Composite Scheme, into DCM Realty and Infrastructure Limited ('the Resulting Company'), on a going concern basis with effect from January 1, 2017; and
  - c. Following the amalgamation as referred to in (a) and demerger as referred to in (b) above, amalgamation of the Amalgamated Company, i.e. Purearth Infrastructure Limited with the Resulting Company, i.e. DCM Realty and Infrastructure Limited, with effect from January 1, 2017.

*[Handwritten signature]*

The aforesaid Scheme was subject to approval from the concerned regulatory authorities which were not perfunctory and considered to be substantive. However, keeping in view of the ongoing observations of the Stock Exchanges/SEBI on the aforesaid Composite Scheme in the current form and the resultant delays in obtaining "no objection" from Stock Exchanges/SEBI, the Board of Directors of the Company in its Meeting held on February 11, 2019 have decided to withdraw the Scheme and the necessary intimations have been sent to Stock Exchanges/SEBI informing them about the decision of the Board to withdraw this Composite Scheme.

6. In accordance with the Scheme of Amalgamation of Crescita Enterprises Private Limited ('the Transferor company') with the Company, as sanctioned by the National Company Law Tribunal vide its order dated January 08, 2019 which became effective on January 30, 2019 on filing of the certified copy of the order with the Registrar of Companies, the assets and liabilities of the transferor company were transferred to and vested in the Company with effect from the appointed date of March 31, 2017. Consequently 48.35% shares of the Company which were held by the Transferor Company have been cancelled and the Company has issued and allotted same number of equity shares to the shareholders of the Transferor Company in proportion to the shares held by them in the Transferor Company at record date. The impact of this scheme on the audited standalone financial results is not material.
7. Subsequent to March 31, 2019 the National Company Law Tribunal ("NCLT"), vide its order dated May 1, 2019 has approved the demerger of the Textile Division with an appointed date of April 1, 2019. Consequently, the assets and liabilities of the Textile Division of the Company will be transferred with effect from the aforesaid appointed date. After demerger of the Textile Division with effect from April 1, 2019, the net worth of the Company will be substantially reduced and the current liabilities will exceed current assets by Rs. 6,939 Lacs as at the beginning of April 1, 2019. In addition, there are losses in an existing business of the Company.

However, the management believes that the Company will be able to continue its operations on a going concern basis, by infusing liquidity in the system by exploring various alternate sources, and also focusing on the business strategy and future operating plans of the existing businesses, which would help sustain the business operations and its growth.

Accordingly, the financial results have been prepared on a going concern basis.

8. According to the requirements of Schedule III of the Companies Act, 2013, sales for the year ended March 31, 2018, presented in these financial results include excise duty upto June 30, 2017. Consequent to applicability of GST with effect from July 1, 2017, subsequent sales are shown net of GST. The sales net of excise duty/ GST for the relevant periods are given below:

Notes:

2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognised accounting practices and policies to the extent applicable.
3. Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch up basis which is applied to contracts that were not completed as of April 1, 2018. Accordingly, the comparatives have not been retrospectively adjusted. There is no material effect on adoption of Ind AS 115 on the audited consolidated financial results for the quarter and year ended March 31, 2019.
4. The figures for the quarter ended March 31, 2019 and the corresponding quarter ended in the previous year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of third quarter of the relevant financial year. Also, the figures upto the end of the third quarter had only been reviewed and not subjected to audit.
5. The Board of Directors of the Company in its meeting held on October 15, 2016 approved:
  - 5.1 a Scheme of Arrangement ('the Scheme') between DCM Limited and DCM Nouvelle Limited, a wholly owned subsidiary of DCM Limited, for the demerger of the Textile business of DCM Limited as per the scheme and vesting of the same with DCM Nouvelle Limited, on a going concern basis with effect from January 1, 2017, i.e. the appointed date.

The aforesaid Scheme was subject to approval from the concerned regulatory authorities which were not perfunctory and considered to be substantive. Subsequent to the year end, the Company has received the order from the National Company Law Tribunal (NCLT) on May 1, 2019 sanctioning the Scheme with the appointed date of April 1, 2019. Since the Scheme of arrangement is approved subsequent to the year end with effect from April 1, 2019, the aforesaid scheme cannot be considered as highly probable on the balance sheet date and hence do not meet the criteria for assets held for sale/ discontinued operations. Accordingly, the impact of the Scheme has not been considered in these consolidated financial results. The scheme has become effective on May 13, 2019 on Company filing the NCLT order with Registrar of Companies.

