(UPCSMFL) duly guaranteed by the UP State Government for tenure of 18 months. Consequent to the Bonds not being redeemed on the due date of redemption *viz* 20-12-1999, the Company invoked the Government Guarantee. Pursuant to an ex-parte Order passed by the Hon'ble Punjab and Haryana High Court, Chandigarh on 31-01-2004, the UP State Government (Guarantor) deposited Rs.735.63 lacs and a Govt. Guarantee of equivalent amount in the Civil Court, Lucknow. The Company (Decree Holder) got the release of Rs.735.63 lacs against furnishing of Bank Guarantee of the equivalent amount.

On appeal by the UP State Govt., the Hon'ble Supreme Court of India vide its Order dated 19-01-2015 reversed the ex-parte Order of the Hon'ble Punjab and Haryana High Court and directed the Civil Court to refund the amount to UP State Govt. However, the Company has decided to file Review Petition and the Lawyer

has advised that it can be filed by 29-05-2018. The Company has already accounted for the liability of Rs.735.63 lacs and reflected the same under Note 20.

Since the ex-parte Order of the Hon'ble Punjab and Haryana High Court was reversed by the Hon'ble Supreme Court, the Company filed a fresh Suit against UP State Govt. through Special Secretary, Industrial Development on 11-03-2016.

UP Co-operative Spinning Mills Federation Ltd. (UPCSMFL) is under liquidation vide Order passed in March, 2006 by the Hon'ble Bombay High Court and Official Liquidator was appointed in August, 2006. The liquidation is still pending. The Company has also filed a Claim with the Official Liquidator of UPCSMFL on 23-05-2016.

In view of the protracted litigation, the Company has accordingly reflected the value of the investment in Bonds at Cost as the same is fully guaranteed by the UP State Government

"Annexure B" to Independent Auditor's Report FY 2017-18

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Punjab Communications Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Independent Auditors' Report 2017-18

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provides reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provides reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