- 5.2 a Composite scheme of Arrangement ('the Composite Scheme') which was further amended/modified in its subsequent meetings held on February 13, 2017 and May 30, 2018 for the:-
  - a. Amalgamation of Tiara Investment Limited into Purearth Infrastructure Limited, a jointly controlled entity ('the Amalgamated Company'), with effect from December 31, 2016;
  - b. Demerger of the Real Estate business of DCM Limited, as defined in the Composite Scheme, into DCM Realty and Infrastructure Limited ('the Resulting Company'), on a going concern basis with effect from January 1, 2017; and
  - c. Following the amalgamation as referred to in (a) and demerger as referred to in (b) above, amalgamation of the Amalgamated Company, i.e. Purearth Infrastructure Limited with the Resulting Company, i.e. DCM Realty and Infrastructure Limited, with effect from January 1, 2017.

S  
/

The aforesaid Scheme was subject to approval from the concerned regulatory authorities which were not perfunctory and considered to be substantive. However, keeping in view of the ongoing observations of the Stock Exchanges/SEBI on the aforesaid Composite Scheme in the current form and the resultant delays in obtaining "no objection" from Stock Exchanges/SEBI, the Board of Directors of the Company in its Meeting held on February 11, 2019 have decided to withdraw the Scheme and the necessary intimations have been sent to Stock Exchanges/SEBI informing them about the decision of the Board to withdraw this Composite Scheme.

- 6 In accordance with the Scheme of Amalgamation of Crescita Enterprises Private Limited ('the Transferor company') with the Company, as sanctioned by the National Company Law Tribunal vide its order dated January 08, 2019 which became effective on January 30, 2019 on filing of the certified copy of the order with the Registrar of Companies, the assets and liabilities of the transferor company were transferred to and vested in the Company with effect from the appointed date of March 31, 2017. Consequently 48.35% shares of the Company which were held by the Transferor Company have been cancelled and the Company has issued and allotted same number of equity shares to the shareholders of the Transferor Company in proportion to the shares held by them in the Transferor Company at record date. The impact of this scheme on the audited consolidated financial results is not material.
- 7 Subsequent to March 31, 2019, the National Company Law Tribunal ("NCLT"), vide its order dated May 1, 2019 has approved the demerger of the Textile Division with an appointed date of April 1, 2019. Consequently, the assets and liabilities of the Textile Division of the Company will be transferred with effect from the aforesaid appointed date. After demerger of the Textile Division with effect from April 1, 2019, the net worth of the Company will be substantially reduced and the current liabilities will exceed current assets by Rs. 6,939 lacs as at the beginning of April 1, 2019. In addition, there are losses in an existing business of the Company.

However, the management believes that the Company will be able to continue its operations on a going concern basis, by infusing liquidity in the system by exploring various alternate sources, and also focusing on the business strategy and future operating plans of the existing businesses, which would help sustain the business operations and its growth.

Accordingly, these financial results have been prepared on a going concern basis.

- 8 According to the requirements of Schedule III of the Companies Act, 2013, sales for the year ended March 31, 2018, presented in these consolidated financial results include excise duty upto June 30, 2017. Consequent to applicability of GST with effect from July 1, 2017, subsequent sales are shown net of GST. The sales net of excise duty/ GST for the relevant periods are given below:

**Material Uncertainty on Going Concern**

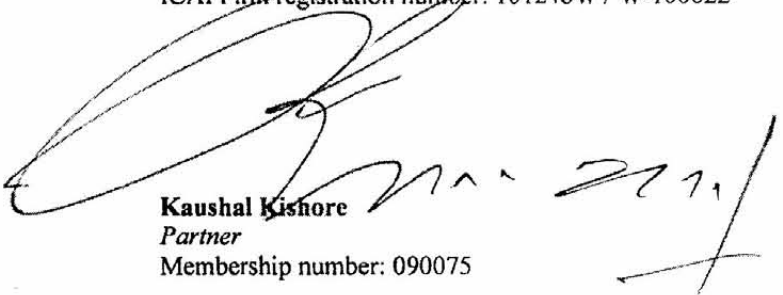

Attention is invited to note 7 in the financial results, indicating that pursuant to approval of demerger of the Textile Division with effect from 1 April 2019 by the National Company Law Tribunal, vide its order dated 1 May 2019, the Company's net worth will be substantially reduced and the current liabilities will exceed current assets by Rs. 6,939 lakhs as at the beginning of 1 April 2019. Above financial position, post demerger, and the losses in another business of the Company, may indicate an uncertainty as to the Company's ability to continue as a going concern, which would be dependent upon realization of the Company's future plans as indicated in the note.

1. We have audited the consolidated annual financial results of DCM Limited ('the Company') for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year, as reported in these consolidated annual financial results, are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. 3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatement(s).
